WARRANT FOR A SPECIAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS. *To the Constables of the Town of Weymouth in said County,* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid, qualified to vote in town affairs, to meet at the Odd Fellows Opera House, East Weymouth, on Friday, November twenty first, 1919, at eight and fifteen minutes past in the evening, then and there to act upon the following articles, namely:

Article 1. To choose a Moderator.

Article 2. To see if the Town will vote to contribute the sum of four hundred dollars to the Eastern Massachusetts Street Railway Co. to enable it to continue the operation of cars on Pleasant Street, between Iron Hill Street and Columbian Square; said amount to include until January 1st, 1920, and if so voted, to determine in what manner said amount shall be raised, or take any action in relation thereto.

Article 3. To see if the Town will vote to appropriate the sum of one thousand dollars for the purpose of maintaining the Tufts Library for the remainder of the fiscal year, or take any action in relation thereto.

Article 4. To see if the Town will accept Chapter 293 of the Acts of 1916, it being the so called "Jitney Act."

Article 5. To see if the Town will vote to appropriate the sum of Two thousand dollars for the relief and support of the poor for the remainder of the fiscal year.

Article 6. To see if the Town will vote to appropriate the sum of Two hundred dollars for the relief of disabled soldiers and seamen and for the families of disabled soldiers and seamen under Chapter 79 of the Revised Laws, for the remainder of the fiscal year.

Article 7. To see if the Town will vote to appropriate the sum of Two thousand five hundred dollars for highway repairs, and to determine how same shall be raised.

Article 8. To see if the Town will appropriate the sum of Five hundred dollars for the working of Birchbrow Avenue, or take any action in relation thereto.

Article 9. On petition, as to changing the name of Commercial Square to Columbus Square, or take any action in relation thereto.

Article 10. To see if the Town will appropriate the sum of Two hundred and fifty dollars for rent and expenses of town offices for the remainder of the fiscal year.

Article 11. To see if the Town will appropriate the sum of Sixty one dollars and eleven cents for the Alewife fishery for the remainder of the fiscal year.

Article 12. To see if the Town will ratify and confirm the vote of the Town at the regular town meeting held March third, A. D. 1919, viz: VOTED, That the Town Treasurer be and hereby is authorized with the approval of the Selectmen to issue serial bonds or notes of the Town to the amount of \$20,000, payable in equal installments for ten years from the date of issue, bearing interest not to exceed 5 per cent. per annum, said bonds or notes or money received from the sale of same to be used for the purpose of reimbursing the County of Norfolk for the cost of erecting a Tuberculosis Hospital in the Town of Braintree, and further to appropriate from any money in the treasury not otherwise appropriated, the sum of \$3,556.56 for the same purpose, or take any action in relation thereto.

Article 13. On petition, to see if the Town will vote to authorize the board of Selectmen to offer for sale at auction the Hose House at Lovell's Corner, located on Washington Street.

And you are directed to serve this warrant by posting copies thereof, attested by you in writing, in each of two public places in each voting precinct in said town seven days at least before the time of holding said meeting.

Hereof fail not and make due return of the warrant with your doings thereon to the Town Clerk of said Town at or before the time of holding said meeting.

Given under our hands at Weymouth this tenth day of November in the year of our Lord nineteen hundred and nineteen.

BRADFORD HAWES,
JOSEPH A. FERN,
GEORGE L. NEWTON,
JOHN F. DWYER,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS.

Weymouth, Mass., November 14, 1919.

I have this day served the within warrant by posting a copy thereof attested by me in writing in each of two public places in each voting precinct in said Town of Weymouth seven days before the time of holding said meeting.

ARTHUR H. PRATT,

Constable of Weymouth.

A true copy.

Attest.

CLAYTON B. MERCHANT,

Town Clerk.

SPECIAL TOWN MEETING

Pursuant to the foregoing warrant a meeting of the inhabitants of the Town of Weymouth was held in Odd Fellows Opera House, East Weymouth, on Friday evening, November 21st, 1919. The meeting was called to order at 8:15 o'clock, and the warrant was read by Clayton B. Merchant, Town Clerk.

Article 1. Hon. George L. Barnes was elected Moderator, and the oath was administered to him by the Town Clerk.

Article 2. Mr. Edward C. Barker, secretary of the appropriation committee, moved that the town appropriate from any money in the treasury, not otherwise appropriated, the sum of \$400.00, and contribute the same to the Eastern Massachusetts Street Railway Company, to enable it to continue the operation of cars on Pleasant Street between Iron Hill Street and Columbian Square until January 1st, 1920.

Mr. Edward L. O'Brien moved that the subject-matter of this article be indefinitely postponed. Not a vote.

This vote being doubted by seven legal voters of the town, the Moderator appointed Kenneth L. Nash and William L. Swan to act as tellers, the oath was administered to them by the Moderator.

This vote being retaken showed 267 in favor of indefinitely postponing and 255 against postponing.

Mr. Edward W. Hunt moved a reconsideration of the vote, whereby it was voted to indefinitely postpone the subject matter of Mr. Edward C. Barker's motion.

This vote being taken showed 270 in favor of reconsideration and 214 against reconsideration.

It being announced that a representative of the Eastern Massachusetts Street Railway Company was present, Voted, That the privilege of the floor be extended to such representative.

The Moderator introduced to the inhabitants of the town assembled, Mr. Fred A. Cummings, Public Relation Representative of the Trustees of the Eastern Massachusetts Street Railway Company, who addressed the meeting and explained the situation

of the railroad from the standpoint of the Trustees; at this point the Moderator called Mr. Cummings to order, as the time for debate on this question had expired.

Voted, "That the time be extended to Mr. Cummings."

Mr. Kenneth L. Nash moved the previous question, and it was so voted.

The question of indefinitely postponing the motion as offered by Mr. Edward L. O'Brien, was put before the voters and declared not a vote.

The question, as offered by Mr. Edward C. Barker, "That the Town appropriate from any money in the treasury not otherwise appropriated, the sum of \$400.00, and contribute the same to the Eastern Massachusetts Street Railway Company to enable it to continue the operation of cars on Pleasant Street between Iron Hill and Columbian Square, until January 1st, 1920," was put before the voters and was declared a vote.

Mr. Bradford Hawes, chairman of the Board of Selectmen, moved, and it was voted, "That when this meeting adjourns it convene on Tuesday evening, November 25th, at same time and place."

Article 3. Voted, "That the Town appropriate from any money in the treasury, not otherwise appropriated, the sum of \$1,000.00 for the maintenance of the Tufts Library for the remainder of the fiscal year."

Voted, to take up Article 12.

Voted, "That the Town Treasurer be and hereby is authorized with the approval of the Selectmen, to issue serial bonds or notes of the town to the amount of \$20,000, payable in equal annual installments for ten years from the date of issue, bearing interest not to exceed 5% per annum, said bonds or notes, or money received from the sale of same to be used for the purpose of reimbursing the County of Norfolk for the cost of erecting a Tuberculosis Hospital in the Town of Braintree, and further to appropriate the sum of \$2,628.11 for the same purpose." Yes, in favor, 229. No, against, none.

Voted, "To take up Article 7."

Voted, "That the Town appropriate from any money in the treasury, not otherwise appropriated, the sum of \$2,500 for highway repairs for the remainder of the fiscal year."

Voted, "To take up Article 8."

Motion offered by Edward C. Barker, secretary of the Appropriation Committee, "That the Town appropriate from any money in the treasury, not otherwise appropriated, the sum of \$300.00 for the working of Birchbrow Avenue."

Voted, To amend the question by striking out the figures \$300 and insert the figures \$500.

The amendment was put before the voters and was declared a vote. The original motion as amended was declared a vote, viz.: "That the Town appropriate from any money in the treasury not otherwise appropriated the sum of \$500 for the purpose of working Birchbrow Avenue."

Article 4. Voted, "That the Town accept Chapter 293 of the Acts of 1916, it being the 'so-called 'Jitney Act'."

Voted, That the Selectmen be the licensing authority under the above "Jitney Act."

Article 5. Voted, "That the Town appropriate from any money in the treasury, not otherwise appropriated, the sum of \$2,000.00 for the relief and support of the poor for the remainder of the fiscal year."

Article 6. Voted, "That the Town appropriate from any money in the treasury not otherwise appropriated, the sum of \$200.00 for the relief of disabled soldiers and seamen and for the families of disabled soldiers and seamen, under Chapter 79 of the Revised Laws, for the remainder of the fiscal year."

Article 9. Voted, On motion of Mr. Edward L. O'Brien, "That the subject matter of this article be laid on the table."

Article 10, Voted, "That the Town appropriate from any money in the treasury, not otherwise appropriated, the sum of \$250 for rent and expenses of the Town Offices for the remainder of the fiscal year."

Article 11. Voted, "That the Town appropriate from any money in the treasury, not otherwise appropriated, the sum of \$61.11 for the maintenance of the Alewife fishery for the remainder of the fiscal year."

Article 12. Motion offered by Mr. Edward C. Barker, secretary of the Appropriation Committee, "That the Town authorize the Board of Selectmen to offer for sale at auction the Hose House at Lovell's Corner, located on Washington Street."

Mr. John F. Dwyer offered the following substitute motion, "That the Town authorize the Board of Selectmen to sell the Hose House at Lovell's Corner, located on Washington Street, for the sum of \$100."

Mr. Herbert W. Rockwood moved as an amendment, "That the sum of \$1 be inserted in the place of \$100."

Mr. Francis W. Rea moved as an amendment to the amendment, "That the words 'To the Lovell's Corner Improvement Association' be added to the original motion."

The question on the amendment to the amendment was put before the voters and was carried.

The question on the substitute motion as offered by Mr. Dwyer, as amended, was put before the voters, it being for a larger sum than the amendment as offered by Mr. Rockwood, and was declared by the Moderator carried.

The substitute motion as carried reads as follows: "That the Town authorize the Board of Selectmen to sell the Hose House at Lovell's Corner, located on Washington Street, for the sum of \$100 to the Lovell's Corner Improvement Association."

Voted, "To reconsider the vote whereby it was voted, that when we adjourn the meeting convene on Tuesday evening, Nov. 25, at same time and place."

Mr. Francis W. Rea, in behalf of the Lovell's Corner Improvement Association, thanked the voters of the town for the generous sale of the Hose House at Lovell's Corner to the Association.

Voted, To adjourn.

A true record.

CLAYTON B. MERCHANT,

Town Clerk.

WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS. *To the Constables of the Town of Weymouth in said County.* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in elections therein and in town affairs to meet at Fogg's Opera House, South Weymouth, on Monday, the First Day of March, 1920, at seven o'clock and thirty minutes in the evening, then and there to act upon the following articles, namely:

Article 1. To choose a Moderator for said meeting.

General Administration

Article 2. To choose all necessary Town officers other than those elected by ballot, viz.: Public Weighers, Surveyors of Wood, Lumber and Bark, two or more Fence Viewers, two or more Field Drivers, one Pound Keeper and a Planning Board.

Article 3. To hear and act upon the reports of the several boards of Town officers and of any committee appointed at any former meeting and to choose any committees the Town may think proper.

Article 4. To see if the Town will vote to authorize its Treasurer, with the approval of its Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Article 5. To see if the Town will vote to authorize its Treasurer, with the approval of its Selectmen, on or after January first, 1921, to borrow money in anticipation of the revenue of the year 1921.

Article 6. To see what sum of money the Town will vote to raise and appropriate for a reserve fund.

Article 7. To see if the Town will designate the Weymouth Trust Company, the First National Bank of Boston and the National Shawmut Bank of Boston as legal depositories for the funds of the Town and the First National Safe Deposit Company of Boston as legal depository for the securities of the Town.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$3,872.31 for the payment of Weymouth's portion toward the cost of repairs and maintenance of Norfolk County Hospital for the year 1919.

Article 9. On petition: To see if the Town will raise and appropriate a sum not exceeding two hundred and fifty thousand dollars (\$250,000) for the acquisition of land and the construction and furnishing of a Memorial Building, suitable for meetings and services of war veterans' organizations, and also suitable for annual meetings of the voters and business purposes of the Town, and determine a location for such building and authorize the Selectmen to purchase such location or take same by the exercise of the power of eminent domain and also determine the manner in which money shall be raised or borrowed for the payment of land purchased or taken and the construction of said building and the terms and conditions of any loan necessary to provide said funds, and also to take any other action relative thereto that may be deemed necessary or expedient.

Article 10. By request: To see if the Town will authorize the change of date on the Town Seal from 1623 to 1622, which is the date the first settlers came to Weymouth.

Article 11. By request: To see if the Town will vote to raise and appropriate the sum of one thousand dollars to defray the expense of publishing a history of the Town—said money to be expended under the direction of the Weymouth Historical Society.

Schools.

Article 12. To see what sum of money the Town will vote to raise and appropriate for the support of public schools and for the transportation of pupils to and from school.

Article 13. To see what sum of money the Town will vote to raise and appropriate toward the sinking fund for the payment at maturity of the James Humphrey Schoolhouse bonds.

Article 14. To see what action the Town will take in order to secure land for an additional schoolhouse in Ward One, and what sum of money the Town will vote to raise and appropriate for such purpose, and if the Town will take any other action in relation thereto.

Article 15. To see what action the Town will take in order to provide additional school housing in Ward One, and what sum of money the Town will vote to raise and appropriate for such purposes, and if the Town will take any other action in relation thereto.

Article 16. On petition: To see if the Town will vote to raise and appropriate a sum sufficient to bring the maximum of the teachers' salaries in the grades to twelve hundred dollars and those of the High School to fourteen hundred dollars, such increase being retro-active to January first, 1920, or to take any other action in relation thereto.

Public Parks, Etc.

Article 17. To see what sum of money the Town will vote to raise and appropriate for the care and maintenance of its parks and play-grounds, the same to be expended under the supervision of the Park Commissioners.

Article 18. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500) for curbing on Bayley Green, Columbian Square, South Weymouth, under the supervision of the Park Commissioners.

Article 19. To see if the Town will accept the provisions of Sections 20 and 21 of Chapter 25 of the Revised Laws, authorizing towns to provide public bathing places and establish rates for the use of same.

Article 20. To see if the Town will vote to acquire in fee, by purchase or by right of eminent domain, approximately $2\frac{3}{4}$ acres of land at Lovell's Corner for play-ground purposes; a portion of which is now under lease to the Town, and being a part of the land now or late of Charles H. Lovell; and to provide for the payment by loan or otherwise of the land so taken, and for carrying the vote into effect; or take any other action in relation thereto.

Article 21. To see if the Town will vote to acquire by purchase or by right of eminent domain, land on Neck and River Streets, owned by W. C. Cherrington and Annie K. Jones, for bathing purposes, and a re-appropriation of the sum of five hundred dollars to pay for the same, and to raise and appropriate a sufficient sum of money to erect thereon a bathing house; all under the direction and supervision of the Park Commissioners; or act in any manner in relation thereto.

Fire Department

Article 22. To see what sum of money the Town will vote to raise and appropriate for the support of the Fire Department.

Article 23. To see if the Town will vote to authorize the Fire Engineers to sell the hose wagon and equipment heretofore used by Hose Company Number 6, or any other apparatus for which there is no further use, or take any other action in relation thereto.

Article 24. On petition: To see if the Town will vote to accept Chapter 19, Section 37, of the Revised Laws of 1911 (An act to place the chauffeurs of the Weymouth Fire Department under the Civil Service Rules). Also, that the chauffeurs of the Fire Department shall receive the same rate of salary as paid to the regular patrolmen of the Police Department.

Article 25. On petition: To see if the Town will vote to authorize the payment to call men of the Fire Department a yearly salary of twelve dollars, and one dollar per hour for services at fires, the same to take effect on and after April 1, 1920.

Police Department

Article 26. To see what sum of money the Town will vote to raise and appropriate for police service.

Water Department

Article 27. To see if the Town will appropriate from the revenue of the Water Works the current year the sum of \$48,955, to be expended for the following purposes, viz.:

Superintendence, Maintenance and Pumping Station	\$22,000
Commissioners, Office and Current Expenses	\$5,300
Interest on Sinking Fund 4 Per Cent. Bonds	\$1,760
Interest on Serial $4\frac{1}{2}$ Per Cent. Bonds	\$3,375
Interest on Serial 4 Per Cent. Bonds	\$520
Principal of Serial Bonds Due 1920	\$9,500
New Service, Minor Extensions and Meter Installation	\$6,500

Article 28. To see if the Town will authorize the Water Commissioners to appropriate, if necessary, from the revenue of the Water Works the current year and transfer to the Trustee of the Sinking Fund the sum of \$3,000 to be set apart and invested as a sinking fund for the payment at maturity of the "Weymouth Water Loan Bonds."

Article 29. To see if the Town will confirm the vote of the Town on March 4, 1918, under Article 21, whereby it voted: "That the Town, for the further construction of the water system, authorize the issue of bonds to the amount of \$5,000, under authority of Chapter 276, Acts of 1913, entitled: 'An act to authorize the Town of Weymouth to make an additional water loan.' "

Article 30. On petition: To see if the Town will vote to appoint a committee to ascertain the cost of connection to the Metropolitan Water System, or act in any other way in relation thereto.

Health Department

Article 31. To see what sum of money the Town will vote to raise and appropriate for the services and expenses of the Board of Health.

Article 32. By request: To see what sum of money the Town will vote to raise and appropriate for the employment of district or other nurses, under the provisions of Chapter 72, of the Acts of 1911.

Town Officers, Election and Town Offices

Article 33. To see what sum of money the Town will vote to raise and appropriate for the payment of town officers.

Article 34. To see what sum of money the Town will vote to raise and appropriate for election expenses.

Article 35. To see what sum of money the Town will vote to raise and appropriate for rent and expenses of town offices.

Ways and Bridges

Article 36. To see what sum of money the Town will vote to raise and appropriate for the repair of highways, townways, bridges, and street oiling, and for the removal of snow.

Article 37. To see if the Town will authorize its Selectmen to procure by lease or otherwise the right to remove for street purposes, sand or gravel from the land of Ernest R. Dixon on Essex Street, and make the necessary appropriation therefor.

Article 38. To see if the Town will vote to raise and appropriate the sum of \$2,500 for the building of permanent sidewalks, the same to be expended under the provisions of the Betterment Act.

Article 39. To see what sum of money the Town will vote to raise and appropriate for the purpose of removing the ledge on the southerly side of Broad Street, near its crossing of Middle Street, in Central Square.

Article 40. To see if the Town will vote to incur debt to the amount not to exceed \$5,000 in accordance with the provisions of Chapter 719, Section 5, Clause 8, of the Acts of 1913, as amended by Chapter 317, of the Acts of 1914, for macadam pavement or other

road material under specifications approved by the Massachusetts Highway Commission, or act in any manner in relation thereto.

Article 41. To see if the Town will authorize and instruct its Treasurer, with the approval of its Selectmen, to prepare and issue notes or bonds of the Town to an amount not exceeding \$20,000, under the provisions of Chapter 719, Section 5, Clause 8, of the year 1913, the same to be payable within five years of the date of issue in such amounts annually as may be determined; the proceeds to be devoted to reconstruction of existing townways with asphalt macadam construction, such as used on permanent work on Washington and Broad Streets during year of 1919.

Article 42. By request: To see if the Town will vote to raise and appropriate the sum of \$500 for working of Birchbrow Ave.

Article 43. By request: To see if the Town will lay out Oakden Avenue for a distance of nine hundred feet as a townway, and raise and appropriate the sum of five hundred dollars (\$500) for working of the same.

Article 44. On petition: To see if the Town will vote to purchase land adjoining land owned by Town located on Whitman Street, in connection with James Humphrey School, or take any other action in relation thereto.

Article 45. To see if the Town will raise and appropriate a sufficient sum to extend the improvement of sidewalk on westerly side of Pond Street to Thicket Street.

Article 46. To see if the Town will raise and appropriate the sum of two hundred dollars (\$200) for improving sidewalk on Lakewood Road.

Article 47. To see if the Town will vote to raise and appropriate the sum of three hundred dollars for the working of Filomena Street.

Article 48. To see if the Town will vote to raise and appropriate any amount of money for the improvement of drainage conditions on Broad Street, in the vicinity of Jackson Square.

Street Railway

Article 49. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) for the purpose of securing continued service to date from January first to November first, 1920, on the Pleasant Street route of the Eastern Massachusetts Street Railway Company between Jackson Square and Columbian Square, or take any action relative to contributing to the cost of operation of street railways in town.

State and Military Aid and Soldiers' Relief

Article 50. To see what sum of money the Town will appropriate for the payment of State and Military Aid and for burials under the provisions of Chapter 587, of the Acts of 1914, and to determine how much of the same shall be raised by taxation.

Article 51. To see what sum of money the Town will vote to raise and appropriate for the relief of disabled soldiers and seamen and families of disabled soldiers and seamen under Chapter 79 of the Revised Laws and amendments thereto.

Public Charity

Article 52. To see what sum of money the Town will vote to raise and appropriate for the relief and support of the poor.

Article 53. To see if the Town will authorize the Overseers of the Poor to lease the Town Farm, or take any other action in relation thereto.

Public Library and Reading Room

Article 54. To see what sum of money the Town will vote to raise and appropriate for Tufts Library.

Article 55. To see what sum of money the Town will vote to raise and appropriate for the maintenance of a reading-room in the Fogg Library.

Article 56. To see if the Town will vote to authorize the Trustees of Tufts Library to execute a lease, for not exceeding five years, of the store in the library building.

Street Lighting

Article 57. To see what sum of money the Town will vote to raise and appropriate for the lighting of streets.

Article 58. By request: To see if the Town will vote to place two (2) electric lights on Pond Street, between Fountain Square and the town line, one to be in front of Mr. Harris' house, and the other in front of Mr. Anderson's house.

Article 59. By petition: To see if the Town will consider the placing of three lights, or as many as deemed necessary, on Drew Avenue, East Weymouth.

Article 60. To see if the Town will consider the placing of two or more lights on Filomena Street, or as many as may be deemed advisable.

Town Survey

Article 61. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Town survey system, or take any other action in relation thereto.

Taxes and Interest

Article 62. To determine in what manner taxes shall be collected the current year, and to fix the rate of interest on all taxes remaining unpaid after the time fixed for payment.

Article 63. To see what sum of money the Town will vote to raise and appropriate for the abatement and remittance of taxes.

Article 64. To see what sum of money the Town will vote to raise and appropriate for the payment of interest which may become due during the current year.

Shade Trees and Suppression of Moths

Article 65. To see what sum of money the Town will vote to raise and appropriate for the preservation of shade trees, the same to be expended under the direction of the Tree Warden.

Article 66. To see what sum of money the Town will vote to raise and appropriate for the suppression of gypsy and brown-tail moths, or take any other action in relation thereto.

Printing and Advertising

Article 67. To see what sum of money the Town will vote to raise and appropriate for printing and advertising.

Three Hundredth Anniversary of the Town

Article 68. By request: To see what sum of money the Town will vote to raise and appropriate, or appropriate, for the purpose of celebrating its three hundredth anniversary, or act in any manner in relation thereto.

Miscellaneous Account

Article 69. To see what sum of money the Town will vote to raise and appropriate for miscellaneous expenses.

Miscellaneous Articles

Article 70. To see what sum of money the Town will vote to raise and appropriate for Memorial Day.

Article 71. To determine in what manner the alewife fishery shall be conducted the present year.

Article 72. To see if the Town will instruct its Selectmen to in any way control, regulate or prohibit the taking of clams from the shores and flats of the town.

Article 73. To see if the Town will authorize the Selectmen to commence suit for the recovery of any money or property due it, or to prosecute a bill in equity or any other proceedings in court when in their judgment it is expedient in the interests of the Town to do so.

Article 74. To see if the Town will authorize its selectmen to sell any real estate of which it may be possessed and for which it has no further use.

You are further required to notify and warn said inhabitants of Weymouth, qualified to vote in elections, to meet at the polling places in their respective precincts, to wit: In Precincts One, Three, Five and Six, in the halls of the Fire Engine Houses located in those precincts respectively, in Precinct Two, at the Odd Fellows Opera House, and in Precinct Four, at the Hose House at Nash's Corner, on Monday, the Eighth Day of March, 1920, at five o'clock and forty-five minutes in the forenoon, then and there to bring in to the wardens of their several precincts their votes on one ballot for the following named public officers, to wit: Town Clerk, Town Treasurer, five Selectmen, five Overseers of the Poor, two Assessors for three years, Collector of Taxes, three Auditors, two School Committee for three years, one Water Commissioner for three years, one member of the Board of Health for three years, one Park Commissioner for three years, three Trustees of Tufts Library for three years, one Commissioner of the Sinking Fund of the James Humphrey Schoolhouse for three years, one Tree Warden and ten Constables; and to vote on the same ballot, "Yes" or "No" upon the following question:

"Shall licenses be granted for the sale of intoxicating liquors in this town?"

The polls will be closed at one o'clock in the afternoon.

And you are directed to serve this warrant by posting a copy thereof attested by you in writing in each of two public places in each voting precinct in said town seven days at least before the time for holding the first meeting called for in this warrant.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk of said Town on or before the twenty-sixth day of February, 1920.

Given under our hands at Weymouth this twenty-sixth day of January, in the year of our Lord nineteen hundred and twenty.

BRADFORD HAWES,
JOSEPH A. FERN,
GEORGE L. NEWTON,
JOHN F. DWYER,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

A true copy—Attest:

.....

Constable of Weymouth.

ANNUAL TOWN MEETING

Pursuant to the foregoing warrant the annual meeting of the inhabitants of the town of Weymouth, was held at the Fogg Opera House, South Weymouth, on Monday, March first, 1920. The meeting was called to order at 7:30 o'clock in the evening and the warrant from Article 1 to 15 inclusive was read by the Town Clerk.

Voted, On motion of Mr. Albert P. Worthen, that the further reading of the articles in the warrant be dispensed with.

Article 1. Voted, That Mr. J. Leonard Bicknell be instructed to cast one ballot bearing the name of George L. Barnes for Moderator of this annual town meeting, he was declared elected by the Town Clerk, and the oath of office was administered to him by the Town Clerk.

Motion offered by Mr. Peter Healy, that the meeting proceed to the business of the warrant and that each person be limited to five minutes' speaking on each question.

Mr. Bradford Hawes offered as a substitute motion that this meeting adjourn to three weeks from this date and place at 7:30 o'clock p. m. This question was put before the voters and declared not a vote.

Voted, That each person be limited to five minutes' speaking on each question.

Article 2. That a committee of five be appointed by the Moderator to nominate all officers not required to be elected by ballot.

The moderator appointed on this committee Parker T. Pearson, Emerson R. Dizer, Patrick Casey, Thomas V. Nash and A. Spencer Marsh.

Article 3. Voted, That the reports of the several boards of Town Officers and Committees appointed at former meetings be accepted as printed, to wit: Town Clerk, Selectmen, Overseers of the Poor, School Committee, Town Treasurer, Trustees of Tufts Library, Board of Health, Burial Agent, Sealer of Weights and Measures, Inspector of Animals, Park Commissioners, Trustees of Fore River Bridge, Moth Superintendent, Tree Warden, Town Engineer, Electric Light Committee, Fire Engineers, Superintendent of Streets, Planning Board, Town Accountant, Water Commissioners, Auditor, Commissioners of Ward 2 School House Sinking Funds, Welcome Home Committee, Memorial Town Hall Committee, and the Three Hundredth Anniversary Committee of the settlement of the town.

Voted, That the report of the committee appointed at the last annual town meeting, to investigate the subject of City Government, be laid on the table.

The following resolution was offered by Mr. Francis W. Rea and was unanimously adopted.

Resolved, "That we, citizens of Weymouth in town meeting assembled to consider the action of our appropriation committee in calling and holding a public meeting on Sunday, February 22, 1920, the sole reason for such meeting being the utter lack of transportation in some parts of our town, was an honest attempt of said committee to serve the town and its citizens as a whole in the best and fairest manner possible, and it is further resolved,

"That we publicly express our confidence in the sincerity of the action of our committee; and our belief that their action was warranted and should not be considered as an offence against the sanctity of the Sabbath Day, nor an offence against any Church or member thereof."

Voted, "That the report of the committee to investigate the subject of City Government, etc., be taken from the table."

Voted, "That the report of the committee to investigate the subject of City Government be accepted." (*See Report of Committee*)

Article 4. Voted unanimously, "That the Town Treasurer with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1920, and to issue note or notes therefor, payable within one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year."

Article 5. Voted unanimously, "That the Town Treasurer with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1921, and to issue note or notes therefor, payable within one year, any debt or debts incurred under this vote to be paid from the revenue of the financial year."

Article 6. Voted, "To appropriate from any money in the treasury not otherwise appropriated the sum of \$14,000 for a reserve fund."

Article 7. Voted, "To designate the Weymouth Trust Company of South Weymouth, Mass., the First National Bank of Boston, Mass., and the National Shawmut Bank of Boston, Mass., as legal

depositories for the funds of the town, and the First National Safe Deposit Company of Boston, Mass., as a legal depository for the securities of the town."

Article 8. Voted, "To raise and appropriate the sum of \$2,872.31 for the payment of this town's portion of the cost of repairs and maintenance of the Norfolk County Hospital for the year 1919."

Voted, To take up Article 12.

Voted, "To appropriate from any money in the treasury not otherwise appropriated, the sum of \$1,323.50, being the amount of the dog licenses for the year 1919, and further to raise and appropriate the sum of \$140,793.47 for the support of the public schools and for the transportation of pupils to and from schools; and that the maximum salary of the grade teachers be established at \$1,200, and those of the high school at \$1,400 per year, the increase in salaries provided by this article to be retro-active from January 1, 1920."

Article 9. Motion offered by Edward C. Barker, secretary of the Appropriation Committee, that no action be taken under this article.

Mr. Edward W. Hunt moved that this article be laid on the table.

Mr. Arthur C. Gerstley moved, as an amendment, the following: "That for the purpose of a Town Hall and Memorial Building the Town shall purchase the Fogg Building and site in Columbian Square, and that for that purpose a sum of \$40,000 shall be raised by borrowing, for which purpose the Town Treasurer is hereby authorized to prepare, issue and sell with the approval of the Selectmen, bonds of the town in an aggregate principal not exceeding \$40,000, payable within twenty years of the sale. That the amount of the annual payment and period of the loan be determined by the Treasurer and Selectmen, that said bonds bear interest at a rate not to exceed six per cent per annum, payable semi-annually; that said bonds be in a form not inconsistent herewith or of legal requirements as the Town Treasurer may determine unless authenticated by the First National Bank of Boston."

The question to lay on the table having precedence, was put before the voters and was declared, not a vote.

Mr. Charles R. Greely moved, "That the subject matter of this article be referred to the next annual town meeting."

Mr. Albert P. Worthen moved, as an amendment, "That the time to which the subject matter of this article referred, be the next meeting of this adjourned town meeting," and was declared not a vote.

The question upon Mr. Charles R. Greely's motion was put before the meeting and was declared a vote.

Article 10. Voted, "That the town instruct its Selectmen, that the date on the Town Seal be changed from 1623 to 1622, and also the figures 1900 be omitted from the Seal."

Mr. Peter Healy moved, "That the town reconsider the vote whereby it was voted to refer the subject matter under Article 9 to the next annual town meeting." Not a vote.

Article 11. Mr. Edward C. Barker, secretary of the Appropriation Committee, moved "That no action be taken under this article."

Mr. Howard Joy moved, "That the town raise and appropriate the sum of \$1,000 to defray the expense of publishing a history of the Town, said money to be expended under the direction of the Weymouth Historical Society."

Mr. John F. Dwyer moved as an amendment, "That said money be expended under the direction of the Selectmen and Weymouth Historical Society."

The amendment being accepted by Mr. Joy as a part of his original motion, it was put before the voters, and was declared a vote.

Mr. Howard Joy moved, "That this meeting do now adjourn."

Mr. Fletcher W. Howe moved, as an amendment, "That this meeting adjourn to four weeks from this date and place at 7:30 o'clock."

This amendment was put before the voters and declared not a vote.

Mr. Fisher moved as an amendment, "That this meeting adjourn to three weeks from this date and place at 7:30 o'clock."

This amendment was put before the voters and was declared not a vote.

Mr. Alfred S. Tirrell moved as an amendment, "That this meeting adjourn to one week from this date and place at 7:30 o'clock."

This amendment was put before the voters and was declared not a vote.

Mr. Edward C. Barker offered the following substitute motion, "That when the hour of eleven o'clock arrives, this meeting adjourn, to meet at this place at 7:30 o'clock."

The question was put before the voters and was declared not a vote.

The vote being doubted by seven legal voters of the town the Moderator appointed William L. Swan and Joseph Kelly as tellers, after being sworn in as such by the Moderator, on a recount being taken the tellers reported 174 in favor and 20 against the question. Mr. Joseph A. Fern moved, "That this meeting take up Articles 36 to 41 inclusive."

The question was put before the voters and was declared not a vote."

Voted, To take up Article 49.

Mr. John E. Inkley moved, "That further consideration of this article be indefinitely postponed."

Mr. Edward C. Barker moved as an amendment, "That the town vote to raise and appropriate the sum of \$2,000 for the purpose of securing continued service, to date from January first 1920, on the Pleasant Street route of the Eastern Massachusetts Street Railway Company, between Jackson Square and Columbian Square.

Mr. Joseph A. Fern raised a point of order that a quorum was not present, on a count by the tellers, they reported that 188 voters were present.

Voted, to now adjourn.

A true record.

CLAYTON B. MERCHANT,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

The adjourned meeting of the inhabitants of the Town of Weymouth was held at Fogg's Opera House, South Weymouth, on Monday, March 22d, 1920, the meeting being called to order at 7:30 p. m. by Hon. George L. Barnes, Moderator.

The question before the meeting, was the amendment offered by Mr. Edward C. Barker at the regular meeting held March 8, 1920, under Article 49.

Mr. Michael Sheehy offered the following substitute motion. Moved, "That we instruct the Board of Selectmen to try and arrange with the trustees of the Eastern Massachusetts Street Railway Company to run the electric cars on the Braintree and Front Street lines, to South Weymouth, and that the town guarantee any deficit there may be in running said lines to June 1st, 1920, said guarantee not to exceed \$5,000 to June 1st, 1920.

"And also that an agreement be made for a line of jitneys to run from East Weymouth to South Weymouth and Nash's Corner by way of Pleasant Street during working hours, and any other trips that in the judgment of the Selectmen may be advisable; and that the Town guarantee reasonable remuneration in case such trips are not self-supporting to June 1st, 1920.

"Be it further moved that a committee of three from each precinct be selected by the Moderator, to look into the Street Railway situation and make a detailed report at a special town meeting not later than May 13th, 1920, said committee to act with the Selectmen."

Mr. Bradford Hawes, chairman of the Board of Selectmen, read a report he and Mr. Albert P. Worthen, Town Counsel, had with Mr. Homer Loring, chairman of the Trustees of the Eastern Massachusetts Street Railway Committee.

The report is as follows:

Weymouth, Mass., March 22, 1920.

Report of Bradford Hawes, Chairman of the Board of Selectmen of Weymouth, to the Board, of a conference with Homer Loring, Chairman of the Board of Trustees of the Eastern Massachusetts Street Railway Company, at 1 Beacon Street, Boston, Tuesday, March 15, 1920. (Mr. Hawes was accompanied by the Town Counsel.)

"At our interview Mr. Loring stated in substance as follows:

'That the street railway situation in Weymouth had been in a

critical condition for some time, and that perhaps the trustees had already operated the cars there longer than the financial showing justified, but that they had felt very kindly toward the town on account of its honest effort to help out the railway company by adopting efficient jitney regulations. That the city of Quincy had strenuously objected to having Weymouth included with it as an operating district; that Quincy itself was having a hard time in being able to show justification for continued service; that the city had adopted jitney regulations and there seemed to be a growing moral support which it was hoped would enable the cars to be retained. He said the law did not permit them to operate the cars at a loss and the trustees had no other alternative; that they had previously decided to discontinue service on April 1st, although they regretted being obliged to do so; that when the jitney regulations were suspended by the Selectmen, they made observations as to the result and ascertained that the only jitneys that ran immediately afterwards did so in the parts of the street where the company had ploughed out the snow and only on streets where the company was furnishing service; that they were very glad the regulations had been suspended because it enabled them to discontinue service earlier than they had issued notice so to do and therefore they had decided to stop on the night of Saturday, March 20, 1920.'

"He said the trustees preferred that the town should do nothing in the way of raising and appropriating money to keep the service going, for even if the town went its limit allowed by law—\$2 on each thousand of valuation—this sum combined with the revenue from operation would, in all probability, not exceed operating expenses and depreciation.

"That a most serious feature was the condition of the tracks and to restore them to a condition safe and proper to operate would require a large expenditure of money. That their engineers had made a careful survey of the physical condition of the road bed and rails and had estimated the amounts required as follows:

For Pleasant St. from Jackson Sq. to Columbian Sq.	\$36,000
For the Main-Front Street line	21,000
For Braintree-East Weymouth line	5,600

"He said that he did not advise doing anything with the Pleasant Street line as the traffic could not justify it, but in the event service should be maintained on all other lines, he thought the company would install omnibus service, taking care of Pleasant Street and making connections with all cars. This service would probably run through to South Weymouth depot.

"That the section of the East Weymouth-Braintree line most in need of repairs was between Washington Square and Braintree depot.

"That this line with one-man operated cars would pay its way. That if all cars in Weymouth were one-man cars it would cut the cost of power to one-half, and the cost of repairs one-half, and the wages 40%.

"That from the financial standpoint, the trustees hoped the town would do nothing to keep its service, although the trustees were sorry to have a community lose its transportation facilities to which it had so long been accustomed, and which means so much to the inhabitants.

"That if anything should be done by way of raising and appropriating the required amount, he should advise the appointment of a committee of the citizens to supervise and manage the service;

that the company would furnish the power, equipment and crew but the committee would have a free hand and could run the cars any way they pleased; that they could have less or more frequent service and could charge as fares any sum they pleased, so long as the returns equalled operating expenses and depreciation; that no contributions would be used to pay dividends to stockholders.

"That the situation was a plain, simple, business proposition. If the town could show actual operating expenses and depreciation, the trustees would keep the road going, otherwise, they had no option as the law under which they were appointed and acting required that these two items, at least, should be made certain.

Respectfully submitted,

BRADFORD HAWES,

Chairman."

Voted, "To receive and file the report.'

Voted, On motion of Mr. Herbert C. Bridges, "That Mr. Walter M. Whiting, a resident of Weymouth, but not a registered voter, be given the privilege of the floor." He spoke on the railway situation from a travelling man's standpoint.

The question on Mr. Sheehy's substitute motion was put before the voters and declared not a vote.

Mr. Peter Healy offered the following substitute motion: "That the voters of the town meeting March 22, 1920, choose a committee consisting of Mr. Arthur C. Heald, Horace Drinkwater of Edwin Clapp & Son, Inc., and E. M. Bemis of the George E. Keith Co., to consider the question of transportation service in Weymouth, and rest of the committee to be appointed by the Moderator of this meeting, and report one week from tonight.'

The question on Mr. Healey's substitute motion was put before the voters and declared not a vote.

By unanimous consent of the voters present Mr. Edward C. Barker withdrew his amendment offered at the annual town meeting of March 1st, under article 49.

Mr. Edward C. Barker offered the following substitute motion under Article 49:

"Moved that a committee of ten be appointed by the Moderator to make an investigation of the transportation situation in Weymouth with a view to determine the kind and character of transportation facilities necessary to furnish the citizens of Weymouth with adequate service.

Said committee shall investigate the desirability of establishing transportation service by means of automobile busses and whether such service may be provided by means of capital subscribed locally or otherwise and what measure of control of said service should be reserved to the town through its proper officials and what, if any, guarantee shall be given to a company or companies furnishing such service for transporting the scholars of Weymouth or for any deficit resulting from operations and upon what other terms and conditions such service may be established.

Said committee shall give public hearings upon the subject matter of this order and shall report its findings to special meeting of the voters of the town of Weymouth, which special meeting the Selectmen are requested to call at a date not later than May 1, 1920.

Mr. John L. Bean moved as an amendment, That this committee consist of five, instead of ten, and to report at a special town meeting, not later than April 15, 1920.

The question upon the amendment was put before the voters and was declared not a vote.

The question upon Mr. Barker's substitute motion was put before the voters and was declared a vote.

The Moderator appointed on the committee as follows: Arthur C. Heald, Joseph Kelly, William A. Hodges, Edward W. Hunt, John W. Hanley, Parker T. Pearson, George E. Cuniff, William L. Swan, Elmer E. Leonard and Stanley T. Torrey.

Article 13. Voted—"To raise and appropriate the sum of \$1900 said money to be paid to the trustees of the James Humphrey Schoolhouse Sinking Fund, to be set apart and invested as a sinking fund for the maturity of the James Humphrey Schoolhouse bonds.

Article 14. Voted—That the School committee act as a committee to investigate the desirability of requiring land in Ward 1. for additional schoolhouse, they to report their recommendations at the next annual meeting.

Article 15. Voted—"To raise and appropriate a sum not exceeding \$6,000. for the acquisition and equipment of one or two portable schoolhouses for Ward 1. the location of the portable schoolhouses and the expenditure of said sum to be under the direction of the school committee.

Article 16. Voted—"That no action be taken under this article, as it has been taken care of under article 12."

Article 17. Voted—"To raise and appropriate the sum of \$600. for the care and maintenance of Parks and Play Grounds, to be expended under the supervision of the Park Commissioners."

Article 18. Voted—"To raise and appropriate the sum of \$500. for curbing "Bayley Green" Columbian Square, South Weymouth, said sum to be expended under the supervision of the Park Commissioners."

Article 19. Voted—"To accept the provisions of Section 20 and 21 of Chapter 25 of the Revised Laws, authorizing Towns to provide public bathing places and establish rates for the use of the same."

Article 20. Mr. Edward C. Barker, secretary of the appropriation committee, moved, "To raise and appropriate a sum not exceeding \$500. for the purchase or acquisition by eminent domain, for Parks or Playground purposes, approximately two and three-quarters acres of land at Lovell's Corner now under lease to the town, said land being now or formerly of Charles H. Lovell.

Mr. Fletcher W. Howe moved as an amendment, "That this matter be referred to the Appropriation Committee, they to report at the next annual town meeting."

This amendment was put before the voters of the town and was declared not a vote.

Mr. Frank N. Clapp moved as an amendment, "That this matter be referred to the Park Commissioners.

This amendment was put before the voters of the town and was declared not a vote.

Mr. Edward C. Barker moved to amend by adding the words "a part of which is" and after the words "Lovell's Corner" the following words, "and that the Park Commissioners be authorized to carry this vote into effect."

This amendment was put before the voters of the town and was declared a vote.

The motion as amended was put before the voters of the town and was declared a vote.

The vote is as follows: "To raise and appropriate the sum of \$500. for the purchase or acquisition by eminent domain for Park or Playground purposes approximately two and three quarters acres of land at Lovell's Corner, a part of which is now under lease to the town, said land being now or formerly of Charles H. Lovell, and that the Park Commissioners be authorized to carry this vote into effect. "

Article 21. Mr. Edward C. Barker moved, "That no action be taken under this article."

Mr. Joseph Kelly moved as an amendment, "That the Park Commissioners acquire by purchase or by right of eminent domain, land on Neck and River Streets, owned by W. C. Cherrington and Annie K. Jones, for bathing purposes, and a reappropriation of the sum of five hundred dollars to pay for the same."

This amendment was put before the voters and was declared not a vote.

The motion of Mr. Barker was put before the voters and was declared a vote.

Article 22. Voted, "To raise and appropriate the sum of \$17,000 for the support of the Fire Department."

Article 23, "Voted, "That the town authorize the Board of Fire Engineers to sell the hose wagon and equipment heretofore used by Hose Company No. 6, or any other apparatus for which the town has no further use."

Article 24. Mr. Edward C. Barker moved, "That no action be taken under this article."

Mr. Matthew O'Dowd moved as an amendment, "That the town vote to accept Chapter 19, Section 37, of the Revised Laws of 1901 (An Act to Place the Chauffeurs of the Fire Department Under the Civil Service Rules). Also, that the chauffeurs of the Fire Department shall receive the same rate of salary as paid to the regular patrolmen of the Police Department."

This amendment was put before the voters of the town and was declared not a vote.

The question as offered by Mr. Barker was put before the voters of the town and was declared a vote.

Article 26. Mr. Edward C. Barker moved, "To raise and appropriate the sum of \$13,235 for the support of the Police Department."

Mr. Arthur H. Pratt moved as an amendment, "That the sum be \$15,235 instead of \$13,235."

This amendment was put before the voters of the town and was declared not a vote.

This vote being doubted by seven legal voters of the town, the Moderator appointed Thomas V. Nash, Francis W. Rea and David Crawford as tellers, upon a recount of the vote 266 voted in favor of the amendment and 12 against the amendment.

The motion as amended was put before the voters and was declared a vote.

Article 27. Voted, "That the town appropriate from the revenue of the Water Works for the current year the sum of \$48,955 to be expended for the following purposes, namely:

Superintendence, maintenance and pumping station	\$22,000
Commissioners, office and current expenses	5,300
Interest on sinking fund, 4% bonds	1,760
Interest on serial 4½ % bonds	3,375
Interest on serial 4% bonds	520
Principal of serial bonds due 1920	9,500
New service, minor extensions and meter installations	6,500
	<hr/>
	\$48,955

Clayton B. Merchant, on a question of privilege, which being granted, moved, "That a committee of three be appointed by the Moderator to prepare a set of resolutions on the death of John A. Raymond, who for over 40 years served as the Town Clerk of Weymouth."

This question was put before the voters and was declared a vote.

The Moderator appointed Bradford Hawes, Albert P. Worthen and Benjamin F. Smith as the above committee.

Article 28. Voted, "That the town authorize the Water Commissioners to appropriate, if necessary, from the revenue of the Water Works the current year, and transfer to the Trustees of the sinking fund the sum of \$3,000 to be set apart and invested as a sinking fund for the payment at maturity of the 'Weymouth Water Works Bonds'."

Article 29. Voted, "That the town confirm the vote of March 4, 1918, whereby it voted, 'That the town for the further construction of the water system, authorize the issue of bonds to the amount of \$5,000 under authority of Chapter 276, Acts of 1913, entitled, An Act to Authorize the Town of Weymouth, to make an additional water loan'."

This article was unanimously voted and a quorum of voters being present.

Article 30. Mr. Edward C. Barker moved "That no action be taken under this article."

Mr. Frank H. Torrey moved as an amendment, "That a committee of five be appointed, one of whom shall be Mr. Fred O. Stevens, to ascertain the cost of connection to the Metropolitan Water System."

The amendment was put before the voters and was declared a vote.

The Moderator appointed on the above committee Fred O. Stevens, Russell H. Whiting, Kenneth L. Nash, Prince H. Tirrell and George W. Perry.

Article 31. Voted, "To raise and appropriate the sum of \$3,700 for the services and expenses of the Board of Health."

Article 32. Voted, "To raise and appropriate the sum of \$1,000 for the employment of district or other nurses, said sum to be expended by the town through its Selectmen or under the direction of the Board of Health, if authorized so to do, by the Selectmen.' "

Article 33. Voted, "To raise and appropriate the sum of \$14,025 for the payment of town officers, as follows:"

Selectmen and Overseers of the Poor,	\$2,600
Town Clerk,	250
Assessors,	3,000
Town Treasurer,	800
Town Treasurer's Bond,	125
Auditors,	150
Sealer of Weights and Measures,	600
Tree Warden,	100
Registrars of Voters,	450
Town Accountant and general office Clerk,	2,500
Town Counsel (this amount not to include trial cases)	500
Tax Collector,	2,450
Tax Collector's Bond,	250
Appropriation Committee,	50
Expenses of Sealer of Weights and Measures,	200
	<hr/>
	\$14,235

Article 34. Voted, "To raise and appropriate the sum of \$2,000 for election expenses."

Article 35. Voted, "To raise and appropriate the sum of \$1,475 for rent and expenses of town offices."

Article 36. Voted, "To raise and appropriate the sum of \$71,600 for repairs of highways, town ways, bridges, street oiling and for the removal of snow."

Article 37. Voted, "That no action be taken under this article."

Article 38. Voted, "That no action be taken under this article."

Article 39. Voted, "That no action be taken under this article."

Article 40. Voted, "To raise and appropriate the sum of \$5,000 in accordance with the provisions of Chapter 719, Acts of 1913 as amended by Chapter 317 of the Acts of 1914, to be expended for macadam pavement or other road material under specifications approved by the Massachusetts Highway Department, provided an equal amount is obtained from the Highway Department of the State of Massachusetts and an equal amount is obtained from the County of Norfolk, said sum to be expended upon Union Street, South Weymouth."

Article 41. Voted unanimously and a legal quorum being present, "That the sum of \$20,000 be raised and appropriated for macadam pavement or other road material under specifications approved by the Massachusetts Highway Commission, to be used for

the reconstruction of existing ways in the town, and the Treasurer be and hereby is authorized with the approval of the Selectmen to borrow said sum of \$20,000 for that purpose and to issue serial notes of the town therefor, payable in equal installments for five years from the date of issue, to bear interest at a rate not to exceed six per cent per annum."

Article 42. Voted, "To raise and appropriate the sum of \$500 for working Birchbrow Avenue."

Article 43. Mr. Edward C. Barker moved, "That no action be taken under this article."

Mr. Jacob Denbroeder moved as an amendment, "That the town lay out Oakden Avenue for a distance of nine hundred feet as a town-way and raise and appropriate the sum of \$500 for working of the same."

The question upon Mr. Denbroeder's amendment was put before the voters and was declared not a vote.

The question upon Mr. Barker's motion was put before the voters and was declared a vote.' '

Article 44. Voted, "No action be taken under this article."

Article 45. Voted, "No action be taken under this article."

Article 46. Mr. Edward C. Barker moved, "That no action be taken under this article."

Mr. Fletcher W. Howe moved "That the subject matter of this article be indefinitely postponed."

The question on the amendment was put before the voters and was declared not a vote.

Mr. Clement H. C. Gibson moved, "That the town raise and appropriate the sum of \$200 for improving the sidewalk on Lakewood Road."

The question on Mr. Gibson's motion was put before the voters of the town and was declared a vote.

Article 47. Voted, "That no action be taken under this article."

Article 48. Voted, "That no action be taken under this article."

Article 50. Voted, "To raise and appropriate \$200 and further to appropriate from any money in the treasury not otherwise appropriated the sum of \$6,000 for the payment of State Military Aid and for burials under the provisions of Chapter 587 of the Acts of 1914."

Article 51. Voted, "To raise and appropriate the sum of \$3,600 for the relief of disabled soldiers and seamen and families of disabled soldiers and seamen under Chapter 79 of the Revised Laws and amendments thereof."

Article 52. Voted, "To raise and appropriate the sum of \$18,000 for the relief and support of the poor."

Article 53. Voted, "That the Overseers of the Poor are hereby authorized to lease the Town Farm for such a term and under such condition as they deem proper."

Article 54. Voted, "To raise and appropriate the sum of \$4,650 and the rentals of the Library Building for the support and maintenance of Tufts Library and that the income from the A. J.

Richards, J. E. Trask, Susanna Hunt, C. Q. Tirrell and other funds be used for the purposes designated by the respective donors."

Article 55. Voted, "To raise and appropriate the sum of \$750 for the maintenance of a reading room at Fogg Library."

Article 56. Voted, "That the town authorize the Trustees of Tufts Library to lease the store in the Library building for a term not exceeding five years and under such conditions as they deem proper."

Article 57. Voted, "To raise and appropriate the sum of \$15,500 for street lighting and the matter of installing new lights to be left with the Electric Light Committee."

Article 58. Voted, "That no action be taken under this article."

Article 59. Voted, "That no action be taken under this article."

Article 60. Voted, "That no action be taken under this article."

Article 61. Voted, "To raise and appropriate the sum of \$1,500 for the maintenance of the town survey, this money to be expended under the direction of the Selectmen."

Article 62. Voted, "That all taxes shall become due and payable on October 15th next as prescribed in Chapter 190 of the General Acts of 1918 and that the salary of the Tax Collector be seven mills on the dollar actually collected."

Article 63. Voted, "To appropriate the overlay for the abatement and remittance of taxes."

Article 64. Voted, "To raise and appropriate the sum of \$12,500 for the payment of interest which may become due the current year."

Article 65. Voted, "To raise and appropriate the sum of \$400 for the preservation of shade trees, the same to be expended under the direction of the Tree Warden."

Article 66. Voted, "To raise and appropriate the sum of \$4,000 for the suppression of gypsy and brown tail moths."

Article 67. Voted, "To raise and appropriate the sum of \$3,000 for advertising and printing."

Article 68. Voted, "That no action be taken under this article."

Article 69. Voted, "To raise and appropriate the sum of \$4,000 for miscellaneous expenses."

Article 70. Voted, "To raise and appropriate the sum of \$400 for Memorial Day."

Article 71. Voted, "That the Selectmen be a committee of the town to conduct the Alewife Fishery."

Article 72. Voted, "That the Selectmen are hereby authorized to take such action as they think necessary to control, regulate or prohibit the digging or taking of clams from the shores and flats of the town."

Article 73. Voted, "That the Selectmen be authorized to commence suit for the recovery of any money or property due the town or to prosecute a Bill in Equity or any other proceeding in Court where in their judgment it is expedient to do so."

The committee on nomination of minor officers other than those elected by ballot reported as follows:

Public Weighers

C. Lewis French, John J. Lane, John Byrne, Michael Lane, James B. French, John Q. Manuel, F. Cecil Manuel.

Clara Mitchell, Charles T. Leavitt, James D. Bosworth, Loretta Looney, Wallace D. Cowing, Winfred H. Bartlett, Henry W. Burr, Raymond P. E. Vary.

Robert Condrick, Edward I. Loud, Susan R. Worthen, John F. Dwyer, Annie Brennan, Mabel D. Harlow.

Marjorie J. Mace, William H. Mace, Louis Ells, Charles H. Kelly, Rufford A. Balden, Mabel O. McGlone, William G. Codman.

Alvin Hollis, Walter L. Bates, J. Leonard Bicknell, Ernest A. Bowker, James Tirrell, Hattie M. Taylor.

Surveyors of Lumber and Bark

Russell H. Whiting, John J. Lane, John Q. Manuel, F. Cecil Manuel.

George M. Keene, James P. Haddie, Nicholas J. Grant, Raymond P. E. Vary.

Henry N. Willoby, Robert A. Condrick, John F. Dwyer, Russell G. Worster, Edward I. Loud, Annie Brennan.

John L. Maynard, Theron L. Tirrell, Howard V. Pratt, Mabel D. Duncan, William G. Codman, Rufford A. Balden.

J. Leonard Bicknell, Alvin Hollis, James Tirrell, A. Spencer Marsh.

Fence Viewers

Miles P. Keene, H. Frank Holmes, Russell G. Worster, Theron L. Tirrell, George W. Conant, Walter L. Field.

Field Drivers

George W. Nash, Edward F. Butler, James P. Maguire, Charles W. Baker, Willie F. Tirrell, Elbert Ford.

Pound Keeper

Edward P. Condrick

Planning Board

James W. Colgan, Frederick L. Doucet, John B. Whelan, William J. Holbrook, Prince H. Tirrell.

Voted, That the report of the committee on Town Government be taken from the table, and referred to the committee for further consideration and report in print at the next annual meeting.

REPORT OF COMMITTEE ON TOWN GOVERNMENT, ETC.

At the annual Town Meeting in March, 1919, the following vote was passed:

Voted, That a committee of five be appointed by the Moderator to investigate the subject of City Government, the town of Brookline's manner of town meeting by representation, the Norwood town managership plan or any other new form of town government and to report at some future meeting but not later than the next annual town meeting.

Subsequently the Moderator appointed
Edward R. Sampson
Edward P. O'Brien
Albert P. Worthen
Bradford Hawes
Matthew O'Dowd.

The committee organized by the choice of Albert P. Worthen as chairman and Bradford Hawes as secretary.

The committee having investigated the subject as directed under the above vote, report as follows:

CITY GOVERNMENT

The Acts of 1915, Chapter 267, entitled An Act to Simplify the Revision of City Charters, provides four plans, designated respectively, A. B. C. and D. This act can be adopted by any city in the State except Boston.

Plan A. provides for a Mayor and a City Council of nine members, all of whom are elected at large.

The heads of departments and other city officers are appointed by the Mayor without confirmation by the council. They may be removed in like manner.

Plan B. provides for a Mayor, and in cities having seven wards or less, a City Council of eleven members, elected partly at large and partly by districts or wards.

The heads of departments and other officers are appointed by the Mayor, subject however to confirmation by the council, and in like manner they may be removed.

Plan C, provides for a city council of five members consisting of a Mayor, who shall also be commissioner of administration, a commissioner of finance, a commissioner of health, a commissioner of public works and a commissioner of public property. The Mayor has a vote but no veto.

Plan D, provides for a city council of five members, the one of whom receives the highest number of votes shall be the Mayor.

The council shall appoint a city manager, who shall be the administrative head of all departments and shall appoint such officers and employees as the council determines to be necessary.

All of the foregoing plans provide for a term of office of two years for the Mayor and city council.

In all cases the school committee is elected by the voters of the city.

We have conferred with the city authorities of Leominster, Peabody and Methuen the last three towns of the state to adopt city charters and they all seem to think the change to be advantageous. The charters of these three cities are in substantial conformity to plan A or plan B, before mentioned.

The charter of Leominster provides for a salary for its Mayor not exceeding \$1,000 and for its city council not exceeding \$500 each.

The charter of Peabody makes the salary of the Mayor not to exceed \$2,000 and the city council \$250 each.

The charter of Methuen limits the salary of the Mayor to \$1,500 and the city council to \$250 each.

In his communication the Mayor of Peabody states that whereas their tax rate for last year under town government was \$22.40, the average under the city charter for the last three years has been but \$16.60. He further states that in that time they had spent \$800,000 on permanent roads and other public improvements, of which \$575,000 has been paid out of the tax levy.

In the case of Methuen we find the provisions made for the transference of the town government to a city government were as follows:

Upon the acceptance of this act the selectmen of the town then in office shall forthwith divide the territory thereof into five wards, so that the wards will contain, as nearly as may be consistent with well defined limits, an equal number of voters, and they shall designate the wards by number. The wards may in any year fixed by law for a new division of wards in cities, be changed by a vote of the municipal council with the assent of the mayor; but the number of the wards shall never be less than five. The selectmen, for the purpose of the first preliminary election held according to the provisions of this act and of the first municipal election which shall take place on the third Tuesday of December next succeeding the acceptance of this act shall provide suitable polling places and give notice thereof, and shall at least ten days before said preliminary election appoint all proper election officers therefor; and they shall in general have the powers and perform the duties of the mayor and board of aldermen in cities under chapter eight hundred and thirty-five of the acts of the year nineteen hundred and thirteen, and acts in amendment thereof and in addition thereto, the provisions of which, so far as they may be applicable, shall apply to said election; and the town clerk shall perform the duties therein assigned to city clerks. The registrars shall cause to be prepared and published according to law lists of qualified voters in each of the wards established by the selectmen.

Section 3. The selectmen shall notify the persons elected at the said first election, and shall provide and appoint a place for the first meeting of the mayor and council on the first Monday in January next ensuing; and shall, by written notice left at their respective places of residence at least twenty-four hours prior to such meeting, notify the mayor elect and councilmen elect, who

shall immediately proceed to organize and carry into effect the provisions of this act, which shall thereupon have full force and effect. The selectmen shall, in like manner, appoint a place and time for the first meeting of the school committee, and shall notify the members thereof.

BROOKLINE'S MANNER OF TOWN MEETING BY REPRESENTATION

In 1915, the Legislature passed an act entitled, "An Act to provide for precinct voting, limited town meetings, town meeting members, a referendum and an annual moderator in the town of Brookline, "to take effect upon its acceptance by the town of Brookline, as therein provided. (Ch. 250 of the Acts of 1915.)

The town of Brookline accepted the act and since its acceptance, the business of the town meeting, other than the election of officers, has been transacted by the limited town meeting, authorized by the act.

The act provided, in substance, that the territory of the town should be divided into precincts; that thereafter the registered male voters in each of such precincts, should elect by ballot twenty-seven of their number as town meeting members at large, one-third for a term of one year, one-third for a term of two years and one-third for a term of three years, and thereafter said voters of each precinct should elect nine of their number to be such town meeting members at large.

It also provided that thereafter the town meetings of Brookline should be limited to, or composed each year of, the registered voters so elected, together with the following; designated as town meeting members as at large, namely:—

1. The members from Brookline in the General Court of the Commonwealth of Massachusetts.
2. The Moderator.
3. Town Clerk.
4. The Selectmen.
5. The town treasurer,—the chairman of each of the following.
6. Boards of the assessors.
7. Of the school committee.
8. Of the trustees of the public library.
9. Of the trustees of the cemeteries.
10. Of the water board.
11. Of the park commissioners.
12. Of the planning board.
13. Of the committee for planting trees.
14. Of the gymnasium and baths committee, and
15. Of the registrars of voters.

It was provided that nominations of candidates for town meeting members to be elected should be made by nomination papers signed by not less than thirty registered male voters of the precinct in which the candidate or candidates reside and filed with the town clerk at least ten days before election.

It provided that the articles in the warrant for town meetings in Brookline, so far as they relate to the election of the moderator, town officers, town meeting members, granting licenses for the sale of intoxicating liquors, of referenda and to all matters to be acted upon, and be determined by ballot, by the registered voters of the town in their respective precincts shall be so acted upon and be so determined.

All other articles in the warrant for any town meeting in Brookline to be acted upon and be determined exclusively by town meeting members at the meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for such meeting.

It was provided that if at any limited town meeting in Brookline, a vote is passed that authorizes an expenditure of \$25,000 or more for a special appropriation, such vote shall not become operative for a period of five days, and if within such period of five days a petition is addressed to and filed with the selectmen, signed by not less than twenty voters from each precinct, asking that the question involved in such vote be submitted to the regular voters at large of the town, the selectmen and the moderator shall, within fourteen days after the filing of the said petition, frame and present the question so involved to a special town meeting of the registered voters at large of the town, to be held for that purpose, at which meeting the ballot and the check list shall be used in the respective precincts, and such question shall be determined by the vote of a majority of such voters at large of the town voting thereon at such special town meeting. If such petition is not filed within the said period of five days, the special appropriation shall become operative upon the expiration of the said period. It is only fair to say that the operation and effect of this representative town meeting system has been satisfactory to the inhabitants of Brookline.

It is interesting to note that just 100 years before Brookline made its change, a committee had been appointed at a town meeting in the town of Boston to consider and recommend some form of town government that would be better adapted to the then existing conditions in Boston.

This committee was composed of 22 leading citizens and in 1815 reported a form of government similar to that adopted by Brookline in 1915.

The committee's report was rejected by a majority of only thirty-one in a total vote of 1871. For the following seven years, the question was agitated and most exciting debates took place, until in 1822, Boston was made a city, having at the time a population of 40,000 of whom 7,000 were qualified voters.

In Quincy's Municipal History of Boston, page 28, speaking of the manner in which Boston's town meetings were conducted, at about that period, is the following:

"When a town meeting was held on any exciting subject in Faneuil Hall, those only who obtained places near the moderator could even hear the discussion. A few busy or interested individuals easily obtained the management of the most important affairs in an assembly where the greater number could have neither voice nor hearing."

"When the subject was not generally exciting, town meetings were usually composed of the selectmen, the town officers, and thirty or forty inhabitants. Those who thus came were, for the most part, drawn to it from some official duty or private interest, which when performed or attained, they generally troubled themselves but little, or not at all, about the other business of the meeting. In assemblies thus composed by-laws were passed; taxes to the amount of one hundred or one hundred and fifty thousand dollars voted, on statements often general in their nature, and on reports, as it respects the majority of voters present, taken upon trust and which no one had carefully considered, except perhaps the chairman."

In 1915, Brookline had a population of 36,000 but did not want a city charter. It wished to avoid the introduction into its municipal affairs of state and national politics that meant a larger outlay for municipal administration, a form of municipal organization (city) upon which Lord Bryce once said, "Satan has turned his heaviest batteries."

It is claimed that the Brookline plan is distinguished from city creations in that it is less expensive to operate, is non-political, and perpetuates some of the best features of town government by substituting a definite chosen representative for an indefinite chance representing attendance at its town meeting.

By Chapter 205 of the Special Acts of 1919, the town of Watertown was authorized to establish a similar limited town meeting plan, only instead of each precinct electing the arbitrary number of 27 town meeting members—it elects one-sixth of its qualified voters in the precinct.

The town meeting is constituted of members so elected—together with the following who are town meeting members ex-officio:

Any member of the general court.

The Moderator.

The Town Clerk.

The Selectmen.

The Town Treasurer.

The Town Counsel.

The Town Collector of Taxes.

The Town Auditor.

The Chairman of the School Committee.

The Chairman of the Trustees of the Public Library.

The Chairman of the Board of Health.

The Chairman of the Park Commission.

The Chairman of the Water Commissioners.

The Tree Warden.

The Chairman of the Planning Board.

The Chairman of the Assessors of Taxes.

The Chairman of the Playground Commission, and the members of the Finance Committee who are not elected town meeting members.

NORWOOD TOWN MANAGER PLAN

By Chapter 197 of the Acts of 1914, the town of Norwood was authorized to hold its annual town meeting on the third Monday of January and to enlarge the powers and duties of the Selectmen, to abolish certain offices and to provide for the administration of town affairs.

The act provides for a Board of five Selectmen, each to serve for three years.

The Selectmen so elected are held to be and act as the overseers of the poor, and surveyors of highways of the town and exercise all the powers, rights, duties, and liabilities confirmed or imposed by law upon the water commissioners, sewer commissioners, park commissioners, municipal light board and the tree warden.

One person is elected as town treasurer and collector of taxes. The selectmen appoint the assessors each to serve for a term of three years. The selectmen appoint one person to the office of town clerk and accountant. The selectmen annually appoint a board of three persons, residents of the town but who hold no elective office in the town and are known as a board of relief. This board is subject to the supervision of the selectmen, performs the duties and exercises the powers of overseers of the poor of said town.

The selectmen are required to appoint a general manager to be the administrative head of all departments of the town government, the conduct of which is by law placed upon the selectmen, and said general manager is subject to the direction and supervision and holds office at the will of the selectmen. He is appointed without regard to political belief and may or may not be a resident of the town. He is responsible for the efficient administration of all the departments within the scope of his duties; he must be sworn to the faithful and impartial performance thereof, must file a bond in favor of the town for the faithful performance of his duties in such sum and with such surety or sureties as may be fixed or approved by the board.

The powers and duties of the general manager shall include the following:—

(a) To organize, continue or discontinue such divisions or departments from time to time as may be determined by vote of the selectmen, or in the absence of such vote, as may be determined by said general manager to be required for the efficient conduct of his office;

(b) To appoint upon merit and fitness alone, and, except as herein otherwise provided, to remove all superintendents or chiefs of departments and all subordinate officers and employees in such departments, and to fix all salaries and wages of all subordinates and employees, subject to law. The superintendents or chiefs of departments shall not be removed by the general manager, except on five days' notice in writing, which shall state the cause of such removal;

(c) To exercise control over all such departments or divisions so created, or that may hereafter be created, which shall be made subject to the supervision of said general manager;

(d) To attend all regular meetings of the selectmen, and to recommend to the selectmen for adoption such measures requiring action by them or by the town, as he may deem necessary or expedient;

(e) To keep full and complete records of the doings of his office, and to render as often as may be required by the selectmen, a full report of all operations during the period reported on; and annually, or oftener if required by the selectmen, to make a synopsis of all reports for publication;

(f) To keep the selectmen fully advised as to the needs of the town within the scope of his duties, and to furnish the selectmen on or before the thirty-first day of December of each year a careful detailed estimate in writing of the appropriations required during the next ensuing fiscal year for the proper conduct of all departments of the town under his control;

(g) To keep in repair the Morrill memorial library and all school and other town buildings, and to purchase all supplies for every department of the town, and purchases of supplies for departments over which the general manager has no control shall be made only upon request of said departments and upon requisition therefor by the said departments or their authorized representative;

(h) To perform such other duties, consistent with his office, as may be required of him by the by-laws of the town or by vote of the selectmen;

(i) To have the control and supervision of the department of police of the town, subject, however, to the direction of the selectmen; and the appointment or removal of the chief or head of said police department shall not be subject to the civil service laws of the commonwealth, but shall be made in accordance with the provisions of this act.

The general manager may without notice cause the affairs of any division or department under his control or the conduct of any officer or employee thereof to be examined. The general manager or any person or persons appointed by him to examine the affairs of any such department or the conduct of any such officer or employee shall have the same power to compel the attendance of witnesses and the production of books and papers and other evidence, and to cause the witnesses to be sworn and to be punished for contempt as is conferred by law upon the selectmen. The general manager shall have access to all town books and papers for information necessary for the proper performance of his duties.

The general manager is subject to removal by the selectmen.

Under the Norwood plan the town government is divided into three departments, viz: the financial, represented by the Finance Committee; the educational, by the School Committee; and the operating, by the Board of Selectmen, and the salient features of the plan may be briefly summarized as follows: through consolidation of departments and extended control over all kindred and allied municipal activities, power and responsibility are concentrated in one body of elected officials, who in turn, delegate the administrative or operating functions to a single appointive ex-

ecutive head or "manager" who is particularly qualified as an expert.

The elective officials formulate policies and the executive head carries them out. The elective officials are responsive to the people through the recall power, exercisable at any time. The administrative head is not promised a definite term of service, but is retained in office only as long as he shows results.

Expenses are reduced through a single purchasing head. Checks on all departments are secured through an elective finance commission with broad powers, holding no other town office.

OTHER FORMS

The present legislature has before it the report of a commission appointed to revise and codify the laws relating to towns.

This report submits a proposed act relative to the consolidation of certain offices and departments in towns to become operative upon its acceptance by a town. Briefly this act, if passed, will provide for the election of a board of five selectmen for three years and practically places upon the board the duties imposed by Plan C, before mentioned, upon city councils in so far as appointments of officers are concerned. The selectmen appoint a town clerk who shall also act as clerk of the board of Selectmen; a board of three assessors; and inspector of health with all the powers of a board of health; a superintendent of the poor department under the supervision of the selectmen who shall act as overseers of the poor.

The water department and street are consolidated under a commission of public works to be appointed by the Selectmen and who shall appoint such subordinates and employ such other help as may be necessary, subject to the approval of the Selectmen.

The police department and fire department are consolidated under a commissioner of public safety and subject to the same conditions as the preceding.

The Selectmen are empowered to remove for cause and after a hearing any of the above mentioned appointees.

Upon petition of fifty registered voters of any town in which official ballots are used this act shall be submitted by the selectmen to the voters at the next annual town meeting.

The Act provides that any town accepting the provisions of the Act, may, after the change has been in effect for a period of not less than three years, vote at any annual town meeting to rescind its acceptance of the Act.

The foregoing is a brief outline of the subject upon which the committee was appointed, and necessarily omits many details, to include which, would make too lengthy a report and would perhaps serve no very useful purpose.

Respectfully submitted,

BRADFORD HAWES,
Secretary for the Committee.

The Moderator appointed as Appropriation Committee Russell H. Whiting, Robert S. Hoffman, Edward C. Barker, Francis W. Rea, J. Leonard Bicknell.

The Moderator appointed as Electric Light Committee Sidney G. Dunbar, Winslow M. Tirrell, Russell G. Worster, Matthew O'Dowd.

Voted, That the next annual meeting be held in the evening.

Voted unanimously by a rising vote, "That the thanks of the town be and hereby is extended to Hon. George L. Barnes for the able and impartial manner in which he has presided over this annual and adjourned town meeting."

Article 74. Voted, "That the Selectmen be authorized to sell any real estate of which the town may be possessed and for which it has no further use, the same to be sold at public auction, except in the case of land owned by the town as a result of unredeemed tax sale.

Voted to adjourn.

A true record.

CLAYTON B. MERCHANT,

Town Clerk.

ANNUAL TOWN ELECTION

A meeting of the Board of Registrars of Weymouth was held at the Town Office, Savings Bank Building, East Weymouth on Monday, March 8th, 1920, at 7:30 o'clock in the evening, for the purpose of examining the records of votes cast in the several precincts for Town Officers, and found that the following persons having received the largest number of votes were duly elected to their respective offices, to wit:..

Town Clerk

Clayton B. Merchant

Town Treasurer

John H. Stetson

Selectmen

George L. Newton	Frederick Humphrey	William H. Cowing
Bradford Hawes		Alfred W. Hastings

Overseers of the Poor

George L. Newton	Frederick Humphrey	William H. Cowing
Bradford Hawes		Alfred W. Hastings

Collector of Taxes

Harry E. Bearce

Assessors for Three Years

Charles H. Clapp	Theron L. Tirrell
------------------	-------------------

Water Commissioner for Three Years

George E. Bicknell

Park Commissioner for Three Years

Alonzo M. Newbert

School Committee for Three Years

Sarah S. Howe	Edwin R. Sampson

A true record

CLAYTON B. MERCHANT,
Town Clerk.

South Weymouth, March 15, 1920.

C. B. Merchant, Town Clerk.

Dear Sir:

I feel obliged to decline or resign as one of the Board of Assessors. I am at present under the doctor's care and shall be for some time. I shall miss the pleasant features of the office and forget the unpleasant ones. Wishing you all a harmonious term.

Very truly yours,

THERON L. TIRRELL.

WARRANT FOR PRESIDENTIAL PRIMARY

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS. *To the Constables of the Town of Weymouth in said County.* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Weymouth aforesaid who are qualified to vote in Primaries to meet in the polling places in their respective precincts in said town, to wit: In Precinct One, Three, Five and Six at the halls of the fire engine houses located in those precincts respectively; in Precinct Two at the Odd Fellows Opera House, in Precinct Four at the Hose House at Nash's Corner, on Tuesday the twenty-seventh day of April, 1920, at four o'clock in the afternoon, for the following purposes: To bring in their votes to the Primary Officers for the election of candidates of Political Parties for the following offices:

Four delegates at large to the National Convention of the Republican Party.

Four alternate delegates at large to the National Convention of the Republican Party.

Four delegates at large to the National Convention of the Democratic Party.

Four alternate delegates at large to the National Convention of the Democratic Party.

Two District delegates of the National Convention of the Republican Party, Fourteenth Congressional District.

Two alternate district delegates to the National Convention of the Republican Party, Fourteenth Congressional District.

Two district delegates to the National Convention of the Democratic Party, Fourteenth Congressional District.

Two alternate district delegates to the National Convention of the Democratic Party, Fourteenth Congressional district.

The polls will be open from four o'clock to eight o'clock p. m.

And you are directed to serve this warrant by posting a copy thereof attested by you in writing in each of two public places in each voting precinct in said town, seven days at least before the time of holding said primary meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk of said town on or before the twenty-fourth day of April, 1920.

Given under our hands at Weymouth, this fifth day of April A. D. 1920.

BRADFORD HAWES,
WILLIAM H. COWING,
GEORGE L. NEWTON,
FREDERICK HUMPHREY,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

SPECIAL TOWN MEETING

NORFOLK, SS. *To the Constables of the Town of Weymouth in said County.* GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in town affairs to meet in the car-barn on Iron Hill, East Weymouth, on Friday, the 30th day of April, nineteen hundred and twenty, at seven o'clock and thirty minutes in the evening, then and there to act upon the following articles, namely:

Article I. To choose a Moderator.

Article II. To hear reports of any committees appointed at any previous meeting and act thereon.

Article III. On petition: To see if the Town will accept Chapter 240, of the General Acts of 1920, it being the so-called "Sunday Sport Act."

Article IV. To see if the Town will vote to raise and appropriate any sum of money for the purpose of securing the resumption of passenger transportation on the streets of Town by the Eastern Massachusetts Street Railway Company, or take any action in relation to contributing to the cost of operating of street railways in Town or take any other action in relation thereto.

And you are directed to serve this warrant by posting a copy thereof attested by you in writing in each of two public places in each voting precinct in said Town seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk of said Town at or before the time of said meeting.

Given under our hands at Weymouth, this twentieth day of April, 1920.

BRADFORD HAWES,
WILLIAM H. COWING,
GEORGE L. NEWTON,
FREDERICK HUMPHREY,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

A true copy: Attest:

ARTHUR H. PRATT,

Constable of Weymouth.

COMMONWEALTH OF MASSACHUSETTS

Weymouth, Mass., April 23, 1920.

Norfolk, ss.

I have this day served the within warrant by posting a copy thereof attested by me in writing in each of two public places in each voting precinct in said town of Weymouth seven days before the time of holding said meeting.

ARTHUR H. PRATT,

Constable of Weymouth.

SPECIAL TOWN MEETING

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Weymouth was held at the car barn, Iron Hill Street, East Weymouth on Friday evening, April 30, 1920, the meeting was called to order at 7:30 o'clock, and the warrant was read by Clayton B. Merchant, Town Clerk.

Article 1. Mr. Bradford Hawes moved, That Mr. Bates Tottey be instructed to cast one ballot bearing the name of Hon. George L. Barnes as the Moderator of this meeting. He was declared elected and the oath was administered to him by the Town Clerk.

The following resolution was unanimously adopted:

Whereas: It is given to few persons to contribute to the welfare of their fellowmen by an uninterrupted service in public office for the period of a generation, and Whereas: For more than forty years our esteemed co-worker, John A. Raymond, filled the position of Town Clerk of the Town of Weymouth and by his death the town is deprived of the efficient services of a faithful and conscientious servant, and Whereas: There are few families in the town which have not during the above period, in joy or in sorrow, been brought in touch with the work of our departed friend who has faithfully recorded the birth, marriage and deaths for more than a generation of our town's people and performed the numerous duties devolving upon the Town Clerk, in all of which service the conduct of Mr. Raymond may well be characterized as that of a christian gentleman, therefore, Resolved: That we express our sincere appreciation of the faithful services of Mr. Raymond through the long period of his official connection with the affairs of the town, and be it further Resolved: That we tender to the widow and children of the deceased our heartfelt sympathy with them upon the loss of a devoted husband and father and be it further Resolved: That these resolutions be spread upon the records of the town and that a copy of the same be forwarded to the family of the deceased.

ALBERT P. WORTHEN,

BRADFORD HAWES,

BENJAMIN F. SMITH,

Committee.

Mr. William A. Hodges, clerk of the Transportation Committee reported as follows:

REPORT OF COMMITTEE ON TRANSPORTATION

At the annual meeting of the Town of Weymouth, held March 22, 1920, under Article 49 of the Warrant, it was "Voted, That a committee of ten be appointed by the Moderator to make an investigation of the transportation situation in Weymouth with a view to determine the kind and character of transportation facilities necessary to furnish the citizens of Weymouth with adequate service.

Said Committee shall investigate the desirability of establishing automobile busses and whether such service may be provided by means of capital subscribed locally or otherwise and what measure of said service should be preserved to the town through its proper officials and what, if any, guarantee should be given to a company or companies furnishing said service for transporting the scholars of Weymouth for any deficit resulting from operations and upon what other terms and conditions such service may be established.

Said Committee shall give public hearings upon the subject matter of this order and shall report its findings to a special meeting of the voters of the Town of Weymouth, which special the Selectmen are required to call at a date not later than May 1, 1920."

The Moderator appointed on the committee as follows:

Arthur C. Heald, Joseph Kelly, William A. Hodges, George E. Cuniff, Edward W. Hunt, John W. Hanley, Parker T. Pearson, William A. Swan, Elmer E. Leonard, Stanley T. Torrey.

The committee organized with Arthur C. Heald as chairman, and William A. Hodges as Secretary.

The committee has held eight meetings in all. It has given a public meeting (in accordance with the requirements in the vote under which the committee was appointed), at which all persons who desired were given an opportunity to be heard.

A conference was held with the public trustees of the Eastern Massachusetts Street Railway Company, and with several persons interested in furnishing transportation service by means of Automobile busses and a joint meeting with a similar committee representing the Town of Braintree. The members of the committee, also, have endeavored to secure all possible information upon the subject matter from various other available sources.

In our interview with the trustees of the Eastern Street Railway Company of Massachusetts the fact was developed that the operation of electric cars in the town of Weymouth—as a whole, or as individual lines—had never been at a profit to the company. Figures to confirm or disapprove this statement not being available, the Committee gives this only as their opinion.

It seems apparent, also, that the Bay State Company and its predecessors did not make adequate allowance for depreciation

and maintenance on its Weymouth lines and that the track and roadbed have fallen into deplorable condition, so that it is deemed by the trustees impracticable, if not actually unsafe, to operate cars over these lines until rehabilitation and repairs have been made. The condition of the track, together with the lack of sufficient revenue to meet the cost of service, caused the trustees to discontinue operation on all lines in town except the East Weymouth-Quincy line.

The Engineering department and the transportation department combined of the Eastern Massachusetts Street Railway Company submit the following estimate of the approximate cost of service of one-man car operation for the year beginning June 1st,

1920.

Wages Car Operation,	\$19,515.
Power and Line,	13,470.
Maintenance of Track,	63,675.
Maintenance of Equipment,	18,855.
General and Miscellaneous, including Accidents,	10,775.
6% Return on Investment Value,	18,000.
2.67% on Investment Value for Depreciation,	8,000.
0.5% on Investment Value for Taxes,	1,500.
Car House Expenses,	7,000.
Supervision and Office Expense,	3,500.
	<hr/>
Total Cost of Operation,	\$164,330.
Estimated Annual Revenue,	117,500.
	<hr/>
Estimated Annual Deficit,	\$ 46,830.

The Weymouth District includes the East Weymouth route and the section of the Rockland-Braintree route between Braintree and the Weymouth-Rockland Town Line.

Please note that the estimate does not include the profit or loss to be derived from operating motor busses on the so-called Pleasant Street route.

Maintenance of track for year commencing June 1st, 1921, would probably be reduced to \$25,000; and would probably be reduced in year following to normal figure of about \$12,000. Deficit should be correspondingly reduced.

It will be seen from the foregoing figures that if the estimate should turn out to be approximately correct the deficit for the first year would be \$46,000; for the second year \$20,000, and thereafter not exceeding \$12,000, with the expectation that if no new factors enter into the contract of operation the deficit would gradually disappear.

Under the law any excess or surplus would be reflected in improved service or reduction of fares.

If Weymouth should vote to appropriate and make available the limit authorized by law for the purpose, namely two dollars per one thousand valuation or \$28,000 in all, the Trustees agree to furnish transportation for one year.

Such a contract as applied to Weymouth would be in substance as follows:

Contract Providing for Street Railway Service in the Town of Weymouth

This agreement made this fourth day of May A. D. 1920, between the town of Weymouth, a municipal corporation in the County of Norfolk and Commonwealth of Massachusetts, party of the first part, and the Public Trustees of the Eastern Street Railway Company, a corporation organized under the laws of said Commonwealth, party of the second part.

Whereas, the said Public Trustees, in operating the street railway lines in said town of Weymouth, have failed to secure sufficient revenue from such operation to meet the cost of service as defined in Chapter 188 of the Special Acts of 1918, and for that reason have discontinued service on the East Weymouth-Braintree Depot line; on the Main-Front Street line, and on the Pleasant Street line; and

Whereas, the said town of Weymouth desires to have street car service continued on its East Weymouth-Quincy line and resumed on the lines first above first mentioned, and transportation service of some kind provided on the third line above mentioned, and, therefore, desires to enter into an agreement with said public Trustees relative thereto, under the provisions of said Chapter 188 and amendments thereof, NOW THEREFORE, it is agreed by the said parties in manner following:

1. The said Public Trustees agree that they will operate and continue all the street railway lines in the town of Weymouth, including that part of the above mentioned East Weymouth-Braintree Depot line which is in the town of Weymouth as a separate fare district in accordance with the provisions of the Special Acts of 1918.

2. The said Public Trustees agree that they will undertake to keep in operation from May 1st, 1920 to May 1st, 1921 all the street railway lines in said fare district thus established but with the exception of the said Pleasant Street line which shall be served with motor busses without other or further payment by or contribution from the town of Weymouth than is hereinafter provided.

3. The said town of Weymouth agrees, that if at the end of each month of such operation, there shall be an excess of cost of service as defined in said Chapter 188 and amendments thereof, above the amount of the receipts, then, in that event, the town of Weymouth will, within ten days of the receipt of proper statements of the account, pay to and reimburse the said Eastern Street Railway Company, to the extent of forty (40%) per cent of the amount of such excess, it being expressly understood and agreed that the town of Weymouth shall not be required to pay a total of exceeding \$28,000 as its share of such excess for the whole twelve month period.

Within thirty days after May 1st, 1921, there shall be a full adjustment of the account to the end that one-half of excess of

cost as defined shall be borne by the company and one-half of same, but in no event more than \$28,000 by the town of Weymouth.

4. It is understood and agreed that the said town of Weymouth shall appoint a committee of its citizens, the number and membership of such committee to be determined by said town and such committee shall act as an advisory committee to the said Public Trustees, and from time to time shall make suggestions and recommendations in regard to the operation of the lines covered by this agreement and that said trustees shall give such service as said committee may reasonably request: both the said committee and the said trustees are to co-operate in every way to the end that the lines covered by this agreement and the operation thereof may meet the cost of service as nearly as possible consistent with good service.

In WITNESS WHEREOF, the said party of the first part has caused its corporate seal to be hereto affixed and these presents to be executed in its name and behalf by its Board of Selectmen hereunto duly authorized, and the party of the second part, as Public Trustees of the Eastern Street Railway Company, and not in their individual capacities, have hereunto set their names and seals this fourth day of May A. D. 1920.

Careful consideration has been given to the second paragraph of the motion under which this committee is appointed.

The committee is of the opinion that it is not feasible nor desirable at this time to consider the formation of a company with the capital stock to be furnished by the citizens of the town of Weymouth, the purpose of the company being to provide motor bus transportation for the town. There is on file a carefully prepared estimate of the cost of this plan.

The Committee has on file information furnished by motor truck companies giving details regarding cost of busses, fixed charges, mileage charges, etc., all of which is available if desired by the meeting.

The Committee is in receipt of propositions for furnishing motor bus service from individuals as follows:

The following proposition is made by Thomas L. Gammon and David L. Barry, of Quincy:

"We will furnish a suitable number of busses to take care of the regular and extra riding; we to have the exclusive right to operate all busses in the Town of Weymouth and on all routes where street cars are not being operated at the present time, with the following conditions: Passengers wishing to ride to and from Jackson Square and the Ship Yard via North Weymouth. Busses to be of up to date type and kept in a clean, sanitary condition.

The Town of Weymouth to be reimbursed 5% of the amount over and above all operating expenses.

We propose to operate a regular schedule between Jackson Square, East Weymouth, and Braintree Depot via Broad Street; between Braintree Depot and Rockland Depot via Columbian Square and between Jackson Square and Columbian Square.

Also propose to run extra trips at a scheduled time from Jackson Square to Nash's Corner via Central Square and Middle Street; between Jackson Square and Columbian Square; between Nash's Corner and Rockland Depot; between Nash's Corner and Braintree Depot and between Jackson Square and South Weymouth Depot and the proposed Pond Plain.

School children to be carried to and from South Weymouth Depot and the High School Building.

The minimum fare to be ten cents; central point on the Rockland-Braintree route to be Nash's Corner, no transfers to be issued.

Fare between Columbian Square and Braintree Depot, 15 cents.

Fare from Jackson Square to Braintree Depot, 10 cents.

Fare from Nash's Corner to Rockland Depot, 10 cents.

Fare from Jackson Square to Columbian Square, 10 cents.

Through passengers from Jackson Square to Pond Plain, 15 cents.

On extra trips busses will take on and leave passengers at the various plants when possible."

In respect to the foregoing stipulation to pay to the town 5% over and above all operating expenses, the committee is advised that the town has no right to receive money from the profits of this kind of transportation service.

Another proposition is made by Anton B. Nelson of East Braintree and is as follows:

"From Braintree Depot to East Weymouth Square, half hourly service from 6 A. M. to 12 midnight, and quarter hourly service during rush hours or when otherwise necessary. Fare for each person to be ten cents.

From Braintree Depot to South Weymouth Square, half hourly service during rush hours or when otherwise necessary. Fare for passenger fifteen cents.

From South Weymouth Square to East Weymouth Depot, hourly service from 6 A. M. to Midnight and half hourly service during rush hours or when otherwise necessary. Service after 8 P. M. not oftener than once an hour as determined by the Transportation Committee or by the Selectmen. Fare for each passenger ten cents.

School children travelling on these lines to and from school to be carried at half fare.

Service to be furnished every day, travelling Sundays and holidays as necessary.

New 22-passenger busses to be operated on all lines, and service to begin as soon as order is received from the Selectmen or on delivery of new busses.

The Selectmen to guarantee a license to operate as above for a period of one year, and no other jitney bus to be allowed to operate on those lines during said period.

The successful operation of transportation service, by a company or by an individual, and the ability to furnish satisfactory service, depends on the attitude of the people toward that company or toward that individual.

Respectfully submitted,

COMMITTEE ON TRANSPORTATION,

Arthur C. Heald, Chairman,
William A. Hodges, Secretary,
Joseph Kelley,
George E. Cuniff,
Edward W. Hunt,
John W. Hanley,
Parker T. Pearson,
William A. Swan,
Elmer E. Leonard,
Stanley T. Torrey.

WILLIAM A. HODGES,

Clerk.

Voted, That the report of the Transportation Committee be accepted.

Voted, To take up Article 4.

Mr John B. White moved, "That the sum of \$28,000 be raised and appropriated for the resumption of Street Railway Service in Weymouth."

Mr. Bradford Hawes moved as an amendment, "That when a vote is taken on this question it be by ballot and the check list used."

The amendment being accepted by Mr. White, the Moderator appointed J. Leonard Bicknell, Francis W. Rea, John B. Whelan, Stanley T. Torrey and James D. Bosworth as a committee to receive ballots. The vote was 387 in favor and 302 against.

Article 3. Voted, "That the town accept Chapter 240 of the General Acts of 1920, it being the so-called 'Sunday Sport Act,'" 233 voting in the affirmative and 133 in the negative.

Voted, "That the matter of transportation be placed in the hands of a committee."

Voted, "That the same committee appointed by the Moderator at the adjourned annual town meeting held on March 22, 1920, be the above committee."

Voted, To adjourn.

A true record.

CLAYTON B. MERCHANT,

Town Clerk.

Weymouth, Mass., June 28, 1920.

At a joint meeting of the Selectmen and Assessors held this day, Richard Halloran, 190 Main Street, South Weymouth, was appointed as Assessor in place of Theron L. Tirrell, resigned.

WILLIAM H. COWING,
Secretary.

Weymouth, Mass., August 2, 1920.

At a joint meeting of the Selectmen and School Committee held this day, John P. Hunt, 99 Front Street, Weymouth, was appointed a member of the School Committee, in place of Frederick D. Nichols, resigned.

WILLIAM H. COWING,
Secretary.

WARRANT FOR STATE PRIMARY MEETING

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS. *To the Constables of the Town of Weymouth in said County.* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid, qualified to vote in primaries, to meet at the polling places in their respective precincts, to wit; In precincts one, three, five and six, in the fire engine houses located in those precincts respectively; in precinct two at the Odd Fellows Opera House and in precinct four, at the hose house at Nash's Corner, on Tuesday, the seventh day of September, 1920, at Five O'clock P. M., for the following purposes:

To bring in their votes to the Precinct Officers for the nomination of candidates of political parties for the following offices:

Governor for this Commonwealth.

Lieutenant Governor for this Commonwealth.

Secretary of the Commonwealth for this Commonwealth.

Treasurer and Receiver General for this Commonwealth.

Auditor of the Commonwealth for this Commonwealth.

Attorney-General for this Commonwealth.

Congressman for 14th Congressional District.

Councillor for 1st Councillor District.

Senator for Norfolk and Plymouth Senatorial District.

Representative in General Court for 5th Norfolk Representative District.

Two County Commissioners for Norfolk County.

Sheriff for Norfolk County.

And for the Election of the following officers:

District Member of State Committee of each political party, for the Norfolk and Plymouth Senatorial District.

Twenty members of the Democratic Town Committee.

Twenty-five members of the Republican Town Committee.

Five delegates to State Convention of the Democratic Party.

Eight delegates to State Convention of the Republican Party.

The polls will be open from Five to Nine o'clock P. M., and

you are directed to serve this warrant by posting a copy thereof attested by you in writing in each of two public places in each voting precinct in said town, seven days at least before the time of holding said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk of said Town on or before the fourth day of September, 1920.

Given under our hands at Weymouth, this sixteenth day of August, in the year of our Lord 1920.

BRADFORD HAWES,
WILLIAM H. COWING,
GEORGE L. NEWTON,
FREDERICK HUMPHREY,
ALFRED W. HASTINGS,

..Selectmen of Weymouth.

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS.

Weymouth, August 24, 1920.

Pursuant to the within warrant I have this day notified the inhabitants of Weymouth aforesaid to meet at the respective places and times for the purposes set forth in said warrant by posting true and attested copies of the same in each precinct in said town as therein directed.

ARTHUR H. PRATT,

Constable of Weymouth.

A true record.

CLAYTON B. MERCHANT,

Town Clerk.

September 10, 1920.

TO THE TOWN CLERK:

We, the undersigned registered voters of Weymouth represent that we have reason to believe and do believe that the returns of the Primary Election Officers of Weymouth of the votes cast at the Primary Election on September 8, 1920, for County Commissioners are erroneous in this respect: That Evan F. Richardson of Millis was credited with more and Frederick L. Fisher of Norwood with less votes than were cast for them, and we believe a recount of the votes cast in Weymouth will determine beyond any doubt which one of these candidates was nominated at said Primary Election. We therefore ask that the votes cast for said Richardson and said Fisher be recounted.

This petition must be signed in person by Ten registered voters:

- (1) Edwin R. Sampson, 19 Church St., North Weymouth.
- (2) Walter J. Sladen, 8 Church St., East Weymouth.
- (3) John B. Merrill, 521 Commercial St., East Weymouth.

- (4) George W. Beane, 175 North St., North Weymouth.
- (5) Clarence P. Whittle, 115 Front St., Weymouth.
- (6) Clifton D. Harlow, 55 Front St., Weymouth.
- (7) Russell B. Worster, 66 Commercial St., Weymouth.
- (8) Edward A. Hunt, 59 Front St., Weymouth.
- (9) Frank W. Stewart, 31 Commercial St., Weymouth.
- (10) Charles R. Denbroeder, 748 Broad St., East Weymouth.

COMMONWEALTH OF MASSACHUSETTS

September 10, 1920.

Then personally appeared Clarence P. Whittle, one of the above subscribers, and made oath that the above statement by him subscribed is true to the best of his knowledge and belief.

JOHN P. HUNT,

Justice of Peace.

My commission expires Oct. 3, 1924.

East Weymouth, Sept. 14, 1920.

On a petition duly signed and sworn to by ten legal voters of the town of Weymouth, for a recount of the votes of Frederick L. Fisher and Evan F. Richardson, cast for County Commissioners for the County of Norfolk, in the town of Weymouth, the Board of Registrars of Weymouth met at the Town Office on Tuesday evening, Sept. 14, 1920 at 7 o'clock for the purpose of recounting the ballots cast for the above mentioned candidates, due notice having been given to the above candidates of the time and place of said recount.

September 14, 1920.

This is to certify that Thomas V. Nash will represent me in the recount in your town.

E. F. RICHARDSON.

WITNESS: J. R. McCOOLE.

The result of the recount is as follows:

	Precinct						
	1	2	3	4	5	6	Total
Frederick L. Fisher	50	35	66	17	5	6	270
Evan F. Richardson	44	30	35	49	70	33	261

BENJAMIN F. SMITH,
PATRICK E. CORRIDAN,
MARSHALL P. SPRAGUE,
CLAYTON B. MERCHANT,

Registrars of Voters of Weymouth.

East Weymouth, Mass., October 12, 1920.

Mr. Clayton B. Merchant,
Town Clerk, Weymouth.

Dear Sir:

At a regular meeting of the Selectmen of Weymouth, held Oct. 11, 1920, William J. Holbrook was appointed Town Counsel to fill vacancy caused by the death of Albert P. Worthen.

Respectfully yours,

SELECTMEN OF WEYMOUTH.

WILLIAM H. COWING,

Clerk.

WARRANT FOR A STATE ELECTION

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS. *To the Constables of the Town of Weymouth in said County.* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid, qualified to vote in elections, to meet at the polling places in their respective precincts, to wit: In Precincts One, Three, Five and Six, in the fire-engine houses located in those precincts respectively; in Precinct Two at the Odd Fellows Opera House, and in Precinct Four at the Hose House at Nash's Corner, on Tuesday, the second day of November, 1920 at fifteen minutes before six o'clock in the forenoon, then and there to bring in to the election officers their votes on one ballot for the following named public officers, to wit:

Eighteen Electors of President and Vice-President.

Governor for this Commonwealth.

Lieutenant-Governor for this Commonwealth.

Secretary of the Commonwealth for this Commonwealth.

Treasurer and Receiver General for this Commonwealth.

Auditor of the Commonwealth for this Commonwealth.

Attorney General for this Commonwealth.

Representative in Congress for the Fourteenth Congressional District.

Councillor for the First Councillor District.

Senator for Norfolk and Plymouth Senatorial District.

One Representative in General Court for the Fifth Norfolk Representative District.

Two County Commissioners for Norfolk County.

Sheriff for Norfolk County.

And also, to vote "Yes" or "No" upon each of the following questions:

1. Shall an act entitled, "An act to regulate the Manufacture and Sale of Beer, Cider and Light Wines," and in which it is provided that all beverages containing not less than one-half of one per cent. and not more than two and three-fourths per cent. of alcohol by weight at sixty degrees Fahrenheit shall be deemed not

to be intoxicating liquor, which act passed the House of Representatives by a vote of 121 in favor and 67 against, and passed the Senate by a vote of 26 in favor and 6 against, and was thereafter vetoed by His Excellency the Governor, and failed of passage in the Senate over the said veto by a vote of 14 in favor and 22 against, be approved?

2. Shall Chapter 166 of the acts of nineteen hundred and twenty which authorizes the granting of one day off in every eight days to police officers without loss of pay be accepted by this town?

The polls will be opened at fifteen minutes before six o'clock in the forenoon and closed at four o'clock in the afternoon.

And you are directed to serve this warrant by posting a copy thereof attested by you in writing in each of two public places in each voting precinct in said town seven days before the time of holding said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk of said town three days at least before the time of said meeting.

Given under our hands at Weymouth this eighteenth day of October, in the year of our Lord nineteen hundred and twenty.

BRADFORD HAWES,
WILLIAM H. COWING,
GEORGE L. NEWTON,
FREDERICK HUMPHREY,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

A true copy. Attest:

ARTHUR H. PRATT,

Constable of Weymouth.

October 25, 1920.

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS.

Weymouth, Mass., October 25, 1920.

I have this day posted a copy of this warrant duly attested by me in writing in two or more public places in each voting precinct in said town of Weymouth and made due return of this warrant to the Town Clerk three days before the time of said meeting.

ARTHUR H. PRATT,

Constable of Weymouth.

WARRANT FOR A SPECIAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS. *To the Constables of the Town of Weymouth in said County.* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid, qualified to vote in town affairs, to meet at the Odd Fellows Opera House in East Weymouth, on Friday, the twelfth day of November, 1920 at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

Article 1. To choose a Moderator.

Article 2. On petition. To see if the town will vote to instruct the Selectmen of the town to petition the General Court for the enactment of legislation which shall provide for representative town meetings, town meeting members, a referendum and an annual moderator in the Town of Weymouth, together with such change or changes in the voting precincts as may be necessary, or take any other action in relation to the preservation of the essential principles of town government in the Town of Weymouth, or will take any other action thereto.

Article 3. On petition. To see if the town will vote to petition the Legislature for a City Charter.

Article 4. To see if the town will accept the report of the Selectmen upon the laying out of a town way over the private way known as North Avenue leading from East Street on the northeasterly side thereof.

Article 5. On petition. To see if the town will appropriate the sum of \$2,400 for the purpose of installing a compressed air system for the fire-alarm whistle to take the place of the whistle on the Light & Power Station in East Weymouth, which is to be discontinued.

Article 6. On petition. To see if the town will provide for installing a fire-alarm box, to be placed at a convenient point in Lakewood Grove or the "Birches," there being now seventy-five or more cottages in this section.

Article 7. On petition. To see if the town will vote to instruct the Water Commissioners to locate a hydrant on Central Street opposite the factory of the Gale-Sawyer Co. and appropriate a sum of money from the revenue of the Water Works sufficient to meet the cost of the same, or take any action in relation thereto.

Article 8. To see if the town will appropriate the sum of \$10-000 for the reconstruction of a portion of Union Street, the above being the amount which is to be contributed by the State and by the County of Norfolk.

Article 9. To see if the town will vote to purchase the property now owned by Joseph O. Severance, Jr., on the northeasterly side of East Street for Almshouse purposes, said property consisting of twenty acres of land and the buildings thereon, and appropriate the sum of \$7,416, and take all other action which may be necessary to carry such vote into effect.

Article 10. To see if the town will vote to raise and appropriate or will appropriate the sum of \$6,460 in addition to the amount heretofore appropriated for the support of public schools.

Article 11. To see if the town will vote to raise and appropriate or will appropriate the sum of \$6,500 for highway repairs in addition to the amount heretofore appropriated for that purpose.

Article 12. To see if the town will vote to raise and appropriate or will appropriate, the sum of \$4,500 for the relief and support of the poor in addition to the amount heretofore appropriated for that purpose.

Article 13. To see if the town will vote to raise and appropriate or will appropriate, the sum of \$800 for police service in addition to the amount heretofore appropriated for that purpose.

Article 14. To see if the town will vote to raise and appropriate or will appropriate the sum of \$5,000 for interest and discount in addition to the amount heretofore appropriated for that purpose.

And you are directed to serve this warrant by posting a copy thereof attested by you in writing in each of two public places in each voting precinct in said town seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk of said town at or before the time of said meeting.

Given under our hands at Weymouth, this twenty-fifth day of October, in the year of our Lord nineteen hundred and twenty.

BRADFORD HAWES,
WILLIAM H. COWING,
FREDERICK HUMPHREY,
GEORGE L. NEWTON,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

A true copy.

Attest:

ARTHUR H. PRATT,

Constable of Weymouth.

November 4, 1920.

SPECIAL TOWN MEETING

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Weymouth was held at the Odd Fellows Opera House, East Weymouth, on Friday the twelfth day of November, 1920. The meeting was called to order at 7:45 o'clock in the evening and the warrant was read by Clayton B. Merchant, Town Clerk.

Article 1. Voted, "That the Town Clerk be instructed to cast one ballot bearing the name of William J. Holbrook as the unanimous choice of the voters present for Moderator."

Mr. Holbrook was declared elected as Moderator, and he was sworn to the faithful performance of that duty by the Town Clerk.

Article 2. Mr. Benjamin F. Smith moved, "That this meeting instruct the Selectmen to place upon the ballot for the election of Town Officers at the next annual town meeting three questions, namely:

1. 'Shall the town adopt a representative form of government?'
2. 'Shall the town adopt a city form of government?'
3. 'Shall the town retain the present form of government?'

Mr. Fletcher W. Howe moved, as an amendment, "That the Selectmen of the Town of Weymouth be instructed to petition the General Court for the enactment of legislation which shall provide for representative town meetings, town meeting members, a referendum and an annual moderator in the Town of Weymouth and such establishment or authorization of voting precincts as shall best meet the necessities of legislation, and that generally the Selectmen be advised in drafting the proposed legislation to follow the plan set forth in Special Act of 1919, Chapter 205, relating to the Town of Watertown, which makes provisions for a general referendum."

Mr. Bradford Hawes moved as a substitute motion, "That a committee of ten be appointed by the Moderator, to take the subject matter of this article under consideration and report at some meeting, not later than the next annual town meeting to be held March, 1921."

Mr. Michael Sheehy moved as an amendment, "That a committee of three from each precinct be appointed to take the subject matter of this article under consideration."

This amendment was put before the voters and was declared not a vote.

Moved as an amendment, "That the committee be instructed to recommend one or more forms of government." Not a vote.

Mr. Bradford Hawes moved as an amendment, "That the committee be instructed to have suitable articles placed in the annual town warrant, to make provisions for recommended changes in government." Not a vote.

The question on Bradford Hawes' substitute motion was put before the voters and was declared "not a vote."

The question on Mr. Fletcher W. Howe's amendment to Mr. Smith's original motion was put before the voters and was declared "a vote."

Voted, "To reconsider the vote just taken."

Mr. Fletcher W. Howe moved as a substitute motion to Mr. Smith's original motion the following:

"That the Selectmen of the Town of Weymouth be instructed to petition the General Court for the enactment of legislation which shall provide for representative town meetings, town meeting members, a referendum and an annual Moderator in the Town of Weymouth, and such establishment or authorization of voting precincts therein as shall best meet the necessities of such legislation, and that generally the Selectmen be advised in drafting the proposed legislation, to follow the plan set forth in Special Act of 1919, Chapter 205, relating to the Town of Watertown, which makes provisions for a general referendum."

The question on this substitute motion was put before the voters and was declared "a vote."

Voted, "To take up Article 8."

Voted, "To appropriate the sum of ten thousand dollars (\$10,000) from any money in the treasury not otherwise appropriated, for the purpose of reconstructing a portion of Union Street, said amount to be expended under the direction of the Superintendent of Streets."

Article 3. Voted, "That the subject of this article be indefinitely postponed."

Article 4. Voted, "That the report of the Selectmen under this article be postponed."

Article 5. Voted, "That no action be taken under this article."

Article 6. Voted, "To appropriate from any money in the treasury not otherwise appropriated the sum of \$350 for the purpose of installing a fire alarm box to be placed at a convenient point in Lakewood Grove, so called, said amount to be expended under the direction of the fire department."

Article. Voted, "That no action be taken under this article."

Article 9. Voted, "That the subject matter of this article be indefinitely postponed."

Article 10. Voted, "To appropriate from any money in the treasury not otherwise appropriated, the sum of \$6,460 in addition to the amount heretofore appropriated for the support of the public schools."

Article 11. Voted, "To appropriate from any money in the treasury not otherwise appropriated the sum of \$6,500 in addition to the amount heretofore appropriated for highway repairs."

Article 12. Voted, "To appropriate from any money in the treasury, not otherwise appropriated, the sum of \$4,500 in addition to the amount heretofore appropriated for the relief and support of the poor."

Article 13. Voted, "To appropriate from any money in the treasury not otherwise appropriated, the sum of \$800 in addition to the amount heretofore appropriated for police service."

Article 14. Voted, "To appropriate from any money in the treasury not otherwise appropriated, the sum of \$5,000 in addition to the sum heretofore appropriated for the payment of interest and discount."

Voted, "That William J. Holbrook and George L. Barnes be a committee to draft resolutions upon the death of Albert P. Worthen, Esq."

Voted "to adjourn."

A true record.

CLAYTON B. MERCHANT,

Town Clerk.

TOWN CLERK'S REPORT

Births, Marriages and Deaths Recorded During the year 1920.

BIRTHS

The total number of births recorded was 293, males 144; females 149.

The parentage of the children was as follows:

Born in the United States 265; born in foreign countries 198; born in Weymouth, either party, 118; unknown 3. Number of births in each quarter of the year, 84, 63, 71, 74.

MARRIAGES

The total number of marriages recorded was 169.

Married in Weymouth 101; in other places 68.

Either party born in Weymouth 90; born in the United States 185; born in foreign countries 63; residents of Weymouth, either party 226; of other places 112. First marriage, either party 306; second marriage, either party 31; third marriage, either party 1.

Oldest groom was 58 and the youngest 19 years of age.

Oldest bride was 57 and the youngest was 16 years of age.

Number of marriages in each quarter of the year was 18, 57, 52, 42.

DEATHS

The total number of deaths was 217, males 108; females, 109 of the decedents 91 was born in Weymouth, 83 were born in the United States, 37 were born in foreign countries and 6 were born in places that cannot be learned.

Residents of Weymouth, but died elsewhere, 45; number married, 90; widowers, 24; widows, 33; single, 70.

The oldest decedent was 97 years plus.

Number of deaths in each quarter of the year was 54, 41, 53, 69.

Note—The object in printing the registration of births, marriages and deaths is to afford an opportunity for corrections of errors and omissions. If any be noted, notice should be immediately sent to the Town Clerk in writing, giving the correct facts, that the records may be perfected before copies are prepared for the State archives.

ANNUAL REPORT

OF THE

SCHOOL COMMITTEE

OF THE

Town of Weymouth

1920

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Weymouth:

At the last annual town meeting the school committee were by vote instructed to look into the matter of additional land for school house purposes in North Weymouth, and to report thereon to the annual meeting of 1921.

For some years it has been apparent that the Athens school would be inadequate to take care of the ever-increasing number of children in Ward One, and to meet any possible emergency the town at the last annual meeting provided funds for the erection of a portable school house. During the spring the annual school census was taken, and at that time it appeared that there might be no increase of school children in the coming year at North Weymouth.

During the summer it seemed that the expense of a temporary school house might be avoided, but on the opening of schools in September it became clear that the estimate of new pupils made in the spring upon the school census figures was too small. An unexpected number of new families with children had made settlement in North Weymouth during the summer, and the erection of a portable school house became necessary and permanent enlargement of school housing must shortly be made.

Two things may be done: Either to build near or adjacent to the Athens building, or elsewhere, at some distance.

An addition to the Athens school house lot would involve the purchase and removal or demolition of existing residences, would be costly, and would at best give but little playground for a very large school. It is true that land might be taken from Beals Park for this purpose, but the amount that could be taken is limited, and an equivalent value in other land would have to be supplied by the town for park purposes elsewhere in North Weymouth.

The committee agree that an entirely new school house location should be secured, and this without delay. They also agree that the best available location is the one near Bridge and Standish streets owned by Mr. George A. Walker, and it is believed that this land can be acquired at a price that is fair. This land is mostly level, is well adapted for good drainage, and is near the greatest growth of population. An article looking to the purchase or taking of this land, which is about six acres in extent, is therefore included in the annual warrant by request of the committee.

Various types of temporary or portable schools were considered before the erection of the school now in the Athens yard, as well as a semi-permanent building of small size which might have been placed on Beals Park with the consent of the Park Commissioners.

It was deemed best, however, to erect a true portable, inasmuch as it might be used elsewhere at some later time without great expense; and after examination of the various types the great expense; and after examination of the various types the

This company has had wide experience in building portables in this and other states. The committee examined buildings erect-

ed by the company in Braintree and Medford. The building is well lighted, well heated and well ventilated. In addition, it offers an appearance that detracts in no way from its surroundings. It offers accomodations for eighty pupils.

Expenditures for the building were as follows:

Appropriated	\$6,000.00	
E. F. Hodgson Company		
Building, including heating and ventilating	\$4,925.00	
Edward E. Babb & Company, furniture	952.00	
Heywood Bros. & Wakefield Co.,		
Setting up furniture	25.00	
Thomas L. Allen, installing blackboards	13.45	
Rhines Lumber Co., moulding for blackboards	14.07	
Crown Shade and Screen Co., shades	65.45	
	<hr/>	
	\$5,994.97	
Balance	5.03	
	<hr/>	
	\$6,000.00	\$6,000.00

The unexpectedly greater increase in the number of pupils in school during the new school year, and the establishment of the continuation school as required by law, have contributed to the increased cost of our schools this past year. There is no reason now to believe that this increase in expense will not for some time continue. At least two additional teachers will be required in the next school year, and there is little likelihood that coal or general supplies will be much cheaper than at present.

The budget, as submitted, is based upon salaries as they exist on January 1, 1921, with an allowance for two new teachers, and upon current coal prices. There is a demand that regular maximum salaries of instructors be raised so as to equal the maximum in at least three adjoining towns. If the town shall recognize this demand, the school budget as presented must be increased.

We hereby submit our budget, based on existing salaries, and compared with actual expenses during the past year.

	Expended 1920	Estimated for 1921
Superintendent	\$2,966.64	\$3,100.00
Instructors	106,385.31	116,000.00
Janitors	8,562.27	9,000.00
Fuel	9,137.92	12,000.00
Repairs	3,914.45	5,000.00
Water	237.50	500.00
Supplies	6,507.16	7,000.00
Miscellaneous	2,334.57	2,500.00
Transportation	6,057.70	10,000.00
Evening Schools	1,211.33	1,900.00
Americanization School	81.00	
Continuation School	2,505.07	
	<hr/>	<hr/>
Totals	\$149,900.92	\$167,000.00

As to fuel, the estimate for 1921 includes some coal delivered late in 1920, and under transportation includes school tickets

bought late in 1920 but not paid for. The estimate for evening schools includes the Americanization school, and the estimate for salaries of instructors includes the instructors in the Continuation school, one-half of the total expense of the Continuation school eventually being refunded by the state.

The total amount to be refunded by the state for our schools on account of the coming year should be nearly if not more than \$19,000, under the existing law.

As appears in the report of the town accountant, the entire balance of the construction funds for the Nevin school, supplemented by a small amount from the sale of some remaining materials, was used in grading. More grading at the Nevin school must eventually be done, but the yard now offers a very fair appearance.

The work of the School Nurse has hitherto been paid for by funds of the local branch of the American Red Cross, which would be supplemented, if necessary, by funds from the Metropolitan Chapter.

The benefits to be gained by the work of the nurse are so apparent that a continuance of such service is desirable. It was understood in the beginning this work would be financed by the Red Cross for one year. An additional appropriation of \$800.00 will be needed to continue this work until 1922. This amount is not included in the estimate, since it has never been a regular school expense.

Respectfully submitted,

PRINCE H. TIRRELL,

School Committee of Weymouth.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the School Committee:

I herewith submit my twelfth annual report, the same being the thirty-fifth in the series of annual reports of the superintendents of this town.

A comparison of the estimates made in January, 1920, with the record of the expenditures for the year will show that there was an overdraft in nearly all the important items necessary for the support of the schools. The opening of the Continuation School, together with the addition of a new teacher at the Nevin School, two at the Athens School, and one at the High School, accounts, in a large measure, for the excess in cost for instruction over the estimate. The item of \$9,000 for fuel does not represent the actual cost, as the bills for two carloads of coal delivered in November, will be paid from the appropriation of next year.

The amount expended for transportation is actually \$1500 larger than the amount shown in the statement, since bills totalling \$1500 still remain unpaid. The cost of transporting the pupils from Washington and Summer Streets has nearly doubled during the year. In addition to this the successive increases in fare on the Eastern Massachusetts Street Railway have added greatly to the cost of transportation. A few years ago it was possible to carry a pupil from any part of South Weymouth to the High School for five cents a day. Now, however, the same service costs, in some cases, forty cents or eight times as much as formerly.

Any consideration of the money necessary for the support of our schools for the coming year must include more money for fuel, more money for transportation, and more for instruction. The latter item, particularly, needs emphasis. The City of Quincy and the Towns of Braintree, Rockland, and Hingham are paying higher maximum salaries to their teachers than Weymouth. This is a condition that must be remedied if our schools are to be kept even at their present standard of efficiency. The effect of this condition was plainly felt last summer when we lost a large number of our best teachers just before the opening of the schools. It was necessary to fill eight of the vacancies with temporary teachers. During the month of January we shall lose one of our best teachers, who is going to a town having one-third the population of Weymouth and about one-quarter its valuation. This town has offered her a salary \$250 higher than her present salary and \$100 higher than our maximum for the corresponding grade.

Governor Channing H. Cox, while emphasizing in his inaugural address the necessity of paying higher salaries to teachers, said, "From the point of view of her material prosperity, as well as from the larger consideration of her duty in the development of American citizenship, Massachusetts must not sacrifice her educational leadership."

SALARIES

In last year's report was given the full text of the Act which provided for the distribution of a portion of the income tax and the income from the Massachusetts School Fund for the purpose

of improving the public schools. A special commission, appointed by Governor Coolidge, to investigate teachers' salaries, recommends that this law be changed in the following details:

Section 3. For each person employed for full-time service for the entire school year as teacher, supervisor, principal, assistant superintendent, or superintendent of schools, the city or town shall be reimbursed as follows:

(1) Three hundred and fifty dollars for every such person who has received as salary not less than one thousand and who is a graduate of an approved normal school or college and has had at least two years' teaching experience or who possesses preparation and teaching experience accepted in lieu thereof.

(2) Three hundred dollars for every such person, not included in the foregoing classification, who has received as salary not less than nine hundred dollars, and (a) who has satisfactorily completed one year of professional training in an approved normal school or teachers' training school, and has had at least three years of teaching experience; or (b) is a graduate of an approved normal school or college, and has had at least one year of teaching experience; or (c) who possesses preparation and teaching experience accepted in lieu of either of the foregoing requirements in this paragraph.

(3) Two hundred and fifty dollars for every such person, not included in either paragraph (1) or (2), who has received as salary not less than eight hundred dollars.

If this act is passed by the next General Court, of which there is every prospect, and the town increases the maximum by one hundred dollars, the salaries will then be on a more fitting basis.

CONTINUATION SCHOOL

In November, 1919, Weymouth in common with all other cities and towns in the Commonwealth having over two hundred employees between fourteen and sixteen, voted to accept Chapter 311 of the General Acts of 1919. According to the provisions of this Act, all minors between fourteen and sixteen, who are employed, must attend a Continuation School for four hours per week, the four hours to be considered a part of the time during which a minor is permitted by law to work. During unemployment, a minor must attend a Continuation School for twenty hours per week.

In compliance with this law, a Continuation School was opened in September in the Lincoln School, Weymouth Landing. Mr. Charles Y. Berry, Principal of the Hunt School, was appointed Director with the understanding that he was to have nominal charge of the buildings over which he had formerly been principal, four-fifths of his salary being apportioned to the Continuation School and one-fifth being allotted to the general school work. Miss Anna Alden was appointed Assistant, with direct charge over the girls.

After a conference with the heads of the different factories, we decided to have the sessions extend from one to five in the afternoon of each work day, the pupils being taken from the different factories by groups so as to interfere as little as possible with the general work.

The Lincoln building, which has not been used since the new Hunt School was erected a few years ago, was selected as being

best fitted for the needs of this school. The upper floor was equipped with electric lights, gas stoves, hot water heater and all the other utensils and appliances necessary for cooking. In addition to this, tables and sewing machines were purchased for the classes in sewing. By thoroughly equipping the building, it will be possible to get the greatest amount of good from it. Classes in cooking and sewing from the grades can later make use of the building during the forenoon while the Continuation School is not in session. In the evening, the Practical Arts classes for adults may use the building for dressmaking, millinery or cooking if desired.

The lower floor of the building was furnished with seats for the boys, no other equipment being necessary for the present as the boys use the manual training room in the new Hunt School for their shop work. Later it may perhaps be advisable to purchase additional equipment, as for example, a printing press, gas engine and electrical equipment.

The total enrollment of the school to date is 57 boys and 49 girls, making a total of 106. The per cent. of attendance for the boys is 92.1, girls 97.4, the same comparing very favorably with the corresponding percentage of the grade schools.

Of the pupils attending the school from other towns, 10 are from Quincy, 5 from Hingham, 2 from Cohasset, 1 from Braintree and 1 from North Abington.

One-half of the pupil's time is devoted to the academic subjects, including arithmetic, English, spelling, civics, reading, penmanship, geography and Hygiene, the other half to practical arts work, at the present time manual training for the boys and cooking and sewing for the girls.

There is every probability that we shall be obliged to maintain the school for another year as an examination of the employment cards shows the names of 194 who have been employed in this town at some time during the year. This list is not complete as some of the neighboring towns have not certified to us the names of those who were working here the earlier part of the year.

One-half the cost of all the charges for support of this school is borne by the State.

EVENING AGRICULTURAL LECTURES

The Norfolk County Farm Bureau, cooperating with the Weymouth Branch of the Norfolk Agricultural School, held evening lectures in the High School building on agricultural subjects of interest to this locality on the following evenings: November 18, December 2, December 9, and December 16, 1920.

The subjects taken up were:

1. Tree Fruits.
2. Small Fruits.
3. Poultry Husbandry.
4. Vegetable Production.

H. A. Rose, the county agricultural agent, conducted the course on Tree Fruits.

James A. Salter of the Norfolk County Agricultural School at Walpole took charge of the Small Fruit section.

Roy T. Argood of the same school had charge of the Poultry class.

Chas. W. Kemp of the Weymouth Branch took the class in Vegetable Production.

Fifty-two registered for the various classes. The attendance averaged forty-two.

Lantern slides bearing on the various subjects were procured from the U. S. Department of Agriculture and used each evening.

PRACTICAL ARTS CLASSES

The Practical Arts work has been extended so that we are now offering one morning class, two afternoon classes and two evening classes in dressmaking, one afternoon class and three evening classes in millinery.

Mrs. Ahern has fifty-seven in dressmaking, Miss Muller thirty-nine in millinery, Miss Knight twenty-one in millinery, and Miss Avery eight in millinery.

Additional classes in millinery and dressmaking have been opened in the Lincoln School, Weymouth, to accommodate the women in that part of the town and one additional class in millinery has been opened in South Weymouth. It will probably be necessary to open a class in North Weymouth next year to accommodate the people in that section.

COURSE IN APPLIED PSYCHOLOGY

Sixty-six of the teachers from the High School and the elementary grades are taking a course in Applied Psychology under the direction of the Department of University Extension. One class of forty-six is held in the High School and one of twenty in the Nevin School. These classes alternate on Thursday afternoons, the lesson extending from four until five-fifteen.

TUFTS LECTURE COURSE

Early in the fall the Selectmen voted to have the Tufts Lecture Course held in the High School building under the jurisdiction of the School Department, the School Committee agreeing to furnish the hall, lights, heat, and janitor service free of charge.

The first two of these lectures have already been held and have been exceptionally well attended. At the first lecture under Mr. Avis, the hall was filled to seating capacity. At the concert given by the Boston Symphony Club, over three hundred requests for tickets were refused.

The program as arranged for the year is as follows:

Nov. 23—Edward Avis, "Birdland."

Dec. 21—The Boston Symphony Club.

Jan. 27—Burnell R. Ford, Electrical Scientist.

Feb. 10—Bishop Edwin Holt Hughes. "The Perils of Knowledge."

March —Dr. Kenyon L. Butterfield, President of Amherst Agricultural College. Subject to be announced.

HEALTH WORK

The local chapter of the Red Cross has furnished a nurse for a portion of the year, whose entire time has been devoted to the care of the school children. I cannot speak too highly of the work done by Miss Downey in the schools. Her report, which is given in full below, I commend to the attention of all. Every child in town has been examined at least once. The children have been weighed and measured twice and in case of underweight have been advised as to necessary diet. Records have been kept of all the work done. One of the most striking facts brought out by these examinations of the children is the poor condition of the teeth. Eighty per cent. of the children of the town have imperfect teeth. In the Athens School, North Weymouth, only fourteen per cent. have perfect teeth while eighty-six per cent. have one or more than one tooth in a carious condition.

The Nevin School made the best showing. Thirty-four per cent. of the children have perfect teeth and only sixty-six per cent. have defective teeth. As the general health is directly dependent upon the condition of the teeth, it would seem advisable to make some provision to have the teeth of the children looked after either by a hygienic nurse or by competent dentists. The former would cost less money, the duty of the hygienic nurse being simply to clean the teeth, to advise as to proper care, and to send to a dentist when necessary. The District Nurse Association is considering the possibility of furnishing such a nurse to the schools for the coming year.

I strongly advise that the work of the school nurse be continued and that some action be taken toward caring for the teeth of the children.

REPORT OF MISS MARY A. DOWNEY, SCHOOL NURSE.

On May 12, 1920, I began work in the Weymouth schools as the first school nurse, under the auspices of the Weymouth Chapter of the American Red Cross. With the sanction of the school physicians, I began by seeing each child individually, outside the classroom, to avoid embarrassing the child and distracting the attention of the class. Health cards which had previously been prepared by Mr. P. T. Pearson, Supt. of Schools, were used in checking up the number of carious teeth; the presence of adenoids and enlarged or diseased tonsils, or any other evident defect. During the month and one-half before the close of school, I examined in this manner some 2500 children. Each child was instructed in the proper care of the teeth and head, when necessary. It was very gratifying to see that the majority of these children had followed the advice given concerning the care of their teeth and during the summer vacation, cultivated the habit of brushing their teeth after meals and before going to bed. Many had visited their family dentist and had much needed work done.

Of all the children seen during May and June, but very few had ever had dental work of any kind done, so that the boys and girls of the upper grades had from three to six permanent teeth, carious, and all, with very few exceptions, had lost their six year molars. These are the first of the permanent set to appear, acting as a sort of key stone to keep the jaws in their proper shape and size during the eruption of the other permanent teeth. If these

must be extracted before the jaws are fully grown, or before all the second teeth have appeared, it results in a shortened jaw or tipped teeth, so that the grinding surfaces are toward the tongue instead of erect.

Arrangements were made with Forsythe Dental Infirmary, one of the leading dental authorities in this part of the country, so that eight children were given treatment each week. This work was necessarily slow but proved the very great need of a dental clinic for Weymouth school children. The ideal clinic would be one established in a central school with a dentist on full time to fill and extract teeth at a minimum cost. This, however, would occasion considerable expense so that now plans are under way to establish a clinic with a dental hygienist in charge whose duties will be to instruct in dental hygiene, and to clean teeth. A dental chart will be marked with those teeth needing filling or extracting and will be sent to the parents when it is expected the child will be taken to the family dentist to complete his treatment. The possibility is that the District Nursing Association of Weymouth will undertake the financing of this proposition, which is a most worthy one, as sound teeth are the foundation of good health.

We have already established an eye clinic in the Franklin school in East Weymouth. Dr. C. F. Worthen of 390 Commonwealth Ave., Boston, an eye specialist, has already made one visit, examining twenty-seven children who were found, according to the state test, the Snellen, to have defective eye sight. Dr. Worthen has been doing this kind of work in the Revere schools for the past three years and it has proven most beneficial to the children, for it means a constant supervision of all those once seen by the specialist during their school years. This is a distinct advantage as growing children with poor eye-sight should be examined at least once a year, and in some cases as often as every three to six months, as in cases where the sight does not develop as rapidly as the rest of the body. If taken in time, most children could discard the use of glasses after a few years, but unfortunately the early or less severe symptoms of trouble as eye-strain, slight headache, etc., are disregarded until partial blindness or general debility results, when the harm done can not be wholly repaired. For the examination each child pays a small fee, \$1.50. Dr. Worthen will hold clinics four or five times during the school year. Mr. H. Bartlett of Bartlett & Son, 400 Boylston St., Boston, made the glasses, giving a 20 to 33 1-3% discount. Accurate measurements were taken by him of each child, and one week later he delivered the glasses, adjusting them to fit. The glasses ranged in price from \$3.50 to \$7.35, depending on the strength of the lenses required and the type of frame chosen by the child. This plan also insures against a child wearing a badly bent frame, which immediately changes the prescription ordered by the doctor, as each section of the lens is ground to suit a corresponding section of the sight.

Scales have been set up in the various schools, and during the recent weighing and measuring, many have been found to be below normal weight which is indicative of malnutrition which, in turn is due either to some physical defect or improper diet. Intensive work in bringing these children up to normal is planned, and it is hoped that with the co-operation of the parents, medical aid and the observance of health rules in regard to diet, sleep, exercise, etc., will give the necessary foundation for strong man-

hood and womanhood. In this connection milk has been introduced into the Washington school, East Weymouth. It is supplied by the Elm Farm Milk Co. of Quincy, in $\frac{1}{2}$ pint jars, which are sold to the children at 5 cents. Straws are supplied by the company. It is hoped in time to serve milk in all the schools, either at morning recess or lunch time for those who come from a distance.

Plans for home nursing classes are now under way. During the epidemic of influenza many lives were lost because of an insufficient number of nurses. One of the most outstanding facts proven at this time was the extreme lack of knowledge of our girls and women in the home care of the sick. Because of this, the American Red Cross has established a home nursing course consisting of thirty lessons of practical demonstrations in how to carry out doctors' orders, in the proper care of the sick room, the principles of disinfection in caring for infectious cases, how to make a bed with a patient in it, the use of hot and cold applications, kinds of diet, etc. This course will be given in connection with school work and the girls will be given a certificate after an examination successfully passed. It is not intended to make nurses of the girls but to give them the every day knowledge every girl and woman should have to intelligently care for sickness at home.

Children have been excluded for scabies and severe cases of impetigo with instruction in the proper care of same. Home visits have been made in persistent cases with good results. A visit to one of the colonies of new arrivals in this country resulted in all, about 20 cases of pediculi, with the exception of two which were much improved, being entirely cleared up the following week. This is an age of prevention rather than cure, and our aim is to find out and cure the minor ills of childhood and prevent their spreading to others in order to eliminate more serious ills and even retardation of physical and mental development.

AGRICULTURE

REPORT OF CHARLES W. KEMP, DIRECTOR OF AGRICULTURE

The number in the Agricultural Department has increased since its establishment in 1916 until at present there are twenty-one enrolled, which is the maximum number recommended for one teacher by the Department of Education.

I try to give as much practical work out of doors during the year as possible and at the same time not to interfere with their other studies.

Some of the practical work this year taken in class time has been as follows:

A. Pruning: 1. Grape vines; 2, currant bushes; 3 raspberry bushes; 4, blackberry bushes; 5, apple trees; 6, pear trees; 7, peach trees; 8, plum trees.

B. Grafting: 1. Pear trees; 2, apple trees.

C. Plowing with sulky plow.

D. (a) Harrowing with a cutaway disc harrow.

- (b) Harrowing with a smoothing harrow.
- E. Furrowing out with a plow.
- F. Planting corn with a one-horse planter.
- G. Planting potatoes with a two-horse planter.
- H. Cutting seed potatoes for planting.
- I. Judging dairy cattle.
- J. Judging horses.
- K. Scaring farms.
- L. Culling a flock of poultry.
- M. Caponizing.
- N. Sticking and picking poultry.
- O. Digging potatoes by machine and by hand.

One day in the spring was devoted to clearing up the underbrush and pruning some of the trees around the High School building.

One large oak tree which had died was cut down and sawed up into four feet lengths, the large pieces were split up by the use of black powder which gave the boys experience in this line.

There have been some very good projects this year, a few of the larger ones were as follows:

1. Two acres potatoes and one-tenth acre vegetables for home use.
2. One and one-sixth acres—half in sweet corn and half in potatoes. 185 day-old chickens.
3. Three-quarters acre potatoes and one-third acre garden for home use.
4. One and one-half in vegetables for home use and for sale, also 150 day-old chickens.

The boy having project (2) as listed above cleared for his summer's work five hundred eighty-eight dollars and forty-five cents over and above actual expense. At present he is making from nine to ten dollars a week from his pullets, while at the same time attending school.

I have encouraged exhibiting at the various fair products which the boys raise.

This year vegetables were exhibited at the Weymouth Fair, Brockton Fair, Braintree Grange Fair and the County Fair at Walpole.

Poultry was exhibited at the Brockton Fair and at the recent Boston Poultry Show eight of the boys showed in the Junior exhibit, a total of fifty-four birds winning twenty-seven ribbons.

This year for the first time I had a demonstration in caponizing. One boy caponized ten of his birds and one of these which he exhibited at the Boston Poultry show received first ribbon.

The department has gained possession of a lantern and I am using in my class work lantern slides which I obtain from the government office at Washington, the only expense being express charges on the same.

At different intervals I have taken pictures of the boys' projects and the boys doing practical work. These I intend to have made up with slides for their value to future students.

The way that the boys of the department follow up various outside sources of information, fairs and agricultural exhibitions tends to show their interest in the course they have chosen.

MANUAL TRAINING

REPORT OF MISS ALICE L. TUCKER, SUPERVISOR OF MANUAL TRAINING

The course of instruction must necessarily follow certain prescribed lines, but each year we try to introduce new ideas and to improve the quality of the work.

Manual training is taught in the three upper grammar grades and in each class the boys are required to draw the plan before making the article.

The seventh grade course included key racks, bread boards, pen and pencil stands, dish drainers and nail boxes. The faster workers also made hat racks, broom holders and plant stands.

The eighth grade course consisted of necktie racks, spool holders, sleeve boards, blotters and either a knife, fork and spoon box, a bird house or a clock case. At Christmas time many of the boys also made calendar backs, thermometer stands, games and puzzles. In this grade greater skill and accuracy were required.

In the ninth grade simple joinery was taught, including half lap, mitre, dowel and groove joints. After a boy had made a tabouret, picture frame and a pair of book ends, he was allowed to make furniture if he desired. Bulletin boards, telephone stands and stools, sewing screens, library tables, book racks, piano benches, footstools, tool chests, magazine racks and a large rack for piano player records were among the articles made.

The boys at the Athens school made several articles for their building, including a medicine cabinet and a typewriter table.

At the James Humphrey and Shaw schools cane seating was also taught.

Previously we have made only practical and useful articles, but this year in the seventh grade we are making toy animals and by means of these, correlating the drawing and wood working.

At the Nevins school we have nearly finished the ceiling and shelves for a large closet which is used in connection with the school lunch.

The spirit is good, the interest keen and the boys very eager to work. Through endeavoring to become skillful workmen many of them acquire habits of neatness, carefulness, accuracy and thought which will make them better citizens for any community.

DRAWING

REPORT OF MISS EVELYN SILVESTER, SUPERVISOR OF DRAWING

The drawing work in the grades during the past year has followed much the same general plan as was used during the preceding year. Occasional changes have been made where need has been found for vitalizing the subject.

During December, 1920, pupils of the eighth and ninth grades have worked out problems in applied design for which they purchased their own materials. The aim in giving these problems was to stimulate interest and enthusiasm so that the pupils' best efforts would be exercised to accomplish a well designed and useful article.

The eighth grade pupils decorated, with color, plain brown paper shopping bags. The decoration was a large circular design developed from subjects studied under the Fall Nature Work. Trees and flowers and fruit were so conventionalized to conform to the requirements of such design.

The ninth grade pupils made luncheon doily sets, some circular, some square, with painted borders. These border designs were developed from nature and were the result of studying methods of conventionalization. Some of the pupils made baby bibs with tray cloths to match. These had border decorations also. All of these articles were made on specially prepared oilcloth and the designs all painted with old blue enamel paint.

As we had hoped, these problems did create such interest that the results were for the most part very gratifying both to pupils and teachers. The results were worth the work and effort.

Some fifteen or more stuffed birds have been added to our school collections. The only other reference material purchased during this same period was the folio of color charts by Munsell.

More color work is needed and also some picture study. I hope we shall be able to develop both of these lines as the new year advances, but reference pictures for class study will be needed to carry on the picture study with any degree of success.

The plan for picture study is to correlate the subjects used as far as possible with other lessons, and to start in each school a small picture library, from which the teachers may get any desired subjects for class study.

I wish again to express my sincere appreciation for the support and cooperation of Superintendent and teachers in our effort to give the children a chance to learn something of the beautiful and to acquire a refined taste and judgment.

SCHOOL SAVINGS

WEYMOUTH

School	Bal. 1920	Deposits	Withdrawals for B.B.	Withdrawals & Transfers	Bal. 1921
J. Humphrey	\$335.37	\$2500.89	\$2395.53	\$87.88	\$352.85
Franklin	64.89	376.26	299.30	41.58	100.27
Jefferson	333.64	960.82	953.70	47.97	292.79
Adams	21.37	61.04	51.00	2.22	29.19
Athens	411.35	551.22	435.00	37.86	489.71
Washington	258.14	1550.71	1310.00	48.82	450.03
Shaw	65.00	107.66	50.00	23.20	99.46
Edw. B. Nevin	151.94	309.80	202.00	6.65	253.09
Hunt	313.21	1150.06	968.19	66.45	428.63
Pratt	89.57	15.08	24.74	12.22	67.69
Pond	4.54	—	—	1.70	2.84
Hollis	2.65	—	—	—	2.65
Total	\$2051.67	\$7583.54	\$6689.46	\$376.55	\$2569.20

The statistics given above show that the pupils of our schools have made a record of which they may well be proud. I know of no town of the relative size of Weymouth that has done as well. The stimulus given the school savings by the Government

through its sale of thrift stamps is partially responsible for this showing but great credit should be given to the teachers for their efforts to inspire in the minds of the children a desire to save, and to the Weymouth Savings Bank for the able and efficient manner in which collections have been made. Saving involves sacrifice but after the waste and extravagance of the last few years, the greatest need of this community as well as the country at large is to develop a spirit of saving. Saving is the one and only source of capital. Through capital production is made possible and the wages attendant upon production.

The pupils of the James Humphrey School made a remarkable showing with deposits for the year amounting to over \$2500. A few years ago the grammar grades were depositing very little money.

The Washington School, a primary building, made the next best showing,

The schools in East Weymouth deposited over two-thirds of the total amount.

GENERAL CONDITIONS

We are rapidly reaching a point at which it will be necessary to make more room for our increasing school population. A census of the children actually in school in September showed over three thousand, a large increase over last year. This increase is due in part to the new labor laws which have made it more difficult for children between fourteen and sixteen to get positions. Every room in town is now occupied with the exception of the two at the Franklin. There is every prospect that the entering class at the High School will be close to two hundred. If this number does enter it will be necessary to divide the school, having half attend in the morning and half in the afternoon.

Any review of the year's work would be incomplete unless it included a statement of the difficulties experienced, particularly as the year just closed has had a larger share than usual of vexatious circumstances. There has been an actual shortage of trained teachers. Fuel has been high in price and hard to get. Electric service on which a large number of children depend for getting to and from school has been either wholly interrupted or badly disorganized during a large part of the year. The heavy storms of midwinter made it very hard to run the schools at all for a period of two months. Despite all these adverse circumstances, the buildings have been kept warm and comfortable through the hearty cooperation of the janitors who in many instances have had a small supply of fuel and that of poor quality. The teachers have responded loyally to every request to be in their places under trying conditions. The parents have kept their children in school during inclement weather and in spite of uncertain transportation facilities. In short, such has been the cooperation of the different elements of the school system that I am able to report a higher percentage of attendance and a larger number of days that school has kept than for the previous year.

I wish to thank all concerned for their assistance in making the year a successful one for the schools.

Respectfully submitted,

PARKER T. PEARSON,

Superintendent of Schools.

APPENDIX

CHANGES IN THE TEACHING FORCE, 1920

RESIGNATIONS

HIGH SCHOOL—H. Mildred Cowan, Sewing, Cookery; Isabel Harrington, English; A. Dorothea Danver, Math., Commercial English; Helen C. Barnard, History, Latin.

ATHENS SCHOOL—Alice B. Wallace, Assistant to the Principal, Grade IX; Mildred B. Stone, Grade VIII; Florence M. Lincoln, Grade VI; Minerva Nickerson, Grades III and V; Harriett B. King, Grade I.

JAMES HUMPHREY SCHOOL—Mary R. Hamel, Grade VII.

WASHINGTON SCHOOL—Jeanie N. Deans, Grade IV.

PRATT SCHOOL—Edith L. Hadley, Principal, Grades VII and VIII; Mary K. Wilson, Grades I and II.

SHAW SCHOOL—Susie G. Fisher, Principal, Grades VIII and IX; Stella T. Fearing, Grades I and II.

NEVIN SCHOOL—Pearl Grant, Grade III; Ruth Gardner, Grades IV and VII.

LEAVE OF ABSENCE

HIGH SCHOOL—Mary C. Humphrey, English, Spanish.

APPOINTMENTS

HIGH SCHOOL—Frank W. Alexander, Math.; Ruth M. Ford, Sewing and Cookery; Ernestine R. Canning, English, French; Hazel M. Agnew, Typewriting.

ATHENS SCHOOL—Dorothy Mudgett, Grade VIII; Margaret Griffin, Grades III and V; Ruth E. Sladen, Grade II; Mary A. Moriarty, Grade I.

JAMES HUMPHREY SCHOOL—Rosamond E. Cunniff, Grade VII.

HUNT SCHOOL—Myra F. McGuirk, Grade VIII.

PRATT SCHOOL—Pearl B. Hanson, Principal, Grades VII and VIII.

SHAW SCHOOL—Esther L. Sampson, Grades V and VI; Grace D. Waterman, Grades I and II.

NEVIN SCHOOL—Amy J. Tomlinson, Grade VIII; Bessie L. Blenis, Grade III; Margaret F. Collins, Grades III, IV and V; Lillian A. Pike, Grade II.

CONTINUATION SCHOOL—Charles Y. Berry, Director; Anna T. Alden, Instructor.

TEMPORARY TEACHERS

HIGH SCHOOL—Frances A. Wheeler, English, Latin; (Mrs.) Dora S. White, History, English.

ODE TO THE CLASS OF 1920

Words by Loreen Lowell Kimball

Music by Edith Lillian Tutty

A knight in shining armor clad
Went forth at break of day;
He sang, he smiled, his heart was glad,
Though rough the toilsome way.
He cared not for the rugged road
Nor sun-god's brightest gleam;
But ever on he swiftly strode
To seek a luring dream.

At last the sun-god sank to rest
The purple hills beyond;
And, lo, the light which bathed the west
The weary knight transformed;
For just beyond the fields of flowers,
He saw a mystic gleam
Of silver spires and silver towers,—
The city of his dream.

So we are pausing, e'er we start,
To dream at radiant morn;
The winding roads here slowly part,
And lead forever on.
But where they lead we do not know—
Through sunshine or through rain,
Through tropic heat or northern snow,
With love, with joy, or pain.

If, like the knight, with hearts inspired,
We smile in cloud or gleam,
We, too, shall find what we desired—
The city of our dream.
The vision lures; 'tis time to start
With hope we must not quell;
Dear Alma Mater, from our heart
We give thee fond farewell.

WEYMOUTH HIGH SCHOOL GRADUATES

Belcher, Edgar Estes
 Boyd, Ronald Abbott
 Breen, Walter Joseph
 Chase, Alice Marguerite
 Churchill, Doris May

REPORT OF THE BOARD OF SELECTMEN

To the Inhabitants of the Town of Weymouth:

At the annual Town Election held March 8, 1920, the following were chosen Selectmen: George L. Newton, Frederick Humphrey, William H. Cowing, Bradford Hawes and Alfred W. Hastings.

The board met on the morning of March 9 and after having taken their oaths of office before Clayton B. Merchant, Town Clerk, proceeded to organize. Bradford Hawes was elected chairman and William H. Cowing, secretary.

Town Accountant. On March fifteenth a joint meeting was held with the Water Commissioners for the purpose of electing a Town Accountant. A communication was received from Charles B. Cushing stating that he did not wish to be considered for a re-appointment to the position. Mr. Cushing was first appointed Town Accountant in 1902 and had capably and faithfully performed the duties of the office for that long period and it was with regret that his decision to retire from it was received.

Emerson R. Dizer was elected as Mr. Cushing's successor. Mr. Dizer was not a stranger to the position, having previously served for seven years as assistant to Mr. Cushing, and was therefore familiar with its duties. We consider that the town is to be congratulated in securing the services of a tried and faithful official for this responsible position.

Death of Albert P. Worthen, Town Counsel. It is with deep regret that we are called to report the death of Albert P. Worthen, Esq., who had faithfully served as Town Counsel since 1901, and who died at his home on October 5, 1920, after a brief illness. During his long term in the above position Mr. Worthen had, by his admirable qualities of mind and heart, endeared himself to all with whom he had been associated in the affairs of the town, in which he had always taken a deep interest. This board hereby expresses feebly its appreciation of the faithful services of Mr. Worthen and its sense of loss of a wise counsellor and dear friend.

On October eleventh, William J. Holbrook, Esq., was appointed as Town Counsellor in place of Albert P. Worthen, Esq., deceased, and at once assumed the duties of the position.

Perambulation. The perambulation of the town lines in company with the Selectmen of the contiguous towns was made in conformity with the provisions of statute law requiring this to be done every five years. All of the bound stones were found and acknowledged to be in their proper places.

Changes in the laws relating to towns. In the Acts of 1920, Chapter 591, are several alterations and amendments to the laws relating to towns which are worthy of careful consideration. One of these we have considered of sufficient importance to justify a place in the warrant. This is now incorporated in the new revision of the General Laws under Chapter 41, Section 25, and provides for the appointment of a chief of the fire department by the Selectmen. This becomes operative upon its acceptance by the town. The law provides in part that a chief so appointed "shall receive such sal-

ary as the Selectmen shall from time to time determine, not exceeding in the aggregate the amount annually appropriated therefor. He may be removed for cause by the Selectmen at any time after a hearing. He shall have and exercise all the powers and discharge all the duties conferred or imposed by statute upon engineers in towns except as herein provided and shall appoint a deputy chief and such officers and firemen as he may think necessary and may remove the same at any time for cause after a hearing. He shall have full and absolute authority in the administration of the department, shall make all rules and regulations for its operation, shall report to the Selectmen from time to time as they may require, and shall annually report to the town the condition of the department with the recommendations thereon: he shall fix compensation of the permanent and call members of the fire department subject to the approval of the Selectmen. In the expenditure of money the chief shall be subject to such further limitations as the town may from time to time prescribe."

Change in Form of Town Government. The board has complied with instructions given it at the special meeting held November 12, 1920, to petition the General Court for enactment of legislation which shall provide for representative town meetings, town meeting members, a referendum, an annual moderator, etc., in the town of Weymouth.

The following is the text of the proposed act:

COMMONWEALTH OF MASSACHUSETTS

IN THE YEAR ONE THOUSAND NINE HUNDRED AND TWENTY

AN ACT

Whereas, it appears to the general court that the town of Weymouth contains more than twelve thousand inhabitants, and that the majority of the inhabitants of the town, present and voting in a town meeting, duly warned and holden for the purpose, on the twelfth day of November, nineteen hundred and twenty, voted to instruct the selectmen of the town to petition the general court for the enactment of the legislation herein contained, in accordance with Article II of the amendments to the constitution; therefore

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

Section 1. Upon the acceptance of this act by the town of Weymouth, the voters in every precinct shall, at the first annual election thereafter, elect by ballot thirty voters in each precinct, other than the officers designated in Section II of this act as town meeting members at large, such elected voters to be town meeting members of the town, one-third of whom shall be elected for the term of one year, one-third for the term of two years and one-third for the term of three years from the day of the annual town meeting; and thereafter, except as otherwise provided herein, at each annual town election the voters of each precinct in the town shall, in like manner, elect ten of their number to be town meeting members of the town for the term of three years, and shall at such

election fill for the unexpired term or terms any vacancies then existing in the number of town meeting members in their respective precincts. Upon every revision of the precincts, or of any of them, the terms of office of all town meeting members from every such revised precinct shall cease upon the election of their successors, and at the first ensuing annual town election there shall be an entirely new election of town meeting members in every precinct so revised, as well as in any new precinct or precincts established. The town clerk shall, after every election of the town meeting members, forthwith notify each member by mail of his election.

Section 2. Any town meeting held under the provisions of this act, except as otherwise provided herein, shall, at and after the first annual election held under this act, be limited to the voters elected under section one together with the following, designated as town meeting members at large; namely, any member of the general court of the Commonwealth from the town, the moderator, the town clerk, the selectmen, the town treasurer, the town counsel, the town collector of taxes, the town accountant, the chairman of the school committee, the chairman of the trustees of Tufts Library, the chairman of the board of health, the chairman of the park commission, the chairman of the water commissioners, the tree warden, the chairman of the planning board, the chairman of the overseers of the poor, members of the appropriation committee and chairman of any board of town officers hereafter constituted by law or by the acts of the town. The town clerk shall notify the town meeting members of the time and place at which town meetings are to be held, the notices to be sent by mail at least seven days before the meeting. The town meeting members, as aforesaid, shall be the judges of the election and qualification of their members. A majority of the town meeting members shall constitute a quorum for doing business; but a less number may organize temporarily and may adjourn from time to time. Notice of every adjourned town meeting shall be posted by the town clerk in ten or more public places in the town, and he shall notify by mail, the members of the town meeting of the adjournment at least twenty-four hours before the time of the adjourned town meeting. The notices shall state briefly the business to be acted upon at the meeting, and shall include notice of any proposed reconsideration. All town meetings shall be public. The town meeting members as such shall receive no compensation. Subject to such conditions as may be determined from time to time by the members of the limited town meeting, any voter of the town who is not a town meeting member may speak, but he shall not vote. A town meeting member may resign by filing a written resignation with the town clerk, and his resignation shall take effect on the date of such filing. A town meeting member who removes from the town or from the precinct from which he was elected shall cease to be a town meeting member.

Section 3. Nomination of candidates for town meeting members to be elected under this act shall be made by nomination papers, which shall bear no political designation, and signed by not less than ten voters of the precinct in which the candidate resides, and filed with the town clerk at least ten days before the election. No nomination papers shall be valid in respect to any candidate whose written acceptance is not thereon or attached thereto.

Section 4. The articles in the warrant for every town meeting, so far as they relate to the election of town officers, and town meeting members, as hereinbefore provided, to grant licenses for the sale of intoxicating liquors, referenda, and all matters to be acted upon and determined by ballot, shall be so acted upon, and determined by the voters of the town in their respective precincts. All other articles in the warrant for any town meeting shall be acted upon and determined exclusively by town meeting members at a meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for the meeting, subject to the referendum provided for by section seven.

Section 5. A moderator shall be elected by ballot, by the town meeting members, at each annual town meeting and shall serve as moderator of all town meetings, except as otherwise provided by law, until his successor is elected and qualified. If a moderator is absent, a moderator pro tempore may be elected by the town meeting members.

Section 6. Any vacancy in the full number of town meeting members from any precinct may be filled until the next annual election by the remaining members of the precinct from among the voters thereof. Upon petition therefor, signed by not less than ten town meeting members from the precinct, notices of the vacancy shall be promptly given by the town clerk to the remaining members from the precinct in which the vacancy or vacancies exist, and he shall call a special meeting of such members for the purpose of filling any vacancy. He shall cause to be mailed to each of such members, not less than four days before the time set for the meeting, a notice specifying the object and the time and place of the meeting. At the said meeting a majority of the members shall constitute a quorum, and they shall elect from their own number a chairman and a clerk. The choice to fill any vacancy shall be by ballot, and a majority of the votes cast shall be required for a choice. The chairman and clerk shall make a certificate of the choice and forthwith file the same with the town clerk, together with a written acceptance by the member or members so chosen, who shall thereupon be deemed elected and qualified a town meeting member or members, subject to the right of all the town meeting members to judge of the election and qualification of members as set forth in section two.

Section 7. Any vote, except a vote to adjourn, and except votes authorizing the borrowing of money for immediate town needs, which fact to be specified in the vote, passed at any limited town meeting, shall not become operative until after the expiration of five days, exclusive of Sundays and holidays, from the dissolution of the meeting. If, within said five days a petition, signed by not less than one hundred voters of the town, containing their Christian names together with their street addresses, is filed with the selectmen asking that the question or questions involved in such vote be submitted to the voters of the town at large, then the selectmen, after the expiration of five days, shall forthwith call a special meeting for the sole purpose of presenting to the voters at large, the question or questions so involved. The polls shall be opened at two o'clock in the afternoon and shall be closed not earlier than eight o'clock in the evening and all votes upon any questions submitted shall be taken by ballot, and a check list shall be used in the

several precincts in the same manner as in the election of town officers. The questions submitted at the said town meeting shall be determined by vote of a majority of the voters at large voting thereon. The questions so submitted shall be stated upon the ballot in the same language and form in which they were stated when presented to said limited town meeting by the moderator, and as they appear upon the records of said limited town meeting. If such petition be not filed within the said period of five days, the vote in the limited town meeting shall become operative and effective upon the expiration of said period.

Section 8. The town of Weymouth, after the acceptance of this act, shall have the capacity to act through and to be bound by its said town meeting members who shall, when convened from time to time as herein provided, constitute limited town meetings; and such limited town meetings shall exercise exclusively, so far as will conform to the provisions of this act, all powers vested in the municipal corporation. Action in conformity with all provisions of law now or hereafter applicable to the transaction of town affairs in town meetings shall, when taken by any limited town meeting in accordance with the provisions of this act, have the same force and effect as if such action had been taken in a town meeting, open to all the voters of the town as heretofore organized and conducted.

Section 9. This act shall not abridge the right of the people of Weymouth to hold general meetings; nor shall this act confer upon any limited town meeting in Weymouth the power finally to commit the town to any measure affecting its municipal existence or changing its government, without action thereon by the voters of the town at large, using the ballot and check lists therefor.

Section 10. The question of the acceptance of this act by the town of Weymouth shall be submitted to the registered voters of the town at the annual town election in the year nineteen hundred and twenty-one. The vote shall be taken by ballot, in accordance with the provisions of chapter eight hundred and thirty-five of the acts of nineteen hundred and thirteen and any amendments thereof, so far as the same shall be applicable, in answer to the question: "*Shall an Act passed by the general court in the year nineteen hundred and twenty-one, entitled 'An Act to provide for limited town meetings, town meeting members, a referendum and an annual moderator in the town of Weymouth,' be accepted by this town?*" and the affirmative votes of a majority of the registered voters of the town present and voting thereon shall be required for and shall determine its acceptance. The acceptance of this act as herein provided, shall repeal all acts, parts of acts and any town by-law inconsistent herewith. So much of this act as authorizes its submission to the registered voters of the town shall take effect upon its passage, but the act shall not take further effect unless and until accepted by the town as herein provided.

BRADFORD HAWES,
FREDERICK HUMPHREY,
WILLIAM H. COWING,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

FIRE HAZARD

The New England Insurance Exchange has during the past season made an exhaustive investigation of all matters relating to Fire Hazard in our town and we are now in receipt of a report of its findings. To print this report in full would require about twenty pages, and while it contains much that is worthy of careful consideration we do not feel justified in devoting that amount of space to it, but consider it important that the public should be made acquainted with the recommendations made.

The report treats of the water supply, mains, hydrants, and general equipment and management of the water department; the organization of the fire department, the condition of the fire houses and apparatus, and the degree of efficiency which under the present organization may be expected. The report also treats of the fire alarm system and points out its defects. The letter accompanying the report states that the recommendations are very complete and are submitted with the idea in mind that they can be used as a guide by the town in planning improvements from year to year, working toward a definite end, so that ultimately the town will be in a position for a better insurance classification.

The report is on file for the benefit of any person interested therein.

RECOMMENDATIONS

WATER SUPPLY

Records:

1. (a) That the original and important records and plans be kept in fireproof cabinets or vaults.

Pumping Station:

2. That interior hazards be safeguarded as follows:
 - (a) By replacing combustible materials in floor and roofs with fireproof construction.
 - (b) By installing small hose, hand chemical extinguishers and sand pails.

Distribution System:

3. That the distribution system be strengthened by the early installation of mains as shown on the accompanying plan and such other mains as are necessary to furnish fire supply as follows:
 - (a) In the principal mercantile and manufacturing districts 2,500 G. P. M.
 - (b) In closely built residential and minor mercantile districts, 1,500 G. P. M.
 - (c) In outlying residential districts, 750 to 1,000 G. P. M.

Mains:

4. That the following be adopted as the standard minimum size of mains used for hydrant supply for all future construction:
 - (a) In residential districts, 6-inch and 8-inch, the former to be used only where they complete a good gridiron and in no case in blocks 600 feet or more in length.

(b) In mercantile and manufacturing districts, 8-inch and 12-inch, the former to be used in sections where they complete a good gridiron and the latter for long lines not cross connected.

5. (c) That all 4-inch pipe supplying hydrants be replaced in accordance with the foregoing recommendations and a well defined plan adopted whereby a definite amount will be replaced each year.

6. (d) That dead ends be eliminated wherever practicable and long unsupported lines of pipe cross connected at suitable intervals.

Note: The Exchange believes that it is essentially the business of each municipality to lay out its system of distributing mains as it is best able to judge of present and future consumption in each district and other local conditions involving paving, topography, pressures, size and type of hydrants, etc.; but practical experience has shown that the above quantities are required for good fire protection in districts such as are found in this locality, and that a gridiron system of mains of the sizes recommended above is satisfactory only when cross connected at all intersections, free from dead ends, and with large secondary cross feeder mains at frequent intervals.

Gate Valves:

7. That the distribution system be equipped with a sufficient number of gate valves so located that no single case of accident, breakage or repair to the pipe system in important districts will necessitate the shutting off from service a length of pipe greater than the side of a single block or a maximum of 500 feet or in other districts greater than two sides of a single block or a maximum of 800 feet.

Hydrants:

8. (a) That a sufficient number of hydrants be installed so all important buildings in outlying sparsely built sections will be within 250 feet of a hydrant, and in built-up districts the distance between adjacent hydrants will in no case exceed 350 feet.

(b) That new installations of hydrants be in accordance with the following specifications:

Hydrants to be capable of delivering 600 G. P. M. with a friction loss of not more than $2\frac{1}{2}$ pounds in the hydrant and a total loss of not more than 5 pounds between the street main and hydrant outlet.

(c) Hydrants to have not less than two $2\frac{1}{2}$ -inch outlets and engine connection where engine service is necessary. Street connection and hydrant barrel to be not less than 6 inches in diameter and branch line to be equipped with gate valve.

(d) That the thread of hydrant outlets conform to the National Standard, which is as follows:

Nominal Size Conn. Inches	Outside Diam. of Male Thread	Threads Per Inch
$2\frac{1}{2}$	3 1-16	$7\frac{1}{2}$
$4\frac{1}{2}$	$5\frac{3}{4}$	4

FIRE DEPARTMENT

Organization:

9. (a) That at least nine additional full paid men be added to the department immediately and that meal periods be assigned

so that at least one man shall be on duty in each station for each piece of apparatus, at all times.

(b) That the appointment and promotion of officers be based on examination, seniority and record, under civil service rules, with tenure of office provisions.

(c) That the requirements for appointment to the service be under suitable civil service regulations, with proper requirements for height, weight and age limits.

(d) That substitutes be employed, preferably those eligible for appointment, to fill vacancies caused by vacations or extended periods of disability.

Companies and Apparatus:

10. That service be improved as follows:

(a) By providing hose No. 1 with an automobile combined pump, chemical and hose wagon. Pump to have a rated capacity of 750 gallons per minute.

(b) By providing Ladder No. 2 with a modern automobile 55-foot city service ladder truck and the present tractorized ladder at these stations be transferred to North Weymouth station.

Note: (c) Specifications for automobile pumping engines to require pumps to deliver their full rated capacity at 120 lbs. net pump pressure for a period of two hours, 50% of rated capacity at 200 lbs. net pump pressure for one-half hour and 33% of rated capacity at 250 lbs. net pump pressure for one-half hour; to have divided body, with carrying capacity of at least 1,000 feet of hose and to be equipped with 40-gallon chemical tank or 60-gallon water tank.

(d) Gasolene motors to be capable of propelling the apparatus at a speed of 30 miles per hour and of covering 20 consecutive miles in one hour over any roads the apparatus is likely to encounter in actual service when carrying full load, without showing loss of power or overheating when propelling the apparatus.

Minor Equipment:

11. That the following equipment be furnished where not already provided:

(a) To each hose wagon or pumping engine: siamese and double male and female connections, hydrant gates, wire cutters, rubber gloves, door opener, playpipe holder, smoke masks, distributing nozzle, burst hose jacket, axes, crowbar, rope, plaster hook, 24-foot extension and 12-foot roof ladders, two shut-off nozzles with smooth bore tips ranging from $\frac{3}{4}$ -inch to $1\frac{1}{4}$ inches in diameter 2½-gallon soda and acid and 2½-gallon foam type extinguishers and two water-proof covers.

(b) To ladder trucks: modern cellar pipe, wire cutters, rubber gloves, tin roof cutter, saw, auger, maul, sledge, forks, shovels, picks, bale hooks, life net, smoke masks, crowbars, plaster hooks, door opener, hose hoist, deluge set, burst hose jacket, lumber nozzles, wrecking hook and chain, first aid kit, 2½-gallon foam type extinguishers, rope gun, and salvage appliances including four water-proof covers.

Hose:

12. (a) That all hose purchased in the future bear the label of the Underwriters' Laboratories, Inc., for fire department use.

(b) That all hose be tested at least annually to a pressure of 200 lbs. and defective sections discarded.

(c) That all hose, if not used at fires, be shifted on apparatus monthly.

Stations:

13. (a) That the stations now occupied by Hose Companies No. 4 and No. 7 be discontinued, apparatus abandoned and men and equipment distributed among the remaining companies.

(b) That a suitable tower or steeply inclined rack be provided at all stations for the proper drying of hose.

(c) That each station having motor apparatus be provided with approved underground or portable gasolene tanks and that tanks on apparatus be filled through hose.

Operation:

14. (a) That complete fire department regulations be adopted covering discipline, house rules and other fire department matters printed in a form for individual distribution and that they be rigidly enforced.

(b) That suitable drilling facilities be provided and all members be regularly drilled in the use of all appliances, quick handling of hose, salvage work and in life saving.

(c) That a competent officer be in charge of such drills and that he be sent to at least two cities which maintain drill schools to obtain experience in modern fire methods.

(d) That the response to telephone or verbal alarms be the same as for box alarms in the same district.

(e) That a member of the department who shall be a competent automobile mechanic act as chief mechanic and be held responsible for the condition of all apparatus and the training of engineers and chauffeurs.

(f) That candidates for appointments as chauffeurs be given thorough training in their duties and be required to demonstrate their ability in caring for and operating apparatus, and that only those fully competent be appointed or retained.

(g) That engines be tested at least annually and after any extensive repairs following methods published by the National Board of Fire Underwriters. Reciprocating pumps showing more than 7% slip should be overhauled, and any pump developing less than 90% of its reasonable rated capacity should be overhauled or crews drilled or both.

(h) That members make systematic monthly inspections for the accumulation of rubbish and inflammable materials inside and in the rear of buildings other than dwellings, and the chief be given power to cause arrests for the violation of the building, explosive and inflammable laws, and members be required to make a detailed report of all such inspections on approved forms, these to be properly filed.

(i) That complete records be kept including a journal at each fire station, giving time and particulars of all events, and at headquarters reports of all fires, losses and inspections on approved forms, regular reports from company officers and detailed records of all apparatus and hose.

(j) That an ordinance prohibiting the parking of automobiles or other vehicles within 10 feet of a hydrant or 15 feet of a street corner or fire station be adopted and enforced.

FIRE ALARM SYSTEM

Organization:

15. (a) That the Superintendent of Fire Alarm be appointed for an indefinite term under proper qualifications, and that he shall also act as Inspector of Wires.

Headquarters:

16. (a) That fire alarm headquarters be located in a building of fire resistive construction especially constructed to reduce as far as possible all liability to interruption of service. All apparatus and equipment to be placed on incombustible mountings, and no unnecessary combustible material permitted within the fire alarm rooms; the batteries to be installed in a separate well ventilated room.

(b) That the protection in the fire alarm rooms include sufficient extinguishers of the soda, acid and tetrachloride type, sand pails and waterproof covers.

Apparatus:

17. That the system include:

At Headquarters:

(a) A slate terminal board equipped with the necessary protection to circuits.

(b) The present 6-circuit slate charging and controlling board.

(c) The present 5-circuit non-interfering automatic repeater.

(d) A punch register and time stamp for the recording of all signals.

(e) Storage batteries of the chloride accumulator type in duplicate sets, mounted on porcelain knobs, on glass strips, on metallic rack, properly protected to prevent corrosion. Each set to be capable of operating the system for a period of 60 hours without recharging.

At Fire Stations:

(f) A gong, lighting switch, punch register and tapper connected to box circuits.

(g) Where two box circuits pass or are in close proximity to a fire station, a punch register and tapper connected to one and a tapper to the other box circuit.

Elsewhere:

(h) A gong in the water office and tapper in residence of water superintendent.

(i) A gong at the pumping station.

(j) Tappers in residences and places of business of responsible members of the call force to connect through relay to box circuit.

Circuits:

18. (a) That overhead circuits be of No. 10 galvanized iron or copper having triple braid weatherproof insulation.

19. That conditions be improved by:

(b) Installing circuits underground where ducts are available, using No. 14 rubber covered copper wire in lead sheathing, and providing lightning arresters and heavy current fuses at the junction of overhead and underground work, and grounding lightning arresters and outer cases of boxes.

(c) Replacing all bare wire with No. 10 galvanized iron or copper wire having triple braid weatherproof insulation.

(d) Avoiding poles carrying high tension wires, but where necessary to locate on such poles, fire alarm wires to be on separate cross arms located under rather than over high tension wires.

(e) Installing all wires in Headquarters and fire stations in accordance with the requirements of the National Electrical Code.

(f) Installing leads to boxes down poles in iron conduit from top of pole; wires to have rubber and double braided insulation and conduit to be insulated at box.

(g) Arranging circuits as far as possible so that only one side of a circuit will be in one cable or along one street.

Boxes:

20. (a) That boxes installed in the future be of the positive non-interfering successive type, with silver break contacts, with internal mechanism protected against abnormal currents, with outer cases and lightning arresters adequately grounded, and with keyless self-acting or glass panel doors, or keys attached under guard. Boxes of inferior types now in use to be altered or replaced to conform to the above with the exception that boxes in outlying districts can be without the successive feature.

(b) That all boxes now equipped with the unreliable brush-break contacts be refitted with double point platinum or silver key breaks.

(c) That additional boxes be installed so that a box shall be within 500 feet of every building in mercantile or manufacturing sections, and in built-up residential districts within 800 feet of every valuable group of buildings, and in outlying sections within 1200 feet of every group of buildings.

Operation:

21. (a) That circuits and batteries be tested for voltage at least daily, battery cells tested for individual voltage and strength of electrolyte weekly, circuits examined monthly and after severe storms; records to be kept of all tests, inspections and troubles on approved forms.

(b) That all boxes be inspected monthly and after electrical storms; inspection to consist of a visual examination, oiling, cleaning and pulling of the box.

(c) That for telephone alarms, the nearest box number be sent out over the system from the manual transmitter, preceded by a telephone call to the nearest company giving the exact location of the fire.

(d) That the system be timed to operate at not more than two seconds between strokes.

(e) That plans be provided showing headquarters wiring, routes of all circuits, and locations of all boxes and instruments and detailed records be kept of all equipment in card index form.

STRUCTURAL CONDITIONS AND HAZARDS

Building Department:

22. (a) That an Inspector of Buildings be appointed for an indefinite term under proper qualifications. His duties as such to be the issuing of permits and the inspection of buildings in course of construction, alteration or repair to determine if the building laws are being enforced.

(b) That a comprehensive building code be adopted by ordinance to conform to modern requirements for construction and fire prevention as given in the National Board Building Code, particularly as to improved types of construction, limitation of heights and areas, protection of openings in walls, floors and roofs, wall thicknesses and requirements for private fire protection.

(c) That fire limits be established so as to properly safeguard the mercantile districts and territory adjacent to the same for the several sections of the town and that construction in general be so regulated as to prevent the development of dangerous conditions.

(d) That approved fire retardent roof coverings be required for all new or repaired roofs within the town limits.

(e) That complete records be kept of applications received, permits issued and of inspections.

Explosives and Inflammables:

23. (a) That the efficiency of the existing regulations be increased by more frequent and systematic inspections by members of the fire department.

Electricity:

24. (a) That the Superintendent of Fire Alarm be designated by ordinance as ex-officio Inspector of Wires, to have entire control and supervision over all outside and inside wiring.

(b) That the National Electrical Code be adopted by ordinance as the standard of all electrical work.

(c) That an application be submitted to the Inspector before any new wiring may be installed or any old wiring altered or extended, and a certificate of approval secured from him before current may be supplied to any new or altered installations or installations that may be condemned by the Inspector because of defects.

(d) That a systematic re-inspection of old wiring be made and defects corrected, and that all wiring be subsequently re-inspected at suitable intervals.

Respectfully submitted,

JOHN S. CALDWELL,

Engineer.

SUNDRY APPROPRIATIONS

Under the abnormal conditions of the past year several of the appropriations were found insufficient to go through the year. The attention of the board was seasonably called to most of these and they were submitted to the appropriation committee, which was able to care for them from the reserve fund.

In regard to the police appropriation, the amount of this is fixed by the town upon the basis of the number of regular men on the force at the time. The state has during the past year taken over and constructed as a state highway the part of the so-called Plymouth Turnpike through Hingham, and the road was closed for several months at Lovell's Corner, necessitating a detour either by Main Street or Pleasant Street. A very unusual volume of travel was thus sent over Main Street, and many of the automobile drivers, especially on the part of the street between Independence Square and Washington Street, operated their machines apparently with little or no regard for the rights or safety of others. To meet this condition we felt obliged to put on a motorcycle officer for about two months. This officer did excellent work, bringing a number of reckless drivers into court and correcting the evil.

The congested condition of travel in the neighborhood of Washington Square between the hours of four and six P. M. also demanded consideration and an officer was placed there during those hours with satisfactory results. The appropriation was thus exceeded by \$328.79. The board considered that the above conditions constituted an emergency justifying exceeding the appropriation to that amount, and it was therefore authorized.

About the middle of December the accountant called the attention of the board to fact that the bills coming in from the fire department would, if paid, occasion a very material overdraft of the appropriation. A session was called with the fire engineers, who were unanimously of the opinion that the expenditures could not have been avoided without seriously crippling the department. They said that extensive repairs on two of the machines became necessary, occasioning a cost of about \$1,500. The cost of coal had been much in excess of the estimates and the increase in the pay of the callmen, made without a corresponding increase in the appropriation, contributed very materially in causing the deficit. It was found that the payment of all the bills would occasion an overdraft of \$3,718.59. This condition should have been earlier reported by the engineers that proper measures might have been taken to provide for the deficiency.

The holding up of the bills until the coming annual meeting would have occasioned a good deal of hardship and it was decided to authorize the overdraft as an emergency.

For a statement of the expenditures under the several appropriations we refer to the report of the Town Accountant.

SUITS AT LAW

The suits against the town before reported and still pending are that of Harold A. Billings for damages said to have been caused by blasting on Front Street, and that of Simon Delorey, alleging \$300 damages claimed to have been caused to his hay crop in a meadow on Neck Street, in consequence of the condition of a street drain, whereby the land was flowed, both of the above in the District Court in Quincy; and that of Clarence A. Wright, who while riding through Jackson Square on May 18, 1918 (Red Cross Parade Day) on a motorcycle, came in collision with a rope suspended across Pleasant Street from the band stand to a pole on the sidewalk, pending in Dedham.

A suit has been brought against the town by Gustave B. Bates of Quincy, alleging damages of \$1,500 to his land on Pleasant

Street by drainage of water thereon, which action is now pending in the Superior Court at Dedham. Also an action by Annie W. Bates of Quincy in which she seeks to recover damages of \$2,000 alleged to have been caused to her property on Washington Street by turning off the water supply, which action has been entered and is pending in the Superior Court at Dedham.

Respectfully submitted,

Jan. 25, 1920. Paid R. H. Whiting, Treas.	22.50	

BRADFORD HAWES,

Chairman of the Selectmen.

TWENTY-SEVEN YEARS OF FAITHFUL SERVICE

Resolutions adopted by the Selectmen upon resignation of

Mr. Bradford W. Hawes.

We pause in the daily routine of our town affairs to review very briefly the service of Mr. Bradford Hawes, thru a term of twenty-seven years of faithful and devoted official service as Selectman and Overseer of the Poor of Weymouth. Nor has his labor been limited in any way to his official responsibilities for at all times he has had at heart the welfare of all matters affecting his town and has never failed to give, and gladly so, of his time and advice for the best good of all.

During these years of labor in our town affairs the duties of Selectman and Overseer of the Poor have been greatly enlarged and the settlement of matters have grown increasingly complex. The efficient administration of our town business compelled some one to continually keep abreast with the laws of town and state. Almost automatically as questions were taken up all eyes turned to Mr. Hawes for an expression of the legal phase of the matter and also for his opinion which all of us have learned to value. As to the position he has taken on any and all matters which have come to his attention, we know he has arrived at his decision in the matter without fear of anyone and with favor to none, simply a frank and decided opinion based wholly upon the merits of the case in hand.

Would that many more of our townspeople would be as self-sacrificing and loyal to our town interests as Mr. Hawes has been. As we understand that Mr. Hawes has now withdrawn his name from further consideration at the polls we take this opportunity to express for ourselves and for the town which we represent our appreciation of his full measure of service rendered to his town, regardless of any emolument which the position carried, and always creditably and impartially performed. We bid him godspeed in his enjoyment of the years left to him and trust that his recollection of that great service rendered by him in our Civil War and later in the Grand Army of the Republic together with these many years of labor and association in town affairs may impart to him a buoyancy of spirit which will brighten the days of his retirement and satisfy him that his service has not been given in vain.

WILLIAM H. COWING,
FREDERICK HUMPHREY,
GEORGE L. NEWTON,
ALFRED W. HASTINGS,

Selectmen of Weymouth.

ASSESSORS' REPORT

Weymouth, December 31, 1920.

We have assessed upon the polls and estate of all persons and corporations liable to taxation the sum of \$466,994.07 and have committed the same to Harry E. Bearce, Esq., the duly elected Collector of Taxes, with our warrant in due form of law for collection and payment in accordance with the vote of the town and the warrants of the County of Norfolk and the Commonwealth of Massachusetts.

Commitment July 27, 1920	\$19,815.00
" September 11, 1920	220.00
" November 1, 1920	446,473.07
" December 20, 1920	486.00
	<hr/>
	\$466,994.07

State Tax	\$39,060.00
County tax	17,811.42
Metropolitan tax	9,184.66
Charles River Basin tax	1,538.89
State Highway tax	4,721.23
Army and Navy tax	1,841.40
Special "Bay State" tax	786.07
Gypsy and Brown Tail Moth tax	2,136.80
Town tax (including overlay)	423,471.58
	<hr/>
	\$500,552.05

Less amount to be returned by the State:

"Income taxes"	\$17,595.48
"General School fund" (Gen. Acts of 1919, Chapter 363)	15,962.50
	<hr/>
	\$33,557.98

		<hr/>	\$23,591.01
	Paid Treasurer		23,591.01
1919	Poll, Personal and Real collected ...	\$63,155.38	
	Moth Tax collected	649.44	
	Street Oiling collected	6.00	
	Sidewalk Tax collected	14.14	
	Interest collected	2,133.38	
		<hr/>	\$65,958.34
	Paid Treasurer		65,958.34

Respectfully submitted,

WINSLOW M. TIRRELL,
Tax Collector.

REPORT OF TAX COLLECTOR

To the Honorable Board of Selectmen of the Town of Weymouth.

I present to you my report of Taxes and Interest collected and the same turned over to the Town Treasurer, from July 27th, 1920, to December 31st, 1920.

1920	Poll, Personal and Real collected	\$337,716.43
	Moth Tax collected	1,334.30
	Interest collected	182.38
		<hr/>
		\$339,233.11
	Paid to J. H. Stetson, Treasurer	\$339,233.11

Respectfully submitted,

HARRY E. BEARCE,
Tax Collector.

REPORT OF MOTH SUPERINTENDENT

South Weymouth, January 14, 1921.

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

Herewith please find the report of the Moth Superintendent for the year 1920.

I would say as regards to the Gypsy Moths that conditions appear to be fully as favorable as for some years past. I am sorry to report that we are finding quite a heavy infestation of the Brown Tail Moth, which pest has not been troubling us much for some years. We learn from the State Moth Department that they are having the same report throughout the district.

I hope that some of the owners of trees will supplement the work of the department by keeping close watch of the Webb Nests on the ends of the limbs of trees and either cut and burn them or notify the Superintendent.

Respectfully submitted,

C. L. MERRITT,
Local Superintendent.

REPORT OF THE TREE WARDEN

South Weymouth, January 14, 1921.

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

Owing to the severe winter with its heavy snow and ice we found our trees in the spring in very bad condition, and with many

broken limbs to be removed throughout the town. Then in August came the tornado, causing me very much more work clearing up the damage.

During the year we have removed 14 large trees and set out no new ones to replace. We hope to do more of the planting this coming year.

Respectfully submitted,

C. L. MERRITT,

Tree Warden.

REPORT OF FOREST WARDEN

Weymouth, Mass., January 12, 1921.

To the Honorable Board of Selectmen:

I hereby submit my report as Forest Warden for the year ending December 31, 1920.

Although the expense of the Forest Department has been great, there have been no large forest fires, and most of the expense has been for grass fires. We issue no permits to burn grass. Some of the grass fires have cost as high as fifty dollars. Since it costs a dollar an hour to fight fires I would recommend that the citizens be more careful.

Respectfully submitted,

WALTER W. PRATT,

Forest Warden.

REPORT OF BURIAL AGENT

East Weymouth, Mass., December 31, 1920.

To the Honorable Board of Selectmen of Weymouth:

Gentlemen:

I have to report the burial of one (1) soldier under my direction during the year ending December 31, 1920.

Respectfully submitted,

WALDO TURNER,

*Agent for the Burial of Indigent
Soldiers and Sailors.*

REPORT OF THE OVERSEERS OF THE POOR

The conditions in regard to the care of the Town poor remain about the same as they were last year.

As the voters of the Town did not think it advisable to build a Town Home arrangements were made with the Overseers of the Poor of Braintree to care for Weymouth inmates at their institution, at the rate of \$7.00 each per week, this not including clothing and bedding.

The Town Farm at Weymouth was leased to Mr. Parker Condrick for \$600.00 per year and arrangements were made to have him make the wood deliveries.

The number of inmates boarded in the Braintree Home the whole or part of the year was 22, of whom 14 were males and 8 were females. At present there are 14 inmates boarded there.

Number of deaths at Town Home last year were 2.

The cost of inmates at Braintree Town Home was \$4732.79.

Poor Outside the Home

We have aided in City and State Hospitals 15 cases at a cost of \$1786.29.

Town poor in homes in this and other towns and cities 167 individuals in 83 families at an expense of \$12,530.43.

We have also aided of those resident in this town but having no settlement here 74 individuals in 18 families of one or more at a cost of \$4146.52.

Town Physicians.

The Town Physicians appointed to attend the poor were:

Ward 1 and Braintree Town Home. Dr. William A. Drake.
 Ward 2. Dr. John C. Fraser.
 Ward 3. Dr. F. P. Virgin.
 Ward 4. Dr. Karle H. Granger.
 Ward 5. Dr. George E. Emerson.

William A. Drake, M. D., after thirty-five years of continuous service as Doctor to the inmates of the Town Home resigned to take effect Dec .1, 1920. Lewis W. Pease, M. D., was appointed to take his place.

BRADFORD HAWES,
 WILLIAM H. COWING,
 GEORGE L. NEWTON,
 FREDERICK HUMPHREY,
 ALFRED W. HASTINGS,

Overseers of the Poor.

REPORT OF INSPECTOR OF ANIMALS

South Weymouth, Mass., January 1, 1921.

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

I herewith submit to you my report as Inspector of Animals for the year 1920.

Number of places inspected	151
Number of cows inspected	513
Number of young stock inspected	95
Number of bulls inspected	23
Number of swine inspected	325
Number of sheep inspected	6
Number of goats inspected	12

While I have caused several animals to be killed which proved to have contagious diseases, a large majority of the stock are in a very fair condition.

Respectfully submitted,

DANIEL SULLIVAN,

Inspector of Animals.

REPORT OF THE CHIEF OF POLICE

Weymouth, Mass., January 14, 1921.

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

I herewith submit the annual report of the work performed by the Police Department of the Town of Weymouth for the year ending December 31, 1920.

During the year 300 arrests have been made as follows:

Assault and Battery:

- 1 fined \$50.00, appealed.
- 1 fined \$5.00, paid.
- 1 fined \$25.00, continued.
- 1 sentenced to House of Correction 6 months, and sentence suspended.
- 1 placed on probation for two months.
- 4 discharged.
- 1 continued.
- Total 10.

Adultery:

- 1 sentenced to Sherborn one year and sentence suspended.
- 1 sentenced to House of Correction one year and sentence suspended.
- 2 discharged.
- Total 4.

Bastardy:

1 continued.
Total 1.

Breaking and Entering:

2 made restitution and paid \$5.00 costs.

Drunkenness:

6 fined \$15.00, paid.
1 fined \$10.00, paid.
5 fined \$15.00 continued.
2 sentenced to State Farm.
2 sentenced to State Farm and sentence suspended.
2 sentenced to 10 days in House of Correction.
3 released at the station.
1 placed on file.
Total 22.

Defaulted:

1 paid fine of \$30.00.
1 paid fine of \$25.00.
Total 2.

Game Laws:

1 fined \$25.00, paid.
5 fined \$10.00, paid.
3 placed on file.
Total 9.

Idle and Disorderly:

1 committed to Sherborn.
1 committed to Shirley school.
1 committed to Lyman school.
Total 3.

Insane:

Two committed to Taunton State Hospital.
Total 2.

Illegally Keeping and Exposing Intoxicating Liquor:

1 fined \$100.00, paid.
Total 1.

Illegal Sale of Intoxicating Liquor:

1 fined \$50.00, paid.
1 discharged.
Total 2.

Violation of Jitney Law:

1 fined \$20.00, appealed.
Total 1.

Larceny:

2 fined \$50.00, paid.
1 fined \$25.00, paid.
1 fined \$10.00, paid.

4 made restitution.
 3 dismissed.
 1 sentenced to 6 months in House of Correction.
 1 sentenced to 6 months in Lyman School.
 1 sentenced to 6 months in Shirley School.
 1 continued.
 2 placed on file.
 1 sentenced to House of Correction 3 months and sentence
 suspended.
 Total 18.

Lewdness:

1 fined \$5.00, paid.
 1 committed to State Farm.
 Total 2.

Violations of Motor Vehicle Laws:

4 operating under influence of intoxicating liquor fined \$100,
 paid.
 1 fined \$100.00 appealed.
 5 fined \$25.00, paid.
 6 fined \$20.00, paid.
 1 fined \$35.00, paid.
 10 fined \$15.00, paid.
 24 fined \$10.00, paid.
 24 fined \$5.00, paid.
 1 fined \$3.00, paid.
 11 guilty, placed on file.
 3 dismissed.
 1 fined \$10.00, appealed.
 1 fined \$20.00, appealed and defaulted.
 1 operating motor vehicle without authority paid damages,
 \$150.00.
 Total 93.

Malicious Mischief:

1 fined \$50.00, appealed (paid fine in higher court).
 1 fined \$7.50, paid.
 4 fined \$5.00, paid.
 1 fined \$1.00, paid.
 5 dismissed.
 Total 12.

Neglected Children:

4 continued.
 Total 4.

Non-support:

1 ordered to pay \$8.00 per week.
 Total 1.

Neglect of Family:

1 ordered to pay \$12.00 per week.
 Total 1.

Neglect to Support Aged Parents:

3 ordered to pay \$2.00 per week and continued.
Total 3.

Out of Town Arrests:

Total 86.

Violation of Probation:

1 continued.
Total 1.

Paupers:

2 committed to the State Farm.
Total 2.

Violation of Prohibition Laws:

1 turned over to Federal Officers.
Total 1.

Railer and Brawler:

1 continued.
Total 1.

Receiving Stolen Property:

1 made restitution, paid \$250.00.
Total 1.

Truants:

1 continued.
Total 1.

Threats:

1 fined \$50.00, continued.
6 fined \$5.00, paid.
1 dismissed.
Total 8.

Vagrant:

1 committed to State Farm.
Total 1.

Violation of Weights and Measures:

1 paid fine, \$25.00
1 paid fine, \$15.00.
1 paid fine, \$10.00.
2 paid fine, \$5.00.

MISCELLANEOUS REPORT

2 raids for intoxicating liquors.
3 search warrants for stolen property.
Stolen property recovered \$2,680.00.
1 search warrant for gaming implements.
151 complaints investigated.

Amount of fines in lower court \$2,687.50.
 Number of buildings found opened and secured, 75.

During the summer months traffic was so heavy in the south part of the town that a motorcycle officer was stationed there to control fast and reckless driving and very good results were obtained.

During the coming year an extra force of police will be required to handle the heavy automobile travel to and from the Plymouth ter-centenary.

I wish to thank the Police Officers for their co-operation with me in performing their duties and their able manner in conducting investigations.

In conclusion I wish to convey my thanks to your Honorable Board for the assistance and co-operation during the past year.

Respectfully submitted,

ARTHUR H. PRATT,
 Chief of Police.

REPORT OF COMMITTEE ON TRANSPORTATION

To the Honorable Board of Selectmen:

The Committee appointed at the Special Town Meeting of April 30, 1920, to act cooperatively with representatives of the Eastern Massachusetts Street Railway Company, for the purpose of providing and maintaining a transportation system for the Town of Weymouth, report as follows:

As a result of the Special Town Meeting previously mentioned, the Committee commenced active duty on June 1, 1920.

With regret the following resignations were accepted: That of Mr. E. W. Hunt on account of health and business cares, and that of Mr. W. A. Hodges, Secretary, for business reasons. Mr. W. H. Cowing was appointed to serve in place of Mr. Hunt.

The Committee in performing the duties imposed upon them have operated and maintained the following routes—Jackson Square to the Braintree Depot and Lincoln Square to the Rockland Line—and provided Motor Bus service for accommodation of people on Pleasant and Pond Streets—in doing which their sole object has been to provide the best possible transportation facilities commensurate with their finances.

Generally speaking, a great deal of the necessary repair work on road beds has been completed, which item is reflected in the increased deficit from month to month. Retarded business naturally has had its effect on transportation. While we are not attempting to apologize for excess of net operating expense over net income, we deem it best to mention these features as being vital and necessary to the maintenance of any transportation system whatever.

As to quality and regularity of service, the people may judge for themselves.

The Committee feel that under existing conditions the townspeople have had about what could have been expected. Continuance of service depends entirely upon the cooperation of the people.

Diminishing material cost—greater efficiency of labor—and greater economy in operation by use of one-man cars—will, if

combined with a maximum amount of patronage, enable the Town of Weymouth in the near future to enjoy a fairly satisfactory transportation service and reduction of anticipated deficit.

According to vote of the Town, the Committee were allowed \$28,000 for expenditure under agreement with the Eastern Massachusetts Street Railway Company.

According to latest report of the Comptroller of the Eastern Massachusetts Street Railway Company showing statement of Weymouth Subdivision Operations for the seven months ending November 30, 1920—a copy of which is appended hereto—the deficit is \$27,531.63, one-half of which amount, \$13,765.81, will have to be assumed by the Town, leaving an unexpended balance of \$14,234.19.

Detailed report of operations and copy of agreement under which we are operating have been filed with the Clerk of the Selectmen.

Respectfully submitted,

COMMITTEE ON TRANSPORTATION,

A. C. Heald, Chairman,
William H. Cowing,
George E. Cuniff,
John W. Hanley.

Joseph Kelley.
Elmer E. Leonard,
Parker T. Pearson,
William L. Swan,

Stanley T. Torrey.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Weymouth, Mass., December 31, 1920.

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

During the year normal conditions have existed in my line of work. Owing to a change in the law of sealing fees my receipts were \$9.67 less than the previous year, being this year \$190.39.

Four convictions were made during the year as follows:

Peddling without License, three. Paid fines \$20.00.

Short Weight on Ice, one. Paid fine \$25.00.

During the year thirty-one Fish, Fruit and Vegetable Licenses were granted at \$10.00 each, being five more than the previous year. Also eleven Junk Licenses were granted during the year.

Once again I call your attention to the purchase of ice. I have many complaints by townspeople of short weight, who do not want to prosecute fearing they would be unable to secure the same after prosecution. That is a very poor stand to take and I can assure all that they would receive ice just the same. If you think you are not getting just weight notify me and I will do the rest.

My general work for the year for sealing is as follows:

Sealed	2445 Articles
Nonsealed	11 Articles
Condemned	29 Articles
Gasoline Pumps (public)	28
Reweighings	465
Articles correct	446
Articles incorrect	19

Respectfully submitted,

RUSSELL B. WORSTER,

Sealer.

REPORT OF COMMITTEE ON TOWN HISTORY

Weymouth, Mass., January 1, 1921.

To the Honorable Board of Selectmen of the Town of Weymouth.
Gentlemen:

The Weymouth Historical Society has had in contemplation for many years the publication of a worthy history of the town of Weymouth and has been working constantly along that line, having collected a large amount of material having to do with the settlement, the early days, and the aspirations and achievements of the second oldest town in the Commonwealth. With the tercentenary almost at hand it was thought that this was the auspicious time for the work to be completed, and accordingly an appropriation from the town was asked for and one thousand dollars was voted for the stated purpose.

The scope of the history will comprise all the known facts concerning the town since the date of settlement, also much newly discovered information which our investigations have brought to light.

The departments will comprise chapters on The Early Settlers and the Incorporation of the Town, Early Town Records, Military History, Ancient Landmarks, Ways and Places, Ecclesiastical History, Educational History, Legislation, Commercial Interests, Fire, Police and Water Departments, Botany, Agriculture and Kindred Subjects, The Geology of Weymouth, Native and Resident Lawyers and Physicians, Lodges and Societies, Century-Old Houses and People, Weymouth Folk Lore, Corner Posts and Old Time Pictures, Weymouth Music and Musicians.

Special volumes of the Genealogy of every Weymouth family from the earliest records to the middle of the nineteenth century, Weymouth men in 1678-1679, and the first Weymouth Census in 1790, and much other useful and instructive matter. It is the aim to make the books readable and interesting, and the public may rest assured that *everybody* will find *something* of interest in its pages.

The work will probably be completed in four volumes and the cost will not exceed ten dollars for the set.

All the money received for the sale of the books will revert to the treasury of the town to pay for the publication.

The edition will be a limited one and persons desirous of obtaining a copy are advised to send in their subscriptions without delay as the early orders will be distributed first.

No money will be required until the books are ready for delivery, but your order should be sent in now to either of the Selectmen or to the undersigned.

Respectfully submitted,

HOWARD H. JOY,

For the Committee.

REPORT OF PARK COMMISSIONERS

To the Board of Selectmen.

WEBB PARK.

This park has had a very successful season, and has been used daily by the boys and young men from this part of the town for baseball, and by the women and children as a recreation and rest ground.

The swings, teeter boards and bars have been enjoyed to their fullest extent. New chains have replaced the old ones that had become unsafe for further use. We had a bubbler drinking fountain installed in the park, which was much abused, and we trust that the parents of the children will instruct them to be more careful in the future, as it is the parents who pay for this malicious destruction.

To the efforts of two young men, James O'Connor and Russell Dexheimer, band concerts were given weekly, which were enjoyed by a very large number of our people. Several churches in this part of the town used the park for picnics and field days very successfully.

The one great drawback to this park is the need of a convenience station, which should have immediate attention, and an appropriation made for this purpose. The Commissioners have installed a cesspool ten feet in diameter and eight feet deep, out of their very small appropriation. It has become a nuisance and a source of annoyance to those living in the vicinity of the park, feeling obliged to open their homes to those using the park. The Commissioners feel that something should be done at once to straighten out this very important matter. A great deal of interest has been shown and a great deal of voluntary work done by the people living close to the park, and the young men who use the park.

GREAT HILL PARK

The commissioners feel that at the cost of labor and materials it would be inadvisable to start any improvement on this beautiful town property at the present time.

BEALS PARK

As suggested in the report of 1919, it was the intention of the Commissioners to make a start on a cement curbing around the unsightly pond, but we found that the people of that vicinity were unanimous in the belief that this mosquito and malaria breeding place should in some manner be filled up and grassed over. We hope to start this work this year, if our finances will permit.

This park has been extensively used as a playground, and is provided with electric lights, swings and slide, which have been kept in first class condition. The grounds and shrubbery have also been well cared for.

BAILEY GREEN.

The town voted \$500 as a special appropriation for curbing this property. After the survey was made, and grade determined, the car tracks, running parallel with the eastern boundary, as well as the surrounding street, were raised seven and one-half inches, making a new grade necessary, at a considerable expense.

The curbing was finally completed under the supervision of Mr. Whiting's office, at an expense of \$449.63, including 31½ yards of loam, purchased to bring enclosure to new grade. For itemized account see auditors' report.

LOVELL'S CORNER PLAYGROUND.

The Lovell's Corner Playground has been taken over by the town, and has been a source of much enjoyment to the people of Lovell's Corner and baseball fans from all over the town.

As soon as possible after the March meeting, the Commissioners got in touch with Mr. Burns, the owner of the land, to see if arrangements could be made for its purchase. After meeting him and finding that nothing could be done for the money appropriated, the matter was put into the hands of the town counselor, Mr. Worthen, to take the land by right of eminent domain, and was completed in June, and the Commissioners awarded him \$500 for the land, which contained about 2¾ acres, with an entrance from the street 150 feet by 15 feet wide.

The Lovell's Corner Improvement Society donated about \$100 which was spent in enlarging the summer house, 30x10 feet, and also for a back-stop for the baseball field. The town water has been put in, and a cesspool built, and a convenience station of stone started, the stone being donated by the Improvement Society. This we are hoping to finish in another year.

The playground has been in constant use during the summer, and ball games were held nearly every evening. The Odd Fellows League played six or seven games of its series, and also the championship game.

Several chain swings have been put up for the children, and nearly all the work has been given, except putting in the convenience station.

The annual Fourth of July celebration was held on the grounds, and also several field days have been held during the summer. The people appreciate the generosity of the town, and will co-operate in every way possible.

APPROPRIATIONS.

Our appropriation of \$600 is entirely too small to carry on the work of the Commission as it should be carried on. We earnestly hope that not only the Appropriation Committee, but the people of Weymouth, will realize the importance of this work. The town can spend money to no better advantage than in building up a permanent asset.

MEETINGS.

Regular monthly meetings have been held by the Commissioners to take up matters of interest, and all of the parks have been inspected by the Commissioners in a body. We well know the conditions and requirements.

FRANCIS W. REA,
JOSEPH KELLEY,
ALONZO M. NEWBERT,

Park Commissioners.

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Weymouth:

Gentlemen:—

Herewith is submitted the annual report of the Board of Health for the year ending Dec. 31, 1920.

The Board organized in March, electing G. E. Emerson, M. D., chairman, F. L. Doucett, M. D., clerk, and J. S. Williams, agent.

Geo. B. Bayley was appointed inspector of milk and dairies, also inspector of slaughtering.

Thomas Fay was granted a license to slaughter.

J. E. Ludden was appointed inspector of plumbing, and Geo. Marshall deputy inspector.

Mrs. Mary Haché was appointed public health nurse, retaining that position until May 31, when arrangements were made with the Visiting Nursing Association to have the public health carried on by Miss Dowling.

During the year there was reported 415 cases of contagious disease, as follows:—

Anterio Poliomyelitis	21
Chicken pox	39
Diphtheria	26
Epidemic cerebro spinal meningitis	2
Ophthalmia Monatorum	2
Influenza	118
Lobar pneumonia	19
Measles	97
Scarlet fever	34
Pulmonary tuberculosis	17
Whooping cough	40
	<hr/>
	415

This is the largest number of cases of contagious disease ever reported in one year. Many of these cases required hospital care, greatly increasing the expenses of the Board.

Respectfully submitted,

GEO. E. EMERSON,
F. L. DOUCETT,
JOHN S. WILLIAMS,
Board of Health.

Weymouth, Mass.

May 1st, 1920, to January 1st, 1921.

New Cases of Tuberculosis Reported to Nurse Disposition.

3 admitted to Norfolk County Sanatorium (1 died).
1 admitted to Lakeville Sanatorium.
1 waiting admission to Rutland under supervision.

Cases examined at Dispensary	5
Questionable	1
Negative	4
Total number with private physician:	
Positive tuberculosis	13
Total number of Tuberculosis cases under supervision for	
house visits	11
Number of house visits	91

Deaths from tuberculosis, 1920.....	10
Unsanitary conditions reported, 3; action taken, 2.	

REPORT OF THE INSPECTOR OF MILK AND DAIRIES.

To the Honorable Board of Health of the Town of Weymouth.

Gentlemen:—

I submit herewith my report as Milk and Dairy Inspector for the year 1920.

Permits issued150

Having received several complaints, I have obtained several samples, and the results of the analysis were satisfactory, except in one case.

Respectfully submitted,

GEO. B. BAYLEY,

Inspector.

REPORT OF INSPECTOR OF SLAUGHTERING AND SLAUGHTER HOUSES.

To the Honorable Board of Health of the Town of Weymouth.

Gentlemen:

I herewith submit my report as Inspector of Licensed Slaughter Houses for the year 1920, as follows:

Hogs	584
Calves	265
Cattle	14

Total	863
Animals condemned, 7.	

Respectfully submitted,

GEO. B. BAYLEY,

Inspector.

REPORT OF INSPECTORS OF PLUMBING.

Weymouth, Mass., Dec. 31, 1920.

To the Honorable Board of Health of the Town of Weymouth.

Gentlemen:—

We herewith submit our report for year ending December 31, 1920. There has been issued from this office 227 permits, together with two left over from 1919, of this number 228 have passed inspection and one remains unfinished for 1921.

There was installed in old and new buildings 88 bath tubs, 143 lavatories, 224 closets, 188 sinks, 64 laundry trays, (1) urinal, (1) foot bath, (1) dish washing machine, (1) drinking fountain, (3) shower baths, (1) slop sink and (1) refrigerator, making a total of 716 fixtures, the value of which was \$53,675.00.

The number of buildings in which plumbing was installed was as follows: (114) new one-family houses, (72) old one-family houses, (7) new two-family houses, (21) old two-family houses, (2) new stores, (2) old stores, (2) old school houses, (1) laundry, (2) barber shops, (1) old bake shop, (1) old storehouse, (1) new pool room, (1) new gasoline station, (1) old ice cream parlor and one old factory, making a total of 228 buildings.

Respectfully submitted,

J. E. LUDDEN,
Inspector of Plumbing.

GEO. MARSHALL,
Deputy Inspector.

REPORT OF ELECTRIC COMMITTEE

Weymouth, Dec. 31st, 1920.

To the Honorable Board of Selectmen:

The Electric Committee respectfully submit the following report.

At the Annual Town Meeting held in March, 1920, \$15,500 was raised and appropriated for electric lighting.

We have installed during the year seven 40 c. p., thirteen 80 c. p., and one 250 c. p., and with the present number of lights \$15,413.40 will have to be raised and appropriated, the committee recommend that \$16,000 be raised and appropriated to install the new lights that are called for.

Our contract with the Weymouth Light & Power Co. expires April 1st, 1922, and your committee recommend that a committee

be appointed to present a new contract at the Town Meeting in 1922.

The rebates for the year were \$185.

Respectfully submitted,

SIDNEY G. DUNBAR,
WINSLOW M. TIRRELL,
RUSSELL B. WORSTER,
WALTER W. PRATT,
MATTHEW O'DOWD,

Committee.

REPORT OF COMMITTEE FOR RELIEF OF TORNADO SUFFERERS.

To the Citizens of Weymouth:

On August 31, 1920, South Weymouth was visited by a tornado, causing considerable damage to property and suffering to some of the inhabitants. Some of the citizens of the village immediately formed a Relief Committee, comprising the following:

Fred Waite
Frank C. Torrey
Matthew Sproul
John Reidy

B. B. Wright
Louis Borlenghi
Edward Marr
Peter J. Healy

which Committee took action towards securing relief for those in need. Thereafter, a public meeting of the citizens of the town was held in the Music Hall Building, at which meeting it was voted that the Selectmen of the town appoint a Relief Committee, and on September 3, 1920, the Selectmen appointed the following Committee:

Hon. George L. Wentworth
Hon. Kenneth L. Nash
Hon. Edward W. Hunt
Frederick L. Alden
John H. Tower
Prince H. Tirrell
John F. Reardon

John Reidy
D. Frank Daley
James W. Santry
George Marshall
Matthew O'Dowd
J. Leonard Bicknell
Emerson R. Dizer

William J. Holbrook

which Committee immediately organized and commenced its duties and it found that various organizations and individuals were raising funds and collecting contributions for relief purposes. It found a marked desire upon everyone to help in this worthy cause. Various articles for household consumption, wearing apparel, etc., were donated by the local merchants.

After the Committee had made a survey of the damaged area, they in conjunction with the original Relief Committee, decided to hold a Field Day at the Agricultural Society Grounds. Tickets for the Field Day were printed and distributed to the various organizations for sale. Much credit is due to the members of St.

Francis Xavier Church, to the Knights of Columbus of East Weymouth and to the American Legion for the large number of tickets sold by them, and to the Special Aid Society for their splendid work.

The Field Day was held on September 18, 1920, at which many of the churches, societies and individuals participated with booths and attractions, and assisted in the sale of tickets, programs and scorecards, all of which services were cheerfully given. The program included horse trotting under the direction of the Old Colony Driving Club, a ball game between the Knights of Columbus and the All Stars of Weymouth and foot races, the prizes for the foot races being donated by the Stetson Shoe Company, Edwin Clapp & Son, Inc., and Weymouth Trust Company. Advertising in the local press and the printing of the programs was donated. The town officials and police and fire departments generously co-operated with the work. The merchants closed their stores and everyone joined in making the Field Day a success.

The Committee desires to thank all those who helped in this good cause.

Net amount available for relief	\$6105.66
Division of relief	\$6105.66

REPORT OF TOWN ENGINEER

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

I submit herewith my fourteenth annual report on the town survey work and also note other surveying or engineering work done during the past year.

Referring to a system of sixty-five assessors' sheets in use by the town, which is perhaps the major result of the survey and mapping of the town, the present work consists mainly in revising these sheets to April 1st (the date of assessment) of each year and obtaining new prints for the assessors from the sheets thus revised. The cost of this work is governed largely by the number of transfers (changes in ownership) during the year and is also dependent upon the cost of labor, materials and transportation. All of the items mentioned have steadily increased to date and tend to diminish the value of any fixed appropriation, the largest increase (in percentage) being in transportation; the fare between the town limits having increased from 5 cents to 35 cents.

In my report for 1918 the approximate number of transfers are given, starting with 365 in 1908 and ending with 600 in 1918; the transfers for 1919 were in excess of the estimated number, 770; while during 1920 there were about 850 recorded.

While the total amount of the appropriation asked for last year (\$1500) was recommended by the committee and granted by the town it was, due to above increase, insufficient to do all the work desirable. I should, however, not recommend any increase, but that a similar sum be tried the coming year.

It has been the custom in the past for the Board of Selectmen, through me, to sell prints of the various town survey sheets at cost and during the past year it was necessary to increase the price of these prints in order to prevent loss. The money obtained by the Selectmen from these sales was credited to the appropriation for the survey work to replace the amount used therefrom in obtaining the prints.

During the latter part of the past year, in accordance with a State law allowing, as I was informed by the town accountant, no credits, the money thus spent for prints was not replaced and the appropriation suffered to that extent.

The logical outcome of the sale of prints under past conditions, with the present law, would be to reduce (depending on the amount of the sales) the appropriation to the point of elimination, allowing either insufficient money, or none, to be used on the work for which the appropriation was made. This situation will need to be adjusted to fit the changed conditions as it would seem inadvisable to stop the sale of prints.

In addition to the revision work it is hoped to eliminate each year some of the few unidentified or undefined parcels throughout the town and we are constantly on the lookout for information toward this end.

During the past year there have been various petitions to the land court for the registration of Weymouth land, and when granted the results are entered on the assessors' sheets.

In my report for 1912 and in several subsequent reports, it was recommended that all new streets when laid out and accepted

by the town be marked by stone bounds and also that various old streets be thus made definite each year.

About 73 bounds were set in 1914, some in 1916, and a few in 1919.

This represents the extent of the work along this line and covers only a small percentage of the streets laid out within the time mentioned.

It is a matter that merits attention as the true location of a street line is in many cases of vital importance; also a permanent marker saves considerable expense to the town when the location of a street line is asked for by an abuttor or by other persons.

Hardly less important to my mind is the taking of elevations or at least the establishing of a system of benches throughout the town which was recommended in the report for 1913 and in subsequent reports.

A little done each year along either or both of the above lines would be of constant use in the various construction departments of the town, and of permanent value otherwise.

Notwithstanding the curtailment or omission of various work done previous to the war, there has been considerable routine work this year as heretofore.

In the Park department the Lovell's Corner Playground was defined and taken by eminent domain; Bailey Green was bounded by a concrete curb, set to line and grades given, and partly regraded. Various street lines have been staked out upon request to and instructions from your Board. Several plans for a hearing on various streets, petitioned to be laid out, relocated, or widened, were made; record plan and proposed street made; profile grades given for raising track and grading street; the street line used in making various land court surveys and land sought to be registered (of which notice was sent to the town) was tested to protect the interest of the town; measurement of macadam surface; a plan for use in court prepared; a plan of a parcel sold by the town; and other minor work done.

In closing I wish to express my deep regret at the retirement of Mr. Bradford Hawes, Chairman of your Board, at the end of his present term. During my association with him since 1907, most of which time he was Secretary of the Board, I have found his knowledge of town affairs, both official and otherwise, most helpful, his courtesy unfailing, and his counsel most valuable.

To the remainder of the Board and to other officials of the town I am indebted for continued confidence and courtesy, also to many others for aid to me or my assistants, and to all such I wish herewith to express my thanks.

Respectfully submitted,

RUSSELL H. WHITING,

Civil Engineer.

WEYMOUTH FIRE DEPARTMENT

North Weymouth, Mass., Jan. 9th, 1921.

Chairman, Board Selectmen:

Enclosed you will find a report of the Fire Engineers, also a report of the Superintendent of Fire Alarms, in his report he wants more money, which is needed as the line is badly in need of repair, as I have been over it with him.

Money needed for Fire Department for 1921. I recommend:	
For Salaries	\$10,000.00
For General Use and Repairs	10,000.00
Total	<u>\$20,000.00</u>

Respectfully yours,

PHILIP W. WOLFE,

*Chief Engineer,**Weymouth Fire Department.*

REPORT OF FIRE ENGINEERS

To the Honorable Board of Selectmen:

The fire engineers respectfully submit the following report for the year ending Dec. 31st, 1920. The present board assumed control May 1st, 1920, and organized as follows: Philip W. Wolfe, Chief, John Q. Hunt, Clerk, Walter W. Pratt, James Carley and Henry W. Phillips, District Chiefs.

Houses and Fire Trucks

Engine houses are in fair condition for old houses. Repairs have been made on Combination 5 house. We had the towers removed at South Weymouth and Nash's Corner. Nash's Corner house has been repaired and shingled, which was badly needed, and it now needs painting. Also Combination 2 and Combination 3 houses have had minor repairs; Combination 1 house needs shingling. Fire trucks are in good condition at present. Combination 2 has caused a lot of trouble the past year, Combination 5 has had some repairs, Combinations 1 and 3 have had very little trouble. So by having repairs on fire trucks, new rubber tires on Ladder No. 2 and more pay to callmen per hour, we have been obliged to overdraw our appropriation, which has been an emergency to keep the Fire Department up to the best.

Value of Buildings Where Fire Occurred

Value of buildings where fire occurred	\$36,100.00
Damage to buildings where fire occurred	11,038.00
Value of contents where fire occurred	10,050.00
Damage to contents where fire occurred	4,184.00

*Number of Bell Alarms and Telephone Calls in each ward from
January 1st, 1920, to January 1st, 1921.*

Total Calls, 187	Bell Alarms, 70	Telephone Calls, 117
Ward One	Bell Alarms, 15	Telephone Calls, 18
Ward Two	Bell Alarms, 20	Telephone Calls, 40
Ward Three	Bell Alarms, 15	Telephone Calls, 32
Ward Five	Bell Alarms, 21	Telephone Calls, 27
Combination No. 2, Ladder Truck		21 alarms.

In giving in our report we wish to thank all our callmen and chauffeurs for the good work rendered the past year, also the Honorable Board of Selectmen.

Respectfully yours,

PHILIP W. WOLFE, *Chief*,
JOHN Q. HUNT,
HENRY W. PHILLIPS,
J. A. CARLEY,
WALTER W. PRATT,

Fire Engineers.

REPORT OF SUPERINTENDENT OF FIRE ALARM SYSTEM

To the Board of Engineers, Weymouth Fire Department:

The following report of your fire alarm system is respectfully submitted. The entire system is at present in good working order, but not dependable. The past year has been a hard one for our wires, owing to tree conditions, heavy storms, and gales. Then again there are miles and miles of wire which are thirty or more years old and therefore nearly rusted out.

I am given to understand that each year a certain amount of new wire is installed and it is well at this time to recommend a still larger installation as experience shows that this year the breaks are becoming more frequent.

There are sections in each circuit of the system which should be rebuilt this coming year. This of course meaning a larger appropriation and to show you how imperative this is let us review the expense of the system in 1920. The appropriation was \$400.00 and it has been necessary to use \$765.00 to keep the fire alarm in working order for the year.

The balance of the expenditure has been freely advanced by the Board of Engineers, thereby reducing their appropriation. And yet it was all needed work and much more is needed to put your fire alarm system in dependable condition. New wire and cross arms should be purchased and installed at once. This would need an appropriation of at least \$1,000.00 for the next year and as much for each year of 1922-1923-1924.

Yours respectfully,

H. G. JERMYN,

Superintendent Fire Alarm.

REPORT OF THE REGISTRARS OF VOTERS

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

The Registrars of Voters respectfully submit the following report:

Number of voters at the close of registration Oct. 23, 1920, .. 5367

By Precincts	Assessed Polls	Registered Voters		
		Male	Female	Total
1	821	584	324	908
2	701	530	272	802
3	873	662	370	1032
4	504	415	240	655
5	865	644	457	1,101
6	773	552	317	869
	<hr/> 4537	<hr/> 3387	<hr/> 1980	<hr/> 5367

Respectfully submitted,

BENJAMIN F. SMITH, *Chairman*,
CLAYTON B. MERCHANT, *Clerk*,
MARSHALL P. SPRAGUE,
PATRICK E. CORRIDAN,

Registrars of Voters.

REPORT OF THE SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my fifth annual report of the Street Department for the year ending December 31, 1920.

It may be of interest to make a brief summary of the work accomplished and the improvements obtained during the past five years. A very decided advancement has been made in the matter of equipment, which is the foundation of any street department. Five years ago the inventory of equipment showed a valuation of about \$4,000.00, today the valuation is over \$20,000.00 and the department has a fine set of buildings to properly care and house it.

Up to 1915 permanent paving was confined to short stretches here and there with a total yardage of less than 9,000 sq. yards, while we now have over 40,000 square yards. Marked improvement in our streets has been accomplished by the continued and extensive use of Tarvia B in preference to the light oils originally used.

Many poor gravel roads have been put in very good condition chiefly by using Tarvia continuously. We now have about 35 miles of streets so treated.

Two wooden bridges have been replaced by concrete ones so that now we have no wooden bridges to maintain.

The enormous increase in automobile and truck traffic has caused a marked change in road construction; methods that were considered adequate five years ago have proven unsatisfactory for the present day heavy traffic, necessitating heavier and better con-

struction, therefore the cost has increased from ten to fifteen thousand dollars a mile to thirty to fifty thousand dollars and there seems to be but little chance of these figures being materially lowered, even if the price of labor does come down, as the traffic is increasing each year and heavier loads carried. The problem of constructing roads to carry pleasure cars is not as serious as that of providing roads for trucks weighing ten to fifteen tons, and if legislation is not passed to limit weight and speed of trucks the cost of roads in the smaller towns will be a very heavy burden.

Another item of expense that is bound to increase, due primarily to truck traffic, is that of snow removal. Up to a few years ago this was a matter to which practically no attention was paid, but today it is a question that has got to be met and I am pleased to say that Weymouth was one of the first towns in the state to tackle this new problem and received much favorable comment for the manner in which the work was done last winter.

One other decided increase of expense has been that of labor and teams. Five years ago day labor was receiving \$2.50 per day and teams \$6.00, as compared to \$4.50 a day for labor and \$9.50 for teams, the price of today.

Permanent Construction

More permanent pavement has been laid in Weymouth this past year than ever before and the worst pieces of our main roads rebuilt. The policy of expending \$20,000.00 a year for this work by bond issue was continued and approximately 10,000 square yards of asphalt concrete surface was laid on Broad street, from a point opposite Clapp avenue, to the northwest corner of Clapp Memorial Field, a distance of 5,018 lineal feet. This work was contracted to Thomas & Murphy, the contractors who did similar work the previous season at Weymouth Landing and which has proven most satisfactory. A change was made in the 1919 specification, increasing the wearing surface from two to three inches in thickness and eliminating the stone base except where clay or spongy material was present, as it was felt that the foundation of Broad street, except in two or three places, was sufficiently good. Time alone will tell if this was the best judgment, but my opinion is that to withstand the weight of heavy trucks more care and money has got to be put into the foundation and that you are taking a decided chance by eliminating the stone foundation on streets that are subjected to much heavy truck traffic. That portion of Broad street between Spring and Essex was excavated eight inches and stone foundation laid, as the foundation was of poor material and the drainage bad. Broad street now is in excellent condition and should last for a number of years.

Union street from a point about six hundred feet north of Central street and extending southerly towards Rockland for a distance of 2,808 feet, was constructed under the Acts of 1913, Chap. 719, as amended by Act of 1914, whereby the state, county and town contributed equally. This work was done under State specifications and a contract made with the State which called for the construction of 2,790 lineal feet of road twenty feet wide for \$15,000.00

This work was done by the town and the total area exceeded, as the road was made twenty-four feet wide at one curve and the length slightly extended beyond the point called for by the State. Specifications called for excavating the entire road sixteen inches

deep, making a stone fill of twelve inches, stone not exceeding eight inches in diameter, upon which was spread four inches of crushed stone in two courses, the top course being penetrated with one and one-half gallons of Tarvia X to the square yard, covered with a light coat of No. 2 stone and sealed with one-half gallon of Tarvia X to the square yard, on which was spread pea stone. This portion of Union street was selected as being the worst part in the spring of the year, but the remaining portion to the Rockland line, a distance of about 3,500 feet, should be constructed next year if similar aid can be secured from the state and county, as Union street gets a lot of through travel, and is an expensive street to maintain unless properly constructed.

A portion of Pleasant street between No. 317 and 411, a distance of 1,242 feet, covering 3,422 square yards, was resurfaced with four inches of crushed stone and penetrated with about two gallons of Tarvia X. The abandoned car tracks were covered over and the road made wider. This short piece was selected for surfacing as it breaks up badly in the spring. Six hundred and thirty-one tons of crushed stone were used on this job and the total cost of the work \$2,890.47, making the cost per square yard about \$.85, which is low for this type of work.

This work was prolonged due to the breaking of a derrick at the Plymouth quarries where we get our stone for crushing, also due to the fact that the road had to be built half at a time.

Oiling

This work was done in much the same manner as in the previous two years, our own distributor applying the Tarvia. The area covered this year was considerably in excess of that of 1919, although less material was used. This can be accounted for by the fact that a number of streets that have received several previous applications did not require treatment this year and that a less quantity to the square yard was used on many streets that have had three yearly applications.

76, 161 gallons of Tarvia B and 10,110 gallons of dust-laying Tarvia were used this year. There are several streets on which it would be advisable to put Tarvia that have never received it due to the amount of money available for this work.

Department Buildings and Equipment

The Department buildings on Commercial street are in very good condition. The principal item of expense the past year was \$314.00 for roofing. Minor repairs were made to the rear barn and several sashes replaced in the main building and certain changes made in the wiring. Outside of painting the buildings should need but little done to them this coming year.

Considerable additional equipment was purchased this year and all of the old machinery overhauled and painted.

A new Netco two and one-half ton truck was bought for \$4,200.00 and has given excellent satisfaction, the only expense for new parts being for a new fan belt.

At the crusher a new seventy-five ton bin was constructed and the worn-out screen and elevator replaced by new ones of larger size. The fifteen horse-power motor used to run the old crusher was not large enough and a twenty-five horse-power motor was purchased for this purpose and a new motor house built, so that

the town has a practically new plant throughout and if properly taken care of should last several years. A small sized Wonder concrete mixer for mixing cold patch (tar and pea stone) was purchased, and has more than paid for itself in one season's use. Another valuable addition to the department was the purchase of an Austin Wagon loader. This machine is self feeding and can be moved about under its own power and will load a two-yard truck with crushed stone or gravel in less than five minutes. The price of this machine when we bought it was \$2,850.00, but since then the price has advanced to \$3,500.00. A new Champion snow plow attachment for the new truck was procured and with our two trucks equipped with these plows the question of keeping roads open during the winter is a much simpler matter than formerly. The Ford truck used by the Superintendent was exchanged for a new one. The sidewalk plows were all brought in and painted and repaired during the summer. The old ten-ton road roller was but little used this past year and I would advise that nothing be done with it this coming year as I believe it would be better to let it set until the prices on new machines drop and then trade it in for a tandem or sidewalk roller, as its condition does not warrant the expense of repairs that are necessary. I also believe it would be advisable to trade in the old Necto truck, or else use it for oiling purposes only, as it has now been used practically all the time for four years and has reached the point where the item of repairs is getting larger each season.

This truck has given the town excellent service and has paid for itself in the one item of oiling, to say nothing of the other work it has done.

Snow

When future generations read that it cost the town nearly \$28,000.00 to care for snow during the year 1920 they will know that there was some snow, but the conditions last winter are so vivid in the minds of most of us that it is hardly worth while to go into details. Up to the big storm that began February 5th, we had the name of having the best taken care of streets of any town around due to the fine work of the snow plow attachment on front of our truck, and I believe that had we had two trucks equipped with plows we would have kept considerable of our main roads open even during the big storm. This storm was not exceptional in the amount of snow that fell, but it drifted badly and then turned to rain and hail, which formed a crust about three inches thick, making it impossible to break out the roads with teams. This crust was so hard that horses could almost walk on it without breaking through and after trying all sorts of methods it became necessary to send men ahead with axes and chop through this crust before teams could be used to advantage. Scarcity of labor and the emergency (and it was a real emergency, as there was much sickness in town and many families were without fuel) made it necessary to pay high prices for teams and labor to get the roads opened as soon as possible. Little attempt was made to clear sidewalks as it was a question of getting the roads passable so that the people could get supplies and the necessities of life. The week following the storm the street department payroll had 585 names on it and the amount paid was about \$12,000.00. The average cost of snow removal is about \$3,000.00 a year, so some idea of what we were up against can be obtained. Like all emergencies more or less money

was wasted and many joined the shovel brigade to do as little as possible and get as much money as they could.

The several freight yards were shoveled out by the town men and this work paid for by the railroads. Help was also given the electric roads, but the task was so great that this work was finally given up.

Although the conditions caused by this storm were the worst ever recorded the number of complaints received was exceptionally small, as the public realized that everything was done that could be done and many suggestions were offered that showed the proper spirit.

Crusher

The results obtained this past year by operating the crusher show that it has been a most economical operation for the town. 2,839 tons of stone were produced at a cost of \$3,176.00, making the cost per ton \$1.12. The price of stone delivered in Weymouth would have been \$3.50 per ton delivered to the job.

Not only has there been a decided saving in cost but we were able to get stone whenever we needed it and the money kept in town.

With the new bins, elevator, screen and motor that were installed this year the town is in a fine position to produce crushed stone at a low figure, as the plant is now practically new and of larger capacity. This plant is located at the Plymouth Quarries and granite grout used for crushing.

Stone produced was used as follows: Union street, 1,421 tons; Pleasant street, 631 tons; surfacing sidewalks, 236½ tons; general repairs, 226 tons; Thomas & Murphy for Broad street, 228 tons, and 96½ tons to various individuals.

The cost of operating this plant is not shown in the summary of the department's work, as the amount of stone is charged to each job at the cost of production.

General Repairs and Maintenance

The condition of our roads last spring after the frost came out was bad and required more work than usual to get them shaped up. The scarcity of labor, also, held up work early in the season, although this was counteracted later by the purchase of a new truck and mixer for getting out patching material. Patching was done continually throughout the season with tar compound and crushed stone and good results obtained.

Considerable work resurfacing gravel sidewalks with stone dust was done and this work should be greatly extended, as many of our gravel walks are in poor shape and need resurfacing badly. The sidewalk on Commercial street from Tufts Crossing to Church street was reshaped and surfaced with stone dust and paid for from the Tufts Fund.

The usual amount of work was done scraping and cleaning streets. Considerable work was done on drains and catch basins. In many places corrugated iron pipe was substituted for akron pipe where the drain was near the surface and apt to be broken through.

In Columbian Square part of the discontinued car track was ripped up and the used track raised eight inches in the center of the square. Part of the square was then regraded to conform with the tracks. Gravel was used for this work and then given a coat

of Taryia B, as no funds were available for a more permanent form of construction, which will be required soon.

A considerable portion of the car track on Pleasant street was covered with gravel excavated in the construction of Union street. Parts of Central and White streets were resurfaced and minor repairs made to a number of streets from material obtained in the construction of Union street.

Birchbrow Avenue and Lakewood Road

Five hundred dollars was appropriated to complete Birchbrow Avenue. The road was completed and a sidewalk constructed the entire length on the west side.

Two hundred dollars was appropriated for a sidewalk on Lakewood Road, and was sufficient to construct gravel walks on both sides with a stone dust surface.

Recommendations

I would strongly urge continuing the policy of borrowing \$20,000.00 by bond issue for permanent construction and that the work be done this year on North street from Bridge street southerly, as this street to the Weymouth Heights depot is one of our heavy traveled roads and contains several bad stretches. The amount of outstanding bonds at present is comparatively small, which makes this method of financing especially desirable. \$5,000.00 should be appropriated to complete Union street to the Rockland line if the same amount can be obtained from the State and County and I believe that the State and County are willing to each contribute \$5,000 for this much used street.

At least \$18,000.00 should be used for street oiling, as there are several streets where it would be economy for the town to oil that have never been done due to the size of the appropriation. More money should be spent on our sidewalks and a certain amount of permanent walks constructed each year.

The Necto truck purchased four years ago should be replaced by a new one or else used only for oiling work as I do not believe it good policy to operate any truck much over four years.

A certain sum of money should be appropriated to enable the department to sell material and do certain work for individuals, as a law passed last year says that all money received by a department shall go into the general fund of the treasury rather than as a credit to that department. This means that if someone wants a load of crushed stone or their driveway tarred we will be obliged to turn the matter down unless a sum of money is appropriated for this purpose.

The matter of acquiring sand or gravel pits is one that should be looked into, as the supply is getting less each year.

I would also recommend that the Eastern Massachusetts Street Railroad be requested to remove discontinued car tracks in the various streets of the town.

SUMMARY OF EXPENDITURES.

	1920 Budget Estimate	Amount Expended
Superintendent's salary	\$2,500.00	*\$1,653.36
General repairs and maintenance	11,000.00	13,674.56
Maintenance of trucks	1,300.00	1,906.28
Signs and fences	700.00	496.24
Street cleaning	4,000.00	3,514.12
Equipment and supplies	1,500.00	1,665.95
New elevator, screens and bins for crusher	1,500.00	1,842.04
New Netco truck	4,200.00	4,200.00
Mixer	350.00	434.93
Exchange on Ford truck	450.00	450.00
Fore River Bridge	1,200.00	1,100.00
Gravel sidewalks	1,000.00	814.75
Maintenance of Dept. building	500.00	825.76
Clean-up day	200.00	70.01
Drains and catch basins	1,200.00	2,330.61
Snow removal	25,000.00	*28,993.32
Sundries		148.25
Oiling	15,000.00	17,818.27
Wagon loader		1,500.00
Pleasant St. macadam		2,890.47
Regular appropriation	\$71,600.00	
Credit received and special appropriation	14,730.49	
Total receipts	\$86,330.49	
Total amount expended		\$86,328.91

SPECIAL APPROPRIATIONS.

Permanent construction	\$20,189.54	\$20,189.54
Received from State & County for Union St.	10,000.00	
Union Street macadam	5,000.00	15,000.00
Birchbrow Ave.	500.00	500.00
Lakewood Rd.	200.00	200.00
Total receipts	\$122,220.03	
Total expenditures		\$122,218.45
Balance to treasury		1.58
		\$122,220.03

Note * The balance of the Supt.'s salary was paid from the Union street appropriation.

Note * \$1041.22 was received from N. Y., N. H. & H. R. R. for snow work done at the various freight yards so that the real cost of snow was \$27,952.10.

Note * Cost of operating crusher \$3176.00 not shown in the above summary as the stone was charged to each job on which it was used.

Respectfully submitted,
IRVING E. JOHNSON,
Superintendent of Streets.

RESOLUTIONS ON THE DEATH OF ALBERT PARKER
WORTHEN

Voted: To adopt the following resolutions on the death of Albert Parker Worthen, who was Town Counsel for nineteen years.

Whereas: In the Divine Providence, our esteemed co-worker and beloved friend, Albert P. Worthen, has been called away from his earthly labors and companionships, and

Whereas: During our long association with the deceased we have found him to be at all times governed by the highest order of civic virtue, and professional integrity, and

Whereas: The loss of his wise counsels and friendly helpfulness will be deeply felt by those with whom he has for many years been associated in public affairs: therefore be it

Resolved: That we hereby express our high appreciation of the valuable services which have been rendered to the town by the departed, which services were always cheerfully given, often at the sacrifice of his own interests

Resolved: That we hereby tender our heartfelt sympathy to the family of the deceased, who, though interested in all that tended to contribute to the public welfare found his greatest joys in the home life

Resolved: That these resolutions be spread upon the records of the Selectmen and a copy of the same forwarded to the family of the deceased.

BRADFORD HAWES,
WILLIAM H. COWING,
GEORGE L. NEWTON,
FREDERICK HUMPHREY,
ALFRED W. HASTINGS,
Selectmen of Weymouth.

INFORMATION.

The library is for the use of all residents of Weymouth.
Temporary residents are entitled to the same privileges as permanent residents.

The library is open every day excepting Sundays, Legal holidays, and June 17th.

Library hours: 2 to 8 p. m. daily, except Wednesday,
2 to 5 p. m., and Saturday, 2 to 9 p. m.

Summer hours: July and August, 2 to 6 p. m.; Wednesday and Saturday as above.

Two cards are issued to each borrower over twelve years of age; a white card for general use and a green special card for non-fiction, including magazines and music scores.

A white card is given to each child between nine and twelve years of age if the application is signed by a trustee of the library.

Teachers and students are given cards which permit the taking of ten or more books, other than adult fiction, for twenty-eight days.

The vacation privilege allows a borrower to take several books, not recent publications, for an extended time.

All books from the circulating department, even the new fiction, may be kept for fourteen days. Recent numbers of magazines are limited to seven days with no renewal.

A book cannot be transferred from one card to another, but may be renewed at the library, by mail, or by telephone, unless stamped THIS BOOK CANNOT BE RENEWED. The shelf number or title of the book and the borrower's name should be stated when the request for renewal is made.

A fine of two cents a day will be incurred for each day's detention of a book after it is due. When a book is sent for by the librarian it will be at the expense of the borrower.

Signs and abbreviations used in the booklists:

- R Reference.
- † Gift.
- * Not loaned without permission.
- j Juvenile.

Cases of contagious diseases are reported to the library by the Board of Health and all books which have been exposed to contagion are burned.

For the convenience of residents living in different parts of the town, books are exchanged through the delivery stations once a week as follows:

Lovell's Corner,	W. W. Pratt	Tuesday
South Weymouth,	Fogg Memorial Library	Tuesday
South Weymouth,	Marshall P. Sprague	Tuesday
East Weymouth	Edwin E. Merchant	Wednesday
Weymouth Center,	Bates & Humphrey	Wednesday
North Weymouth	H. O. Collyer	Friday
Weymouth Heights,	W. J. Sladen	Friday

Applications for borrowers' cards may be made, and class lists may be consulted or purchased at the Delivery Stations, as well as at the Library.

The set of six Class Lists, which form a complete printed catalogue of the library, from 1879 to 1917, can be purchased for fifty cents.

Books purchased since 1917 are listed in the annual Town reports published since that date. New books, when ready for circulation, are listed in the Weymouth Gazette and Transcript.

‡Telephone, Weymouth 989-W.

REPORT OF THE TRUSTEES OF THE TUFTS LIBRARY

The forty-second annual report of the Board of Trustees of the Tufts Library is respectfully submitted as follows:

The library was open 303 days during the year, with a circulation of 59,159 volumes, a daily average of 195+; of this number, 26,011 volumes circulated through the delivery stations and the schools. The largest number issued on any day was 594 on December 31, and the smallest number was 50, on July 1, and also on August 5. Other statistics are given in Appendix A.

The circulation was somewhat less than that of last year. This was due largely to the severe snow storm in February. The library was kept open throughout the night of Feb. 5, at the request of the Selectmen, for the accommodation of those persons who were detained on trains which had been stalled by the deep snow. For a few days the roads were impassable, and for several weeks the transportation of books to and from the delivery stations at North and South Weymouth could not be resumed under normal conditions.

Work with the schools was continued by placing, as heretofore, collections of books in 7 school buildings. A few books were lent to 1 Sunday school, during the early part of the year. The records show that 7955 books have circulated through these schools. On the Teacher's special cards 26 teachers borrowed 575 books. Several of these teachers, although residents of Weymouth, hold positions in the neighboring cities and towns. It would be gratifying if more of the teachers in the Weymouth schools would make freer use of the books which the library contains on educational topics.

During the year 76 Student's cards were issued, upon which 1,219 volumes were lent. Vacation cards were given to eight borrowers, and by this privilege 419 books were circulated.

The applications for borrowers' cards, since the beginning of the third registration in 1909, number 5645; 507 of these were made in 1920, which is 77 more than in the previous year. Many of these new borrowers are children under twelve years of age. It is a pleasure to note that some of the teachers have encouraged their pupils to secure cards.

The statistics show that 95 books were lost; 5 of which were paid for by the borrowers; 33 books were burned on account of contagious diseases; 200 books were discarded because they were unfit for further circulation; one book previously reported lost was found. Many of the books here reported lost have been missing for two or more years from school collections.

The trustees wish to express their appreciation of the assist-

ance given to the library, by the Police Department, in recovering overdue books from the borrowers, and also in collecting fines. Several books have been brought back to the library, through the efforts of members of the Department, which otherwise might never have been returned.

The total number of accessions at the close of the year was 37,243, of which 1,314, including 165 replacements, 319 gifts, and 38 bound periodicals, were added in 1920. There were 475 volumes rebound.

The books added to the library in 1920, with the exception of duplicates, replacements, and gifts are listed in this report. Books purchased from the Special funds are listed in Appendix B; and books purchased from the General fund, in Appendix C. The collection of books bequeathed to the library by the will of the late William H. Pratt, of East Weymouth, was reported as the largest gift of 1919. As the books were not accessioned and numbered until this year, they are listed here, in Appendix D. The Music collection was enriched by more than seventy-five volumes, which are listed in the Susannah Hunt Stetson fund, in Appendix B.

The following additions were made to the reference department: American ephemeris and nautical almanac, 1920; American year book for 1919; Bouvier's law dictionary and concise encyclopedia, third revision (being the eighth edition) by Francis Rawle; Children's catalog of thirty-five hundred books, comp. by Corinne Bacon; Encyclopædia Britannica, 11th ed. 29 v.; †Encyclopaedia of Methodism, ed. by Matthew Simpson; Hazell annual and almanack, 1920; Handy book of literary curiosities, by W. S. Walsh; Home book of verse, comp. by B. E. Stevenson; Massachusetts—Journal of the House of Representatives, 1919, 1920, Extra session, 1919; Journal of the Senate, 1919, 1920, Extra session, 1919; Manual of the General Court, 1920; General acts, 1919; Special acts and resolves, 1919; —New international year book for 1919, ed. by F. M. Colby; New words self-defined, by C. A. Smith; †Norfolk County, Mass., containing life sketches of leading citizens of Norfolk County, Mass., 1898; Place names in the European war zone, pub. by Rand, McNally & Co.; St. Nicholas, Index, v. 1-45, comp. by A. L. Guthrie; Statesman's year-book, 1920; U. S. Catalog supplement, Books published, 1912-1917; Who's who in America, v. 11, 1920-1921; World almanac and encyclopedia, 1920.

The members of the Book Committee were pleased to be able to purchase the 11th edition of the Encyclopaedia Britannica, which is the most valuable addition to the reference department, in 1920. They were also pleased to be able to obtain 42 volumes of St. Nicholas, to replace the sets which constant use had rendered totally unfit for further circulation. The value of this set is indicated by the recent publication of an Index to St. Nicholas, volumes 1-45; comp. by A. L. Guthrie. This index has been added to the reference department.

The list of periodicals for 1921 is given in Appendix E. A few of the periodicals, which are given to the library in past years, have been discontinued. The periodicals added by subscription are as follows: The American city; Annals of the American academy of political and social science; Asia; Current events; Elementary school journal; Inland printer; Mentor; Mother's magazine; Motor; National educational association, Bulletin; Play-

ground; Saturday evening post; Touchstone; and Travel. The Colorado sky; National Catholic welfare council, Bulletin; and the Open road are presented to the library.

Collections of pictures, from the Library Art Club have been exhibited in the Reading Room as follows: French pastellists of the eighteenth century; The Western front, Pt.1.; Uniforms of the United States army, 1775-1918; Pictures in Buckingham Palace and Windsor Castle, Pt. X., English school, 19th century; Masters of color, Pt. 1., French and Belgian; Pictures in Buckingham Palace and Windsor Castle, Pt. IX., English school, Gainsborough and Lawrence; Advertising posters, designed by Edward Penfield; Great War in Europe, No. 15, Zeebrugge and Ostend and the surrender of the German fleet; Monsters of the microscope; National parks; English book illustrators; Kindergarten lithographs; Masters of color, Pt. II., Dutch, Swiss, Spanish, Italian and Greek; Fragments from France, by Captain Bruce Bairnsfather.

The gifts of the year include publications from the State and Federal governments; books, pamphlets and periodicals from individuals and societies; and annual reports, bulletins and other publications from libraries, colleges, and universities. Mrs. Mary Fifield King presented papers and pictures of historical value to the Fifield Collection.

The Trustees take this opportunity to acknowledge these gifts, and to thank the donors, whose names are listed in Appendix F.

The enthusiasm occasioned by the celebration of the tercentenary of the settlement at Plymouth, together with the interest manifested in the approaching tercentenary of the settlement at Weymouth have caused the books on these subjects to be in constant demand. Interest in education, aroused by the war, has created also an unusual demand for books on technical, industrial, and political subjects. It is the aim of the Trustees to purchase as many books in these classes as the appropriation will allow. It is hoped that the citizens of the town will co-operate with the Trustees in this purpose by suggesting the purchase of such new books as their special lines of study may require, and also by using the books already provided. Because of the increased appropriation, a greater number of volumes were purchased this year than in previous years, notwithstanding the advance in prices.

Since April 8, 1919, the book shelves in the stackroom have been open to adults and to children of high school age. Pupils in the grades below the high school, if trustworthy, are given permission to enter the stackroom, when it is advisable for them to do so. This privilege is so much appreciated by the majority of the school children that only a few of them have been deprived of it, because of misconduct.

The librarian and her assistants continue to work at a great disadvantage, during the busiest hours, because the small table used as a temporary charging desk, is so inadequate. It is expected that a suitable, new charging desk—an indispensable piece of library furniture, such as is used in most modern libraries—will be installed in the coming year, if the funds permit.

A request for a deposit of books in the Pratt Schoolhouse at Lovell's Corner, was received in 1920, but as yet the Trustees have taken no action. The advisability of establishing a Branch of the Tufts Library at East Weymouth, is still under considera-

tion. As stated last year, an annual appropriation would be necessary for the maintenance of such a branch. To those who appreciate what library privileges are worth to the citizens of a town, and especially to children, it would seem impossible to spend the money to greater advantage. In 1919, Brockton had 2 branches, Brookline 5, Milton 3, Newton 7, and Quincy, with 4 branches, was considering additional ones. The need of a children's room at the library was shown on many afternoons during the year, when the seating capacity at the children's table was inadequate.

The increase in appropriation, besides allowing more books to be purchased than in previous years, as mentioned above, enabled the Trustees to begin the much needed repairs. The chairs and tables, in the library itself, were repaired and refinished, and some of the woodwork in the library and in other parts of the building was done over. Other repairs were made in the rooms rented to the Weymouth Post Office. An electric pump has been purchased for the basement. This pump will take care of the water, which during heavy rains and spring freshets floods the engine room, and which, by extinguishing the fire, has caused the closing of the library several times in recent years.

If the library budget for 1921 meets with as generous a response from the Town Appropriation Committee as that of 1920, the Trustees will be able to continue the work on repairs already begun, and to reach out toward a larger field of service.

CLARANCE P. WHITTLE,

By order and in behalf of the Trustees.

TOWN ACCOUNTANT'S REPORT

This chart represents how the money raised by taxation was spent in the year 1920 and shows the proportionate part of each dollar expended for the purposes specified.

EMERSON R. DIZER,
Town Accountant.

REPORT OF THE TOWN ACCOUNTANT.

East Weymouth, Massachusetts,
January 1, 1921.

To the Board of Selectmen and Overseers of the Poor:

Gentlemen:—The nineteenth annual report of the Town Accounting Department is herewith submitted, showing in detail the expenditures of the Town during the past year.

Respectfully,

EMERSON R. DIZER,
Town Accountant.

EXPENDITURES IN DETAIL FOR 1920.

-------------------	--	--------------------

Respectfully submitted,

JOHN H. STETSON,
Treasurer.

I have examined the accounts of John H. Stetson, Treasurer, and find them correct.

FRANK E. LOUD,
Auditor.

January 1, 1921.

AUDITOR'S REPORT.

The Auditor's report for the year ending Dec. 31, 1920, is as follows:

The books and accounts of the Town Treasurer, Treasurer of Water Loan and Sinking Fund Commissioners, Beals Park Fund, Joseph E. Trask Fund, The Tirrell Donation, Susannah Hunt Stetson Fund and the James Humphrey Schoolhouse Sinking Fund have been examined and found correct and all investments as stated.

The Tufts Library account, Tufts Lecture Fund, Pratt School Fund, Augustus J. Richards Fund, Tufts Sidewalk Fund and Laban Pratt Fund, have been examined and investments found satisfactory.

The register of the Town Accountant and the cash book of the Town Treasurer agree as to amounts of the orders paid and balance of orders unpaid Jan. 1, 1921.

Balance of orders unpaid Jan. 1, 1920	\$9,359.89
Amount of orders drawn during year 1920	841,577.99
Total	850,937.88
Less amount of orders paid in 1920	836,878.26
Balance of orders unpaid Jan. 1, 1921	\$14,059.62

SEALER OF WEIGHTS AND MEASURES.

The accounts of the Sealer of Weights and Measures have been examined and appear as follows:

Charges and fees received by R. B. Worster	190.39
Cash paid to treasurer	190.39

TAX COLLECTOR.

	Commitment	Int. collected	Total collection with abatements	Balance due Jan. 1, 1921
1913	\$221,501.44	\$3,611.17	\$225,071.20	41.41
1914	240,978.72	4,480.60	245,404.75	54.57
1916	294,422.42	4,904.94	299,203.56	123.80
1917	281,254.50	5,739.32	286,993.82	no balance
1918	297,377.19	4,626.14	298,899.19	3,104.14
1919	315,439.53	2,224.26	294,269.35	23,394.44
1920	466,994.07			
Add adjustments	12.00 7.80			
	<u>467,013.87</u>	<u>182.38</u>	<u>339,669.47</u>	<u>127,526.78</u>

Mr. Bearce has paid to the Treasurer \$252.45 more than is shown on his collection entries.

TOWN DEBT.

Total town debt Jan. 1, 1920	\$119,930.22
Borrowed during year in anticipation of taxes	350,000.00
Other Notes	20,000.00
	<hr/>
	489,930.22
Paid notes given in anticipation of taxes	250,000.00
Other notes and bonds	22,500.00
	<hr/>

WATER COMMISSIONER'S REPORT

JANUARY 1, 1921.

The Board organized on March 15th by the election of Frank H. Torrey as Chairman; George E. Bicknell, Clerk; and John H. Stetson, Treasurer.

The following appointments were made for the ensuing year:— Superintendent, Fred O. Stevens; Engineer at Pumping Station, George W. Sargent; Registrar and Collector, George E. Bicknell. At a joint meeting with the Selectmen, Emerson R. Dizer was appointed Town Accountant.

The Water Department has been subjected to the heavy increases in cost which all industries have suffered, and which have been unusually severe the past six months. The income for the past year was barely sufficient to meet these costs. The Board hopes that the rates which have been in effect for the last three years will be sufficient to meet the requirements the coming year but it must be borne in mind that the only source of revenue to meet our expenses must come from our water consumers and unless costs are materially reduced this rate may not be sufficient.

We ask authority to sell up to \$10,000.00 bonds for new construction or extension. Also request the following appropriation from our income of the coming year:

Supt. Maintenance & Pumping Station	\$32,000.00
Commissioners, Office & Current Expenses	4,500.00
New Service, Minor Extensions & Meter Installation	5,000.00
Principal on Serial Bonds due 1921	7,500.00
Interest on Sinking Fund 4% bonds	600.00
Interest on Serial 4½% bonds, due 1921	3,082.50
Interest on Serial 4% bonds due 1921	430.00
	<hr/>
	\$53,112.50

FRANK H. TORREY,
GEORGE E. BICKNELL,
GEORGE W. PERRY,
JOHN H. STETSON,
BRADFORD HAWES,

Water Commissioners.

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners:

The following tables and summaries, covering in detail the work of the department for year ending Dec. 31, 1920, are respectfully submitted.

FRED O. STEVENS,
Superintendent.

SUMMARY OF STATISTICS.

Year ending December 31, 1920.

In form recommended by New England Waterworks Association.

Weymouth Waterworks, Weymouth, Mass.

GENERAL STATISTICS.

Population 1920: Winter, 15,057; Summer, 18,168.*

Date of construction: 1885.

By whom owned: Town of Weymouth.

Source of supply: Weymouth Great Pond.

Mode of supply: Pumping to reservoir and gravity.

Capacity of reservoir: 700,000 gallons.

PUMPING STATION

1. Pumping machinery.

(a) Duplex Compound Pumping Engine. Geo. F. Blake, Mfg. Co.

(b) Duplex Compound Pumping Engine. Dean Steam Pump Works.

(c) Electrically driven Centrifugal Pumps. Worthington Pump & Machinery Corp.

Capacity of Pumps

(a) 1,500,000 gal. per 24 hrs.

(b) 1,500,000 gal. per 24 hrs.

(c) 1,400,000 gal. per 24 hrs.

2. Fuel used.

Kind—Bituminous coal and Anthracite screenings.

Brand—Various.

Average price Delivered, \$13.20.

Percent of Ash, 14.5.

3. Coal consumed for year, 950,372 lbs.

4. Wood. None.

5. Total equivalent coal for year, 950,372 lbs.

6. Total pumpage for year with steam pumps, 232,600,690 gals.

7. Average static head against pumps. 108 ft.

8. Average dynamic head against pumps. 145.5 ft.

9. Gallons pumped per pound of coal. 24.5.

10. Duty per 100 lbs. of coal. 30,100,000 ft. lbs.

11. Cost of coal per million gallons, \$27.00.

12. Cost of coal per million gallons raised one foot. \$0.19.

13. Total electric current consumed for year. 9440 K. W. H.

14. Gallons pumped per K. W. H. 999.7.

15. Average dynamic head against electric pump. 148.0 ft.

16. Cost of current per million gallons. 43.25.

17. Cost of current per million gallons raised one foot. \$0.30.

Note:—Electric pump was an emergency installation and operated much below normal efficiency.

* Estimated.

STATISTICS RELATING TO DISTRIBUTION.

MAINS.

1. Kind of pipe: Cast iron, wrought iron, lead and lead lined.
2. Sizes: From one inch to fourteen inches.
3. Extended: 6,790 feet.
4. Replaced small wrought iron with cast iron. None.
5. Total now in use, 81,148 miles.
6. Cost of repairs per mile, \$6.58.
(Includes flushing and care of hydrants and all maintenance chargeable to distribution system.)
7. Number of leaks per mile, .025
8. Length of pipes less than 4 inches in diameter, 16.05 miles.
(Mostly summer lines.)
9. Number of hydrants added during the year, 2.
10. Number of hydrants now in use, 462.
11. Number of stop-gates added during year, 5.
12. Number of stop-gates now in use, 655.
13. Number of stop-gates smaller than 4 inches, 107.
14. Number of blow-offs, 22.
15. Range of static pressure on mains, 18 to 105 lbs.

SERVICES.

16. Kind of pipe: Cast iron, cement lined, wrought iron lead and lead lined.
17. Sizes: 3/4-inch to 8 inches.
18. Extended, 2502.3 feet.
19. Discontinued, None.
20. Total in use, 18,368 miles.
21. Number of services added, 138.
22. Discontinued, none.
23. Average length of services added during year, 17.9 feet.
24. Average cost of service added during year,
25. Number of meters added, 115, discontinued, none.
26. Number of meters now in use, 2,190.
27. Percentage of service metered, 51.0.

STATISTICS OF CONSUMPTION.

1. Population: Winter 15,057. Summer 3,168.
2. Total consumption for 1920: 535,959,300 gals.
3. Average daily consumption: 1,464,370 gals.
4. Gallons per day per capita: 89.5
5. Total through commercial meters, 66,495,420 gals.
6. Domestic consumption, (2)-(5), 469,463,900 gals.
7. Gals. per day per capita based on (6): 78.3.
8. Total accounted for by meters: 132,407,400 gals.
9. Percentage accounted for by meters: 24.8.
10. Total registration of meters, Dec. 31, 1920, 764,724,900 gals.
11. Total registration of commercial meters, Dec. 31, 1920.
456,845.475 gals.

REPORT OF THE TOWN ACCOUNTANT.

East Weymouth, Mass., Jan. 1, 1921.

To the Board of Water Commissioners:

Gentlemen:—Herewith is submitted the nineteenth annual report of the Accounting Department, showing the receipts and expenditures on account of the Weymouth Water Works for the year ending December 31, 1920, as follows:

Construction:

Warren Foundry & Machine Co., pipe	\$2,549.95
